PREFACE

THIS BOOK HAS BEEN PREPARED FOR THE CITIZENS OF THE PLANET EARTH FOR THE COMING NEW CENTURY.

NOTHING IN THIS BOOK IS REALLY NEW. IN FACT, MOST OF THE PRINCIPLES WE COVER HERE ARE QUITE OLD.

PEOPLE WHO LEGITIMATELY SEARCH BOOKS FOR INFORMATION OFTEN ENCOUNTER PROBLEMS BECAUSE OLD BOOKS TEND TO USE A MORE POETIC LANGUAGE AND ALSO HIDE CERTAIN MEANINGS WITH OCCULT CODES AND SYMBOLS.

ALL OF THIS HAS BEEN STRIPPED AWAY HERE.

THIS IS A PLAN LANGUAGE, NON ENCRYPTED, NON CODED TEXT. THERE ARE NO MYSTIC SYMBOLS THAT HAVE DOUBLE, TRIPLE MEANINGS USED.

THIS BOOK IS IN THE "TEXT" FORMAT, AS OPPOSED TO THE "X-TEXT" FORMAT OF MOST AVAILABLE BOOKS AND IS DESIGNED TO CONVEY THE TRUTH AS CLEARLY AS POSSIBLE.

WE HOPE YOU ENJOY IT AND KEEP IT AS A PERMANENT REFERENCE.

THIS BOOK IS NOT SPONSORED BY ANY GROUP, RELIGION, CULT, OR ORGANIZATION THAT WANTS YOUR TIME, MONEY, OR ANYTHING ELSE. IT IS PROVIDED IN THE SPIRIT OF PUBLIC SERVICE THE SAME AS HELPING LITTLE OLD LADIES CROSS THE STREET OR OFFERING WATER TO A THIRSTY MAN. NO ONE WANTS ANYTHING FROM YOU - WON'T TAKE IT IF YOU OFFER IT, NOR WANTS TO IMPLY IN ANY WAY THAT YOU SHOULD FEEL OBLIGATED OR OWE ANYTHING FOR THIS MATERIAL.

WE WISH YOU, YOUR FAMILYS, AND YOUR PLANET THE BEST OF LUCK !

CHAPTER ONE

DEVELOPMENTAL EXAMPLE

INTRODUCTION

In this chapter, we are going to make up a sample working society and study it. We will discuss various points in a theoretical way that are applicable to all social orders.

SET

Let us construct a table - of wood with a top composed of many strips [planks] of wood. The table stands 4 feet tall. On the table is a pitcher of milk. Under the table are the people who will be in our new society.

FIRST CAUSE

To initiate our social order, we will tip the pitcher over on its side and allow the milk to spill on to the table and drip down thru the cracks in the boards.

PROGRAMMING THE "PURPOSE OF LIFE"

We need to give our citizens a purpose for their existence. Therefore we will proclaim that the purpose of life in our society is to determine where the milk is coming from.

LAW

Now, we must stabilize our society with law. Otherwise, it will collapse. Therefore, we now proclaim:

LAW: IT IS ILLEGAL TO LOOK MORE THAN THREE FEET ABOVE THE GROUND

LAW: ANYONE WHO LOOKS MORE THAN THREE FEET ABOVE THE GROUND WILL BE EXECUTED

Now, our society is working and stabilized. Since no one can look more than three feet above the ground, they can never determine the answer to the purpose of life [where is the milk coming from] and so the people will spin helplessly in circles throughout time.

INTERNAL SECURITY

Visitors

What of the possibility now of outsiders coming around. Being from outside our society they can easily see where the milk is coming from - if they enter the society and tell the truth they will destroy our social order. This must be prevented so we now invent "Security Clearance". Anyone coming in from the outside must swear never to talk about what they have seen - the pitcher of milk on the table. If they will not swear they have two choices:

1. Do not enter our society and
2. Be executed immediately upon entering our society.

Internal Non-conformers / Secret Groups

Now it is brought to the attention of the leaders that there are some people who have looked beyond three feet above the ground and have seen the table top and the milk. However, no one saw them when they did this and they do not talk openly about what they saw. They have formed a secret club called the "Order of TRUTH" and they discuss what they know only in secret meetings where no one can observe them. In public they behave like everyone else and proclaim that they are trying to find out where the milk is coming from. Now we know that they have the forbidden knowledge, but since they won't admit it publicly and keep to themselves, and represent a small percentage of our society, the decision is made to ignore them and take no action.

EXTERNAL SECURITY

There are other societies in existence. We do not tell the citizens this, but we know of it. They think we are silly and that our people should be "liberated" by being informed of the truth. We must deal with them, because they are a threat to all we have worked so hard to create.

We must form an army. The members will have to be told things the general citizens do not know. We need to establish a security clearance system to handle the army people.

The system we establish will work like this:

1. Secret Clearance: Knowledge that things exist more than three feet above the ground and that there are others in existence not in our society. These "others" are the enemy and must be controlled. If they can't be controlled, they must be killed because the "national security" is at stake and must be protected at all cost.
2. Top Secret Clearance: Knowledge about the table and the spilled milk. Knowledge about why the public must be kept in darkness for the stability of the society. Knowledge that the "enemy" is really probably right and we are "silly people" - but we rule here and we can't be rulers anywhere else. We provide and care for our citizens - it's our thing to do this - and we love the feeling and sexiness of the power we have and we do not want to lose it. Special consideration for those granted Top Secret clearance to keep them loyal such as more pay, better food, and exemption from the law that we made up for the regular people.

Now we have an army in place and we can go out and kill the other societies that are trying to destroy our society.

We can alternately simply show force, and enter into secret treaties with the other societies that they will not interfere.

HOUSEKEEPING: INTERNAL DISSENT / PROPAGANDA

Now we learn that - although not overtly disobedient to our laws - there is a growing number of citizens that just do not believe what we have told them. They are not breaking the law and looking over three feet above the ground. But, they somehow sense that things are not right and these feelings will not let them have peace.

Therefore we must now invent "Mental Illness" and "Rehabilitation and Treatment Programs". First, we need to agree on the party line propaganda which will be transmitted to all citizens. Let us now send the following message out:

CITIZENS: ARE YOU UPSET FOR NO REASON - TROUBLE SLEEPING WE WANT TO WARN YOU ABOUT MENTAL ILLNESS BECAUSE THIS IS WHAT YOU, OR SOMEONE YOU KNOW MAY HAVE. RECENTLY THERE HAVE BEEN REPORTS OF SEVERE DELUSIONS WHICH OUR SCIENTISTS HAVE DETERMINED IS "MILKMANIA". THESE POOR AFFECTED PEOPLE ACTUALLY BELIEVE THAT THEY ARE LIVEING IN A CONTRIVED WORLD AND THAT THE GOVERNMENT IS BEHIND THE DRIPPING MILK AND THAT THEIR LIFE IS AN ILLUSION. OF COURSE, THIS IS ABSURD. SO IF YOU KNOW OF ANYONE THINKING THIS WAY, NOTIFY THE NEAREST GOVERNMENT OFFICIAL AND THAT PERSON WILL RECEIVE THE BEST CARE OUR SCIENTISTS CAN PROVIDE.

Now we have established the party line. We need to build some holding areas that we will call "hospitals". And, we need to figure out what to do to the people who have innocently become too smart to be allowed to stay in our society.

