

FREE MONEY

CAN BE YOURS—if you are an 80-IQ welfare mother producing illegitimate offspring at 9-month intervals starting at age 13.

Generous funds are also available if you are an illegal alien in need of medical services while you give birth to a new "American" citizen, now that you are north of the Rio Grande.

Grants to "help you get started" are available if you are a member of Jewish organized crime gangs newly arrived as "refugees" from Russia.

If you are a homosexual "performance artist" the National Endowment for the Arts will pay you handsomely to literally or figuratively fling dung at your audience.

If you are a foreign dictator currently in the good graces of the New World Order elitists, multiple billions can be yours, as long as you "cooperate."

And if you burn down your own neighborhood when a court decision doesn't go your way, don't worry: truckloads of money will soon arrive to build you new breeding colonies—er, I mean houses, apartments, community centers, swimming pools, etc.

Oh, I forgot to mention one thing: all this free money is *not* available to you if you are an ordinary straight White American, a descendant of the men and women of Europe who discovered, pioneered, and built America and made her the greatest nation ever known.

If you are one of the quiet, sober, thrifty, hard-working, decent, and almost infinitely tolerant White majority, *your* job is to work hard to provide all the free money and free goodies that the criminals—uh, I mean the politicians—like to give away to buy the votes of the minority and special interest voting blocs.

IF YOU LIKE THINGS THE WAY THEY ARE—keep on smiling, keep on watching TV, keep on voting Democrat and Republican, and, above all, keep on working hard to keep the "free money" flowing!

BUT—IF YOU'D RATHER give the crooked politicians a fair trial, and send the minority parasites packing to fend for themselves, then listen to our weekly radio program, *American Dissident Voices*, and contact us to find out how we're working to restore America to her rightful owners.