We decide two things:

1. If we pick up someone who is not really opposed to us but has figured out the truth somehow, we could just give that person "Top Secret" clearance and let him work for us as a member of the "in crowd".
2. If this is not practical, then we will brain damage the person so he can not do anything coherently and then let him go as "rehabilitated". He will be so silly and confused that it will not matter what he says because no one will believe him.

THAT DOES IT

We now have a stable, working society that is guaranteed to last as long as we want it to, so long as we maintain the constraints that have been discussed above.

CHAPTER TWO

AN OVERVIEW OF THE SET: THE MASTER ORGANIZATIONAL CODES

INTRODUCTION

Later, we will discuss the US Economic Matrix. When we do this, you will be as prepared as possible to view this material in perspective because of what we will now discuss.

The planet Earth is part of the physical universe and the physical universe is part of a system of universes [commonly called "planes"], some of which exist under the compartmentalizing quality called "time".

There are two organizational codes for the system of universes: these codes are "666" and "704".

The code 666 is the structural code for the so called "lower worlds" [which includes Earth]. These worlds are under the administration of Satan, whose proper name is Kal Niranjana.

The code 704 is the organizational code for the entire universe system [the lower and higher worlds combined] and basically means "seven over four" as there are seven spiritual planes and four planes of lower creation.

The administrator of the entire universe system lives in that area of space beyond logic, nomenclature, and mental activities. An intensely loving and benevolent creature, it has no name.

The lower worlds are called the Mental World, the Causal World, the Astral World and the Physical World. They are all under the administration of Kal Niranjana. Kal has organized these worlds in a system of repetitive reflections. Each reflection gives the impression that it is the highest reality. There are three sets of six reflections, therefore the organizational code is three sixes or 666. Since 666 does not spell any word, scholars have wondered about this "name of the Devil", however it is not a name at all but simply a mathematical representation of the structure of the lower creation.

The code 704, with letters for the numbers 7 and 4, spells "GOD". Again, GOD has no name and this is the structural code for the complete universe system, which collectively is created and maintained by "GOD".

Now, we will get into this in a bit more detail.

THE CODE "666"

We will now discuss the structure of the worlds under the administration of Kal Nirranjan, the so called "lower worlds".

First, however, I must give credit for the chart we will use here because it is not my creation. It was developed by Professor Lekh Raj Puri under the guidance of his Spiritual Master, Maharaj Sawan Singh, known as the Great Master, residing in Beas, India.

The chart below represents the structure of the worlds of Kal Nirranjan.

SET #	Maya	Kal	Maha Kal	#Petals [of Lotus]
1	Guda	Antash Karan	Trikuti	4
2	Indri	Below Third Eye	Lower Part of Daswan Duar	6
3	Nabhi	Third Eye	Upper part of Daswan Duar	8
4	Hriday	Sahans Dal Kanwal	Sahj Dip	12
5	Kanth	Set Sunna [Upper part of Astral Plane]	Top of Maha Sunna	16
6	Behind the Eyes	Trikuti [lower part]	Bhanwar Gufa	2

These are the three sets of six planes below the first spiritual region. There are seven spiritual planes above here. This is Kal's world and is composed of "copies of copies" or reflections.

THE CODE "704"

The code 704 is the structure of the total universe. The four is the part covered above and the seven is for the seven spiritual planes above the world of Kal.

Since you were born in a Human body, you have the right and the power to leave this place forever and live for eternity in one of the spiritual worlds. Animals have souls too, but in an animal body they cannot contact God. It is generally necessary to enlist the help of a Living Perfect Saint and receive initiation from him to begin the journey to contact God. Saints who are not presently living cannot help you, and worshipping them accomplishes nothing at all.

THE SCHEMATIC MODEL FOR THE SYSTEM OF UNIVERSES

Please now refer to the schematic model diagram which follows.

The R-I Region

This is the region of pure energy and spirit where the creator resides. It is sometimes called "Anami" [meaning "no name"] because there is no mental-type functioning here - everything "just is" and time does not exist.

The R-II Region

This is the lower region of worlds or planes that are still purely spiritual and exist outside of time. However, the "bending" we portray schematically here has lowered the operating frequency of the spiritual essence here.

The R-III Region

Here we have a major change. Now, the energy has been lowered to a point where it collapses into itself and forms the "egg shaped" structure shown. Time has now come into existence. R-III is the domain of Kal Niranjana - the lord of Time. This region contains the four planes Physical, Astral, Causal, and Mental and down near the very bottom of this "egg" is the Planet Earth.

SCHEMATIC MODEL FOR U. S. SOCIETY

Now please refer to the schematic model which follows.

This model is called an "I-Map" or "Intelligence Map". The diamond symbol is the society of the United States.

The numbers at the left are state of consciousness index code numbers which are called the "Symbol Code".

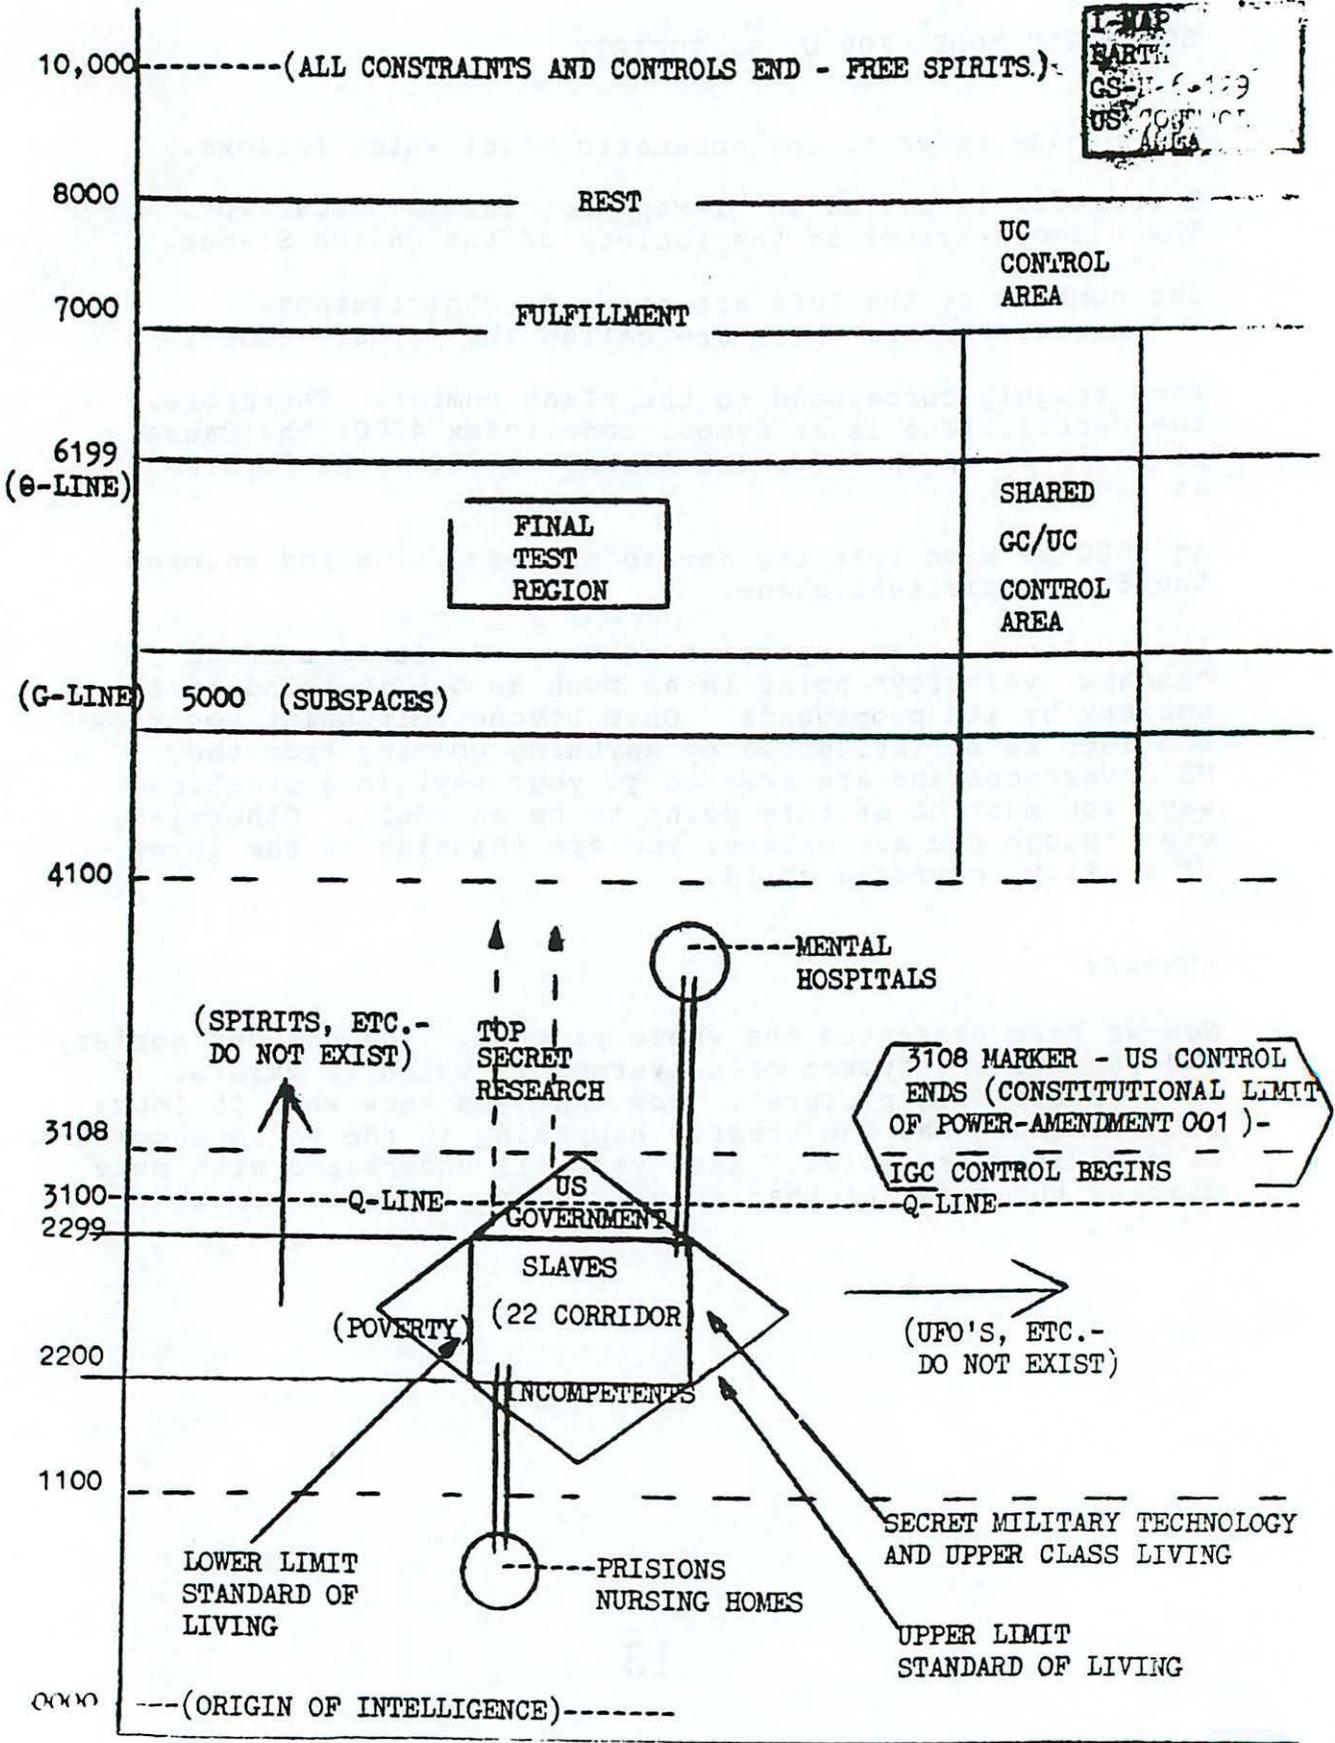

They roughly correspond to the plane number. Therefore, the Mental Plane is at symbol code index 4000; the Causal plane is at index 3000; the Astral at 2000, the Physical at 1000.

At 5000 we have left the domain of space/time and entered the first spiritual plane.

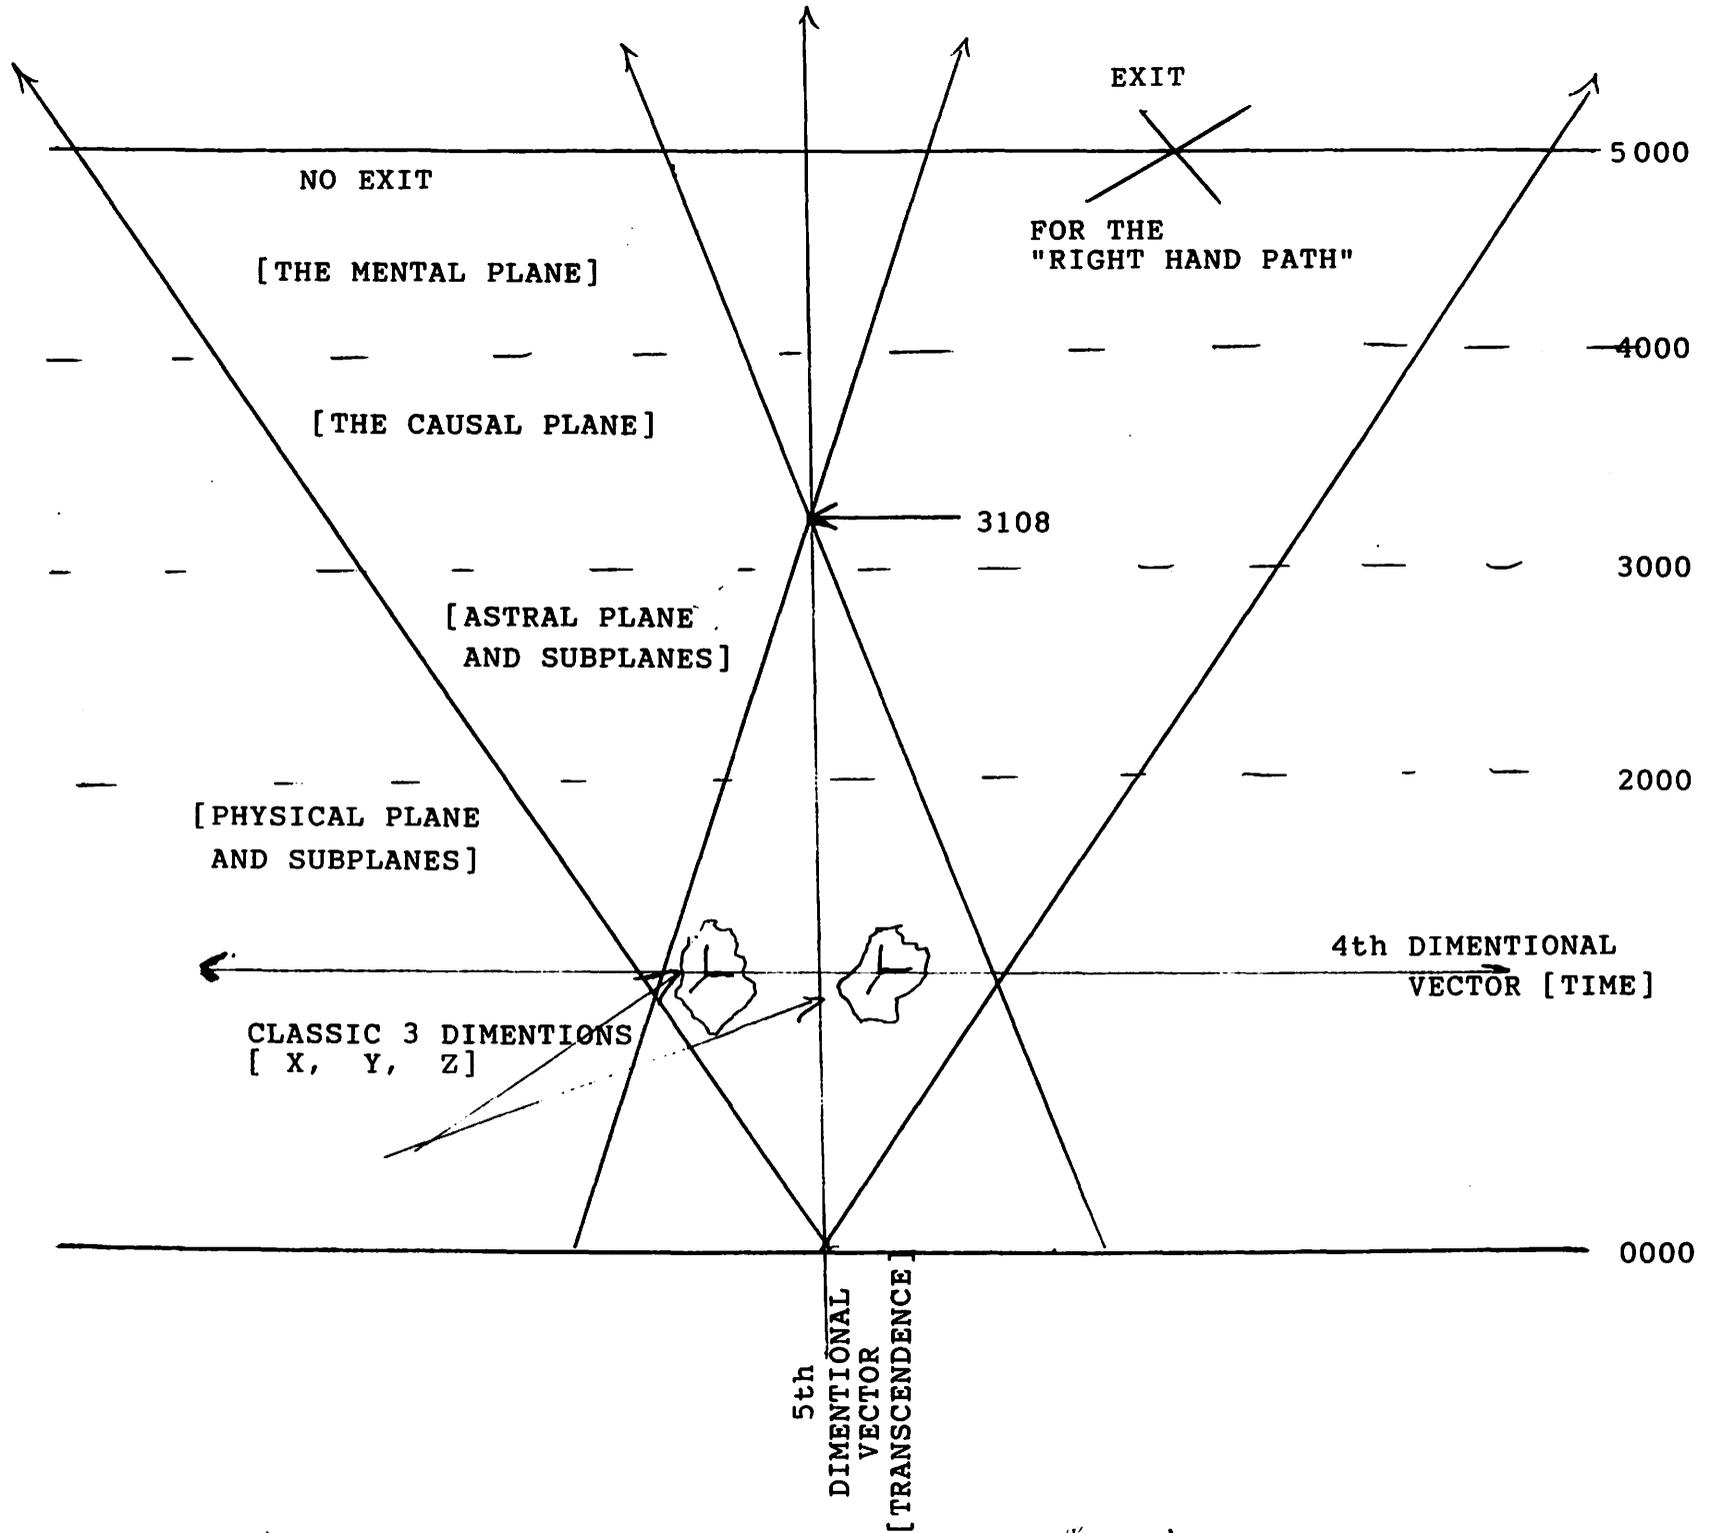

The "Q-Line" is an important marker. It is sort of an "escape velocity" point in as much as one is bound to the society by its propaganda. Once beyond this point you know too much to be influenced by anything coming from the US Government and are free to go your way. In a practical way, you must be at this point to be an adult. Otherwise, even though you are mature, you are thinking on the level of a silly, confused child.

SUMMARY

Now we have presented the whole picture. You see our society and you see the system of universes in which it exists. This is the "big picture". Now that you know what it looks like, things that you observe happening in the world should be more in perspective. And, you will understand with more clarity the material that is yet to be presented here.

THE DIMENSIONAL VECTORS

THE DIMENSIONAL VECTORS

The map above shows the relevant dimensional vectors. These vectors are used, among other things, for deep space travel.

THE FIRST THREE VECTORS

The first three vectors are the ones everyone is familiar with - the classic X, Y, and Z coordinates.

THE FOURTH VECTOR - TIME

Time is the 4th. Vector. Time Machines use this vector to go back in the past or forward into the future.

TRANSCENDENCE - THE FIFTH VECTOR

The 5th. Vector is the Transcendence Vector which takes you to other planes and sub-planes. It also takes spiritually adept people back to GOD.

TRAVELING PHYSICALLY IN MACHINES

The machines which are used to travel physically throughout the universe are INTERDIMENSIONAL SPACE VEHICLES and TIME MACHINES.

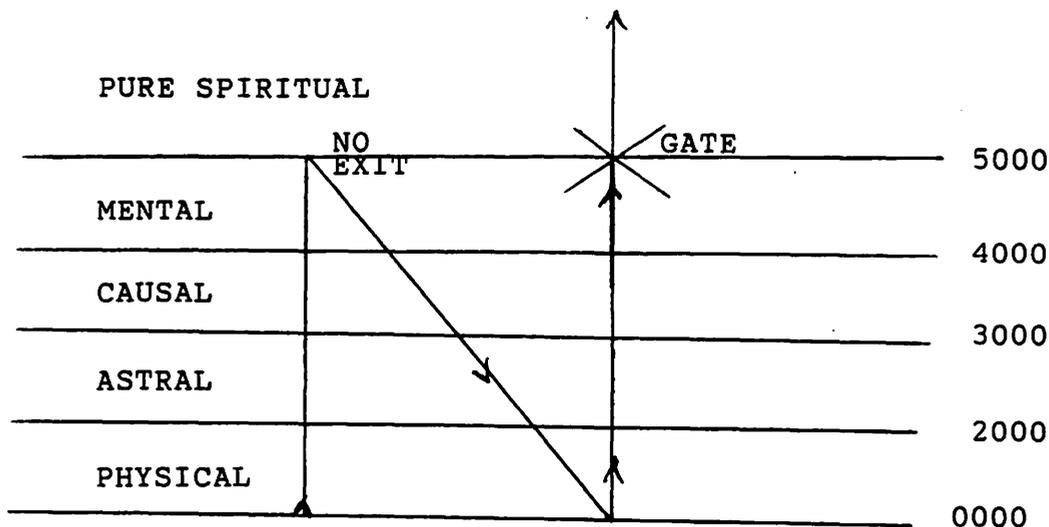

Both machines use technology based on the FORCE which is commonly known as the "strong force" by Physicists.

CRYSTALS composed of LITHIUM-6 are central to the operation of both devices.

ADDITIONALLY, communications devices use special techniques to send messages to ships which travel faster than light and to bases in other periods of TIME here on the Planet Earth.

Space Ships operate on the standard acceleration formula for "WARP" which is: Warp 1: c^3 Warp 2 c^9 ; Warp 3: c^{81} , etc. The highest Warp is 9. Test vehicles exceeding this have not returned.

THE "N" CYCLE

We call this the "N" Cycle because, as you can see, it looks like the letter "N".

This is the cycle most people go thru as Humans.

The vertical path on the LEFT is the "Left Hand Path". The vertical path on the RIGHT is the "Right Hand Path". The slope line between paths represents the "FALL" that people on the Left Hand Path must eventually take.

In this cycle, people thinking about occult, psychic stuff first go on the left because it is easier. They can use drugs and stuff here (like LSD-25) to accelerate progress.

Eventually, they long for more and they find that the Spiritual Regions are off limits to them because there is no exit from the Left Hand Path to the PURE Spiritual Regions above. So, they must come all the way down again and begin new on the Right Hand Path.

Both the Left and Right hand path have Guru's and Masters who help. Both have certain ethical guidelines for Masters and Students. Masters from the Left have similar powers with Masters from the Right.

However, Masters from the left WILL USE THEIR POWERS to get whatever they want and Masters from the right WILL NOT. They have the same abilities, but the Good or Right hand path Masters use very tight restraints on their powers and will only use them on rare and highly justifiable occasions.

The Book "TIBET'S GREAT YOGI, MILAREPA", local stock #GB-260 by Evans-Wentz available thru Oxford University Press, is the story of a man who became a Master of the Left and then realized his limitations and gave that up and became a Master of the Right all in one lifetime.

You don't have the luxury of time right now, so choose the Right Hand Path and save yourself a lot of misery !

CHAPTER THREE

THE COMMAND AND CONTROL STRUCTURE OF THE US GOVERNMENT

INTRODUCTION

We will now discuss the rather creative "Democratic Illusion" under which citizens of the United States live. You may note some similarities to our developmental example in Chapter One.

THE OUTER GOVERNMENT

The "official" Government or the outer government of the United States is thoroughly cataloged. The US Printing Office publishes each year a document called the US Manual or the US Organization Manual. It is for sale to anyone and lists the total outer [admitted] Governmental structure of the United States.

THE INNER GOVERNMENT

But, of course, there is more to it. Basically, people watch TV and see a democratic process taking place. There are elections, meetings, hearings, and all sorts of public input type things happening constantly and the impression is that it is directly from these things that the future course of the country is determined.

Well, sorry, that's not true. The United States is not run by the President. It is run by the "Chief of Military Intelligence" who is appointed by a secret process and who, once appointed, serves for life. His identity is never revealed. Under his direction, a master plan for the next fifteen years in the future is drawn up and updated. About 10,000 people, known as "Q-Men" have the knowledge of this master plan and are responsible for its implementation. This plan is the National Security for it is the blueprint for the future stability of the United States.

The Q-Men live in the world and are positioned in all key posts in the civilian sector. They are University Presidents, presidents of key corporations, holders of key political offices, and holders of other specific key jobs. The matrix of the Q-Men is so designed that an ordinary person with independent ideas cannot advance to any position in or out of Government which would allow him to make any meaningful change in the status quo.

Q-Men generally are asked, for proof of loyalty, to marry a psychiatric nurse who is also a government agent and who is sworn to make sure her man does not get any independent ideas or try to do anything he is not ordered to do. If he does, she is supposed to use her skills to prevent it.

The President of the United States receives his daily orders from the Chief. If he does not obey, he is declared a threat to the national security by the National Security Agency. In the case of John Kennedy, the NSA ordered the Secret Service agent driving the car to shoot Kennedy in the head with an exploding poison capsule of shellfish toxin. Thus, another threat to the National Security was stopped.

CONTROL OF THE PUBLIC DATA BASE

When we presented the schematic model for US Society, we showed the "limits" in which it exists both horizontally and vertically. Now, we will specifically discuss the methods used to maintain the dark and deep sleep under which most Americans live out their lives.

When we say the "public data base" we mean the collection of data that is generally and openly available that you can find and access by some straight-forward method.

Basically, referring back to the schematic diagram, there are two areas where access is restricted. The two areas are 1. Things co-existing with us in the Physical Plane such as UFO's and 2. The other planes of existence.

Our Neighbors in the Physical Universe

Recently a retired military official who was dying gave an interview to the press concerning his personal experiences with two UFO's that crashed into the Earth in 1947. He waited until he was dying because the Government had threatened to kill him if he ever told what he saw. What he saw was, basically, two crashes, one of which was fatal to ship and crew. The other was not. There was left a working ship obviously capable of traveling from the Earth to another planet that has life on it, and three survivors. Two died on the scene but the third lived. It was cared for at a US Government installation and died about three years later of some unexplained [natural] illness for which lack of knowledge prevented treatment.

The US Government is in present possession of a working interstellar ship and is testing it to determine how it operates and plans to make more if it can figure it out.

The ship now in the possession of the United States appears to be a type capable of traveling outside of time.

Our Neighbours in the other Planes of Existence

The government of the United States makes decisions based upon Scientific Atheism. It does not accept or acknowledge the existence of God, of Spirits, of Angels or Devils, or of the possibility of life beyond death or of leaving your body while still living and healthy and taking trips to other dimensions [Planes]. Presently, the Government is powerless to stop religious groups from printing information about these things, but it does take steps to prevent this type of knowledge from becoming too commonly available.

Example: "Dicyanin"

Dicyanin is a blue dye. It is not a drug. It is not physically dangerous. It is not poison. However, you cannot buy it. The chemical company that makes Dicyanin assigns a security code to its customers. We asked a man to order some. His security code was such that if he had ordered LSD-25 or Heroine or Cocaine it would have been shipped to him immediately with no questions asked. But he was told he was not cleared high enough to buy Dicyanin Dye.

Why Not ? Well, Dicyanin Dye has special properties. If you make a window using two panes of glass with Dicyanin Dye between and look into it you can see the Astral World directly. Now, if you are a psychic or meditation student, you can see the Astral World too but this dye will allow any person to see it. Now you see why it has a higher security rating than Heroine. If people could buy this simple dye they could prove to themselves and anyone else the existence of another plane of existence.

Dicyanin Dye was used by private researchers about in the time-frame of the fourties. This gives an approximation of the time-frame when the US Government made the decision to take certain data out of the public data base and hide it from the masses. When Dicyanin was freely available, it was being used as a diagnostic aid because, since it shows the human "aura" clearly, it makes it possible to see weak spots which may indicate disease.

Kirlian Photography gives the same picture as Dicyanin Dye, but it is limited because it is still pictures and not continuous in real time like a Dicyanin Window would be.

Incidentally, have you noticed that you hardly ever hear mention of Kirlian Photography any more.

Specific Controls

The US Government does specific things to control the public data base :

1. Survalence of new inventions

If you invent something that the Government likes or thinks should not exist, they will come for you. The original inventor of the Laser found that out. First, the Government declared the Laser to be a secret. Then, it told the original inventor that he was not cleared for secrets, arrested him for possession of secrets, took his invention and all his notes and left him high and dry. Later, some government scientist with a security clearence submitted the LASER to the US Patent office and was granted a "secret" patent on it and the original inventor never received any credit and is lucky to be alive at all, based on past performance of the Government.

2. Survalence of College Students

Kids smart enough to go to College may be too smart. They are watched. Because, secret information, like all information, is subject to be re-discovered at any time by someone who is bright and curious. College students can be "handeled" easily by the campus "health service", however, and if they learn too much they can be injected with drugs designed to cause a chemical lobotomy and render them an intellectual cripple for life. It is standard practice- parents are simply told that their kid had "an attack of mental illness" and needs lots of rest.

3. Control of the Press

All the news that is transmitted by the broadcast media and the "reputable" print media is propaganda. Also, it is "coded". The Q-Men and other Government agents who work out in the world need accurate news. They can't sneak in a closet every day to listen for secret code on some James Bond type short-wave receiver. They watch the same news everyone else does. The difference is they have what is called "Top Secret Code Word Clearence" and so they do not hear the same thing or read the same thing as ordinary people do because key words and phrases are transmitted and printed daily which are meaningless to the citizens but give the "in crowd" all they need know about the current status of the Country and the World.

4 Control of Medical Science

One of the most effective controls used by the Government. It controls both population and the general quality of life. The Government controls the population by denying the existence of proven cures for many diseases such as Cancer and by deliberately manufacturing designer viruses such as AIDS. In the case of AIDS, it was Henry Kissinger who wrote the plan which ordered the World Health Organization to go to Africa and also to places like San Francisco and give out "free hepatitis vaccinations" which really were direct injections of the AIDS virus which was invented by the US Government. Kissinger called this "cleaning out" various parts of the world.

5. Control of the Food Chain

Hand in hand with medicine is the root cause of the diseases people get. Cancer, diabeties, heart trouble, etc. are caused by the literally shitty food people eat. The knowlwdge of how to correct this is available but it is just not talked about.

THE COMMAND AND CONTROL CENTERS

The US Government operates about five "Command and Control" [CC] Centers.

The one that is known is "Crystal Palace" inside of Chyene Mountain. Additionally, there are probably about four similar underground centers inside the United States.

The Soviet Union and other industrialized nations have similar centers.

From these centers, the US Government can monitor and scan the entire Earth Planet and launch attacks of various kinds against any part of the Earth World.

Since the collapse of the Soviet Union, it has been recommended publically that all of the World's Command and Control centers be linked under a common directorate which would be charged with maintaining world peace and order.

It is very likely that, in the past also, there was considerable "linkage" between all of these centers.

CHAPTER FOUR

THE US ECONOMIC MATRIX

INTRODUCTION

We wish now to take up and discuss the US Economic Matrix. Basically, the United States is a "corporate state" , composed of public "outer corporations" controlled by less public corporations, which are finally controlled by "THE COMPANY".

"THE COMPANY", for those who do not know, is the in-crowd name for the CIA.

BASIC OPERATION

Anyone can start a company. If it is small and the product or service it provides is meaningless or mundane, no one really cares about it. However all large corporations are under direct Government control. A "Q-Man" is positioned at a strategic point in the companies organization so that it is not possible for that company to do anything that the Government does not want.

Also, all labor unions are secretly operated by men from "THE COMPANY". It was publically exposed during the Seventies, during the period when the US Government was in a state of slight de-stabilization, that George Meany of the AFL-CIO was a CIA agent.

The basic system is designed to present to the naive public the impression that "free enterprise" is taking place. That corporations are independently operating institutions. The linkage system that connects the publically operating "private corporations" to the "COMPANY" is considered one of the US Governments "Top Secrets".

The political sector is a similar design. The impression is presented that everyone is free and has freely elected its regulating officials and is in control of the Government.

THE NEXT LEVEL UP

So, the Government of the United States is the legal owner of its 50 States and assorted territories. And, because you are trapped in its economic matrix and need money to exist, it is the owner of you as well.

But, the US Government is in debt - deeply in debt. And the people to whom it owes the "National Debt" are the owners of the United States and, therefore, the owners of the 50 States and assorted territories and of the citizens of these.

So, who owns you ? Well, here is the list. They are called "international bankers" and they own the United States and all its politicians and the President and every citizen of the United States.

They own you because you have accepted the philosophy of "Dialectical Materialism" and you express everything in terms of money. They control the money and so therefore they control you.

The owners of the United States are:

1. Rothschild & Morgan
2. Barring
3. Hambros
4. Lazard
5. Erlanger
6. Warburg
7. Schroder
8. Seligamn
9. The Speyers
10. Mirabauld
11. Mallet
12. Fould

Every year the Government pays [only] the interest on its national debt. That payment is 20 Billion Dollars. And, it is split up among the twelve people above. A nice salary, to say the least.

This group of people who are not elected by anyone can, by virtue of the fact that they essentially "hold the mortgage on the United States" order the US Government to do anything they want and it must obey them. It must obey regardless of any US Law or the Constitution of the United States because naked ownership supercedes and over-rides all Law and Constitutional authority.

So, thats the story. Incidentally, these twelve men consider the citizens of the United States to be their private herd of cattle to be used as they please and to be disposed of as needed. We will cover the consequences of this philosophy in more detail in Chapter 12 when we discuss the coming "New World Order"

THE PHILOSOPHY OF AMERICAN CAPITALISM

We wish now to discuss the three principles of the of the capitalist philosophy.

- These are:
1. Scientific Atheism
 2. Dialectical Materialism
 3. Economic Determanism

Scientific Atheism

God is not welcome in the United States. Religious philosophies have ethical points on which there can be no compromise. The US Government needs a situation where everything has a price and where for enough money or other consideration a person will do virtually anything. People with any deep religious conviction just do not fit in with this and can't be dealt with. They are generally called "psychotic" and locked away.

Dialectical Materialism

Translated into ordinary words this simply means to "speak of everything in material terms" - and that we do. Everything has a price in America. The price of a new born human baby is \$10,000.00 - you have the bucks: the kid is yours.

We are so programmed to think in material terms that it seems strange to look at things any other way.

Economic Determanism

The so-called "American Work-Ethic": the continual push to do more and produce more and boost the gross national product and get the Stock Market higher each day. No one ever asks why we are doing this - it's just an understood compulsion that this is "the right thing to do" and to do anything else would somehow be abnormal.

Summary

These three principles are the very heart of the programming that is instilled into all US Citizens from the cradle to the grave. It is the philosophic system that works for America and to alter it would hurt the national security. Therefore, any alternate philosophies that may compete with it must be stamped out.

In 1990 the US Supreme court made a major decision concerning the freedom of US Citizens to have an alternate choice of philosophies. It re-interpreted the US Constitution which clearly states the right to the "free exercise of religion" to mean that people only had the right to think about religion and did not have the right to actually practice any religion. Therefore, it is now established in US Law that the only authorized philosophy in the United States is Scientific Atheism.

THE ANDROMETER STRAIN

A few notes here on this classic Science Fiction movie:

Recall the fail-safe mechanism in the "secret, underground laboratory". It was a nuclear bomb at the bottom of the lab complex and was theoretically supposed to be used to "protect the Earth" if some germ was so powerful that it could not be contained. Of course, the personnel working there would be vaporized too.

Well, it seems that it's not fiction after all.

The National Laboratories, such as the Lawrence Livermore National Laboratory, are reported to have a nuclear bomb under them - waiting for the signal from the Illuminati to explode.

It's not to "kill germs". It is a fail-safe method for controlling the scientists who work there.

You **see, scientists are** smart people. In fact, they are generally smarter than the politicians who control them by giving them the money to operate.

There is always a chance that the scientists might begin to wonder what the technology they are producing is being used for. They might decide to "get moral" and talk back to the Government and refuse to work or threaten to go tell the press about all the black project stuff they do.

Well, we can't have that, can we ?

Enter the "bomb" - just a little reminder to them that if they ever step out of line they, and their lab, and all the secrets they know will "melt into the desert", to use the Government's popular phraseology.

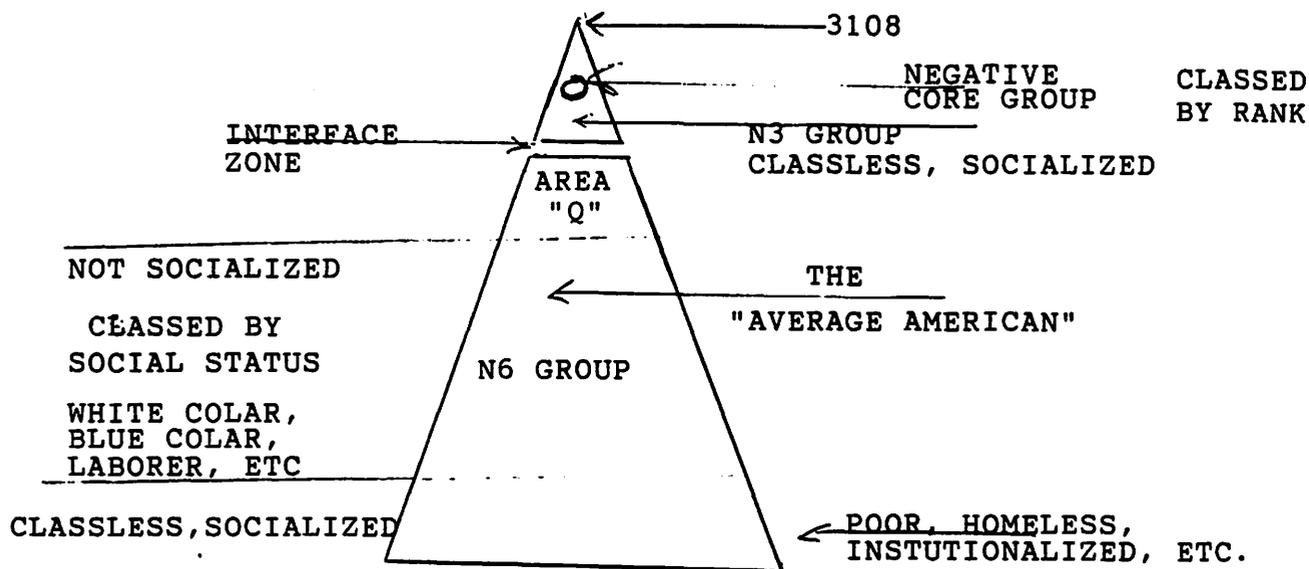

JUST SAY NO

If you are a young person contemplating Government Service as a career, you may want to re-evaluate your life's ambitions.

You would be better off to "just say no" to government recruiters and work somewhere else where you would not have to sign your life away in secrecy agreements and risk the constant threat of jail or death because you got into a conversation with someone and innocently said some classified stuff.

The choice is tempting - sell your Soul for all the goodies the Government can offer you including a brand new physical body when you get old and ready to "die" - but is it really worth it. Please realize that you are giving up your right to realize GOD for a very long time - perhaps in the area of trillions of Earth years so at least sleep on your choice !

THE HEIRARCHY OF THE UNITED STATES

To appreciate this discussion you will need the diagram above AND a US ONE DOLLAR BILL for the pretty color picture of the pyramid on the back.

Refer to the symbol on the Dollar Bill. This Pyramid symbol represents the prototype for US Society. The symbol existed before the United States did. It is the model that was used to CREATE THIS SOCIETY - and it IS A CREATED SOCIETY and is NOT a "spontaneous democracy formed by random people wanting freedom".

First notice that the sides and top of the Pyramid are "illuminated". Notice that the bottom of the Pyramid is "dark or darker". Logically, if a light source shined on a pyramid in such a way as to illuminate all sides, the bottom should be equally illuminated - but it is dark. THIS OCCULT SYMBOLISM MEANS that there was never any intention form the inception of the concept of the United States that ordinary people should EVER see the light or learn the truth about ANYTHING and it was always and still is intended that they should be kept stupid and in the dark about essentially EVERYTHING. "THE LIGHT NEVER REACHES THE BOTTOM" where the masses (known to them as the mob) live.

We will now go into a detailed discussion of the various areas we have labeled on the above diagram and discuss the characteristics of each group.

BOTTOM LEVEL

Here we have the poor, homeless, people in prisons and the like. This is a classless, socialized group. It is socialized because these people are "taken care of" with money from the main working population.

THE GENERAL POPULATION GROUP

Here we have the average working person - the "Average American". This group is not socialized. People in this group must work hard for everything they get and are literally taxed to death to pay the cost of the operations in the other "socialized" segments of the population which we will discuss.

The "Q" AREA and the INTERFACE ZONE

The "Q" area is the area just below the elite. People in this area must be told some things about the elite that the general population does not know. They all must have "security clearances" which means that they must promise not to tell any truths they learn to ordinary people under pain of death. These people are basically "high class slaves". Although they are treated quite well as long as they do their job and keep their mouth shut, nevertheless they are not considered to be equals of the ELITE.

The preceding classes are called "N6" which is the standard state of consciousness identifier for this type of society.

THE GENERAL POPULATION OF THE ELITE

Once we move across the interface zone, we have a situation like night and day. The ELITE are in an N3 rated society. This group is not classed and is socialized. They can be socialized because they have no needs. Everything they need to be completely comfortable is provided by the slaves in the N6 zone thru their tax money and hard work. The slaves do not even know that the Elite exist.

This is an open society - no knowledge is hidden, there are no secrets, no security clearances, no "sensitive" information. Anyone can order books that tell the complete truth about anything they want to know. The books, published by the same major companies that publish books for ordinary people, are complete and stripped of all disinformation. Books sent to the lower levels where the N6 population lives are highly censored and contain tons of deliberate dis-information in order to keep the masses down.

REAL BOOKS (like those available here) are called TEXT and the phony books that ordinary people can get are called X-TEXT (Bad text, meaningless text, text full of misinformation and propaganda).

At the center of this area, symbolized by the "eye" of the pyramid is the NEGATIVE CORE GROUP, THE DIRECTORATE of US SOCIETY

THE NEGATIVE CORE GROUP

Here we find the "ILLUMINANDI" - "The Guardians of the Secrets of the Ages". This is a PERMANANT POPULATION. The men who live here never die. True, they get old, but they have ways of transferring their soul directly to another young body with minimal inconvenience. The people here are the same ones who set policy in the past and they fully intend to remain in control as long as there is a Planet Earth to control - until, quite literally, the end of Time.

What are the "secrets" that the "guardians" are guarding. Well, we've covered most of them in this book and if you have been comprehending this stuff you now know the same things that they know.

Also, PERMANENT MONEY is in use here. Wonder where all the Gold went - wonder why your paper money is "faith money" with no value. Well, it went here - they use real money, money based on Gold and Silver. After all, when you live forever, you don't want inflation eating up your nest egg !

SUMMARY

This is the structure of the Country you live in. This is ALL OF IT - all of it that involves the HUMAN POPULATION that is.

The "GREY PEOPLE", with whom the US GOVERNMENT HAS LEGITIMATE TREATIES also partially live inside of United States Territory. However, they have a different social order of their own.

UNDER THESE TREATIES, the Grey People agree not to use their superior technology to attack the US and the US agrees not to attack the Grey people. It also agrees to give them food and whatever else they want IN EXCHANGE for ultra high technology light years ahead of what ordinary people know so as to guarantee that the Government will always be the boss and that the little man WILL HAVE NO HOPE OF FREEDOM.

This is the plan, at any rate. Things do change, but that is the way it is NOW and that is the way it is INTENDED TO BE FROM NOW ON.

If you don't like that, you have to do some hard work: You (ordinary people) have to "get smart", wake up out of your dream world of beer and sports games, and do the work it takes to ENLIGHTEN yourself as to the truth about the Planet you live on and the Society you live in. If you won't do that - and it seems most people do not want to- then you have no one to blame for your miserable situation other than yourself because you are an immature, stupid, miserable excuse for a Human Being !

And, you deserve just what you get - shit.

A DISCONNECTED HIERARCHY

We are all familiar with local hierarchies such as States, Federal Government, United Nations and the like.

Theoretically, some type of continuity is supposed to exist throughout all hierarchies to facilitate the fulfillment of GOD's PLAN.

However, in the case of present day Earth, it appears that there is some break in the connection because decisions and long range plans seem to be reflecting the personal desires and whims of certain elite planners and NOT the legitimate desires and wishes of GOD.

In such a situation, when the connection is broken to the legitimate hierarchy, the planet becomes a "rogue planet" and someone from the legitimate hierarchy must come here generally bringing whatever force is likely to be needed and "set things right". This is one of the responsibilities of the Negative Hierarchy, under the direction of Kal Niranjan.

There are indications that Earth has reached a point of degeneracy now where such interference is indicated and that it is "on the way".

THE AMERICAN "PLAYING FIELD"

In the schematic on page 14 , we show the position of US Society relative to the other things in existence.

This is "the Playing Field".

Not everyone here is "playing". In fact, only about 25% of the American people work. The others do not and they are supported somehow by those who do work.

The other people who are not playing are in various situations.

About 25% are in holding zones called "prisons".

About 25% are in holding zones called "Mental Hospitals".

And, about 25% have relationships with someone who is working and who supports them.

The people on the playing field are those people on whom the propaganda has been successful.

The others have rejected the propaganda and so must be kept away from the people under the influence of the propaganda so that they will not become dis-illusioned.

The kids are in holding areas called "Schools".

The old people are in holding areas called "Nursing Homes".

CHAPTER FIVE

THE AMERICAN FAMILY

INTRODUCTION

We will now discuss the American Family. Specifically, we want to look at major changes that have taken place over the last thirty years or so because they are significant and have radically altered family life.

These changes were caused by three main processes:

- 1. Compartmentalization of the family
- 2. Commericalization of the family
- 3. Professionalization of the family

IN THE BEGINNING ...

In the beginning the family was a special, natural group. Mates stayed together and grandparents stayed with the family and remained useful and helpful. There was a continuity of life and a linkage between the young and the old for several generations. This no longer exists.

COMPARTMENTALIZATION

The continuity between young and old has now been distroyed by the system of Nursing Homes. Old people are shipped away to these "death camps" where they are manhandeled and drugged senseless until their last dying gasp releases them from constant torment. The "mind-control" drugs they are forced to take distroy their memory of their life and so break the linkage between the past and present. They could not carry on a coherent conversation with their grandkids if they wanted to. However, their grandkids have been conditioned by Government propaganda that old people are always senile and so they don't ask or visit.

COMMERCIALIZATION

Today's family is seen not as a natural unit but as a company. Women do not want kids. They sometimes ask to be "paid" by their husband if he wants her to walk around for nine months uncomfatable. There is no love. Women immediately run away if their man is hurt or disabled and look for another man. They only want money. Their likely answer to "Would you go out with me ?" would be "Do you have a major credit card". Children are a commodity to be bought and sold. Lawyers have established the price of a newborn baby to be US \$10,000.00. You can buy a baby or sell a baby. You can sell yourself for nine months to have a baby for someone who is rich and does not want to be annoyed by getting pregnant. You can sell your sperm; you can sell your eggs. If bills get too high, you can sell your wife..

PROFESSIONALIZATION

This process is perhaps the most damaging of all. It begins by promoting the propaganda that "you are incompetent" and "you need expert advice for everything" and is enforced by arguments like "you should have consulted [and paid] an expert and you did not so this went wrong and so you are guilty of..."

Professionalization seriously disrupts the natural model of family life. To think that at one time a man took his woman and went off on a farm or somewhere and they worked together and had kids and took care of everything and nothing went wrong. Today's girl would say that was impossible

Besides being disrupting, this process costs you money - lots of money. Lets look at some of the things modern society has invented and in many cases passed laws to order you to buy and pay for.

You can't touch your kids. That's child abuse. If a father kisses his daughter, it's rape. But, to discipline your kids you can hire a Psychiatrist. He can legally brain damage your kids, have real sex with your daughter, and lock up your kids in an institution where the "professional" staff will beat them, tie them up, and lock them away for days or weeks in a solitary confinement cell. They can even kill them. And, it's all legal and no one is going to say anything about it because "they are professionals".

And lets not forget the "regular" medical establishment. To begin with, to have a kid in the first place you must contract with a doctor and hospital. If you want to do it yourself you can be arrested. Now that you paid them off for bringing the kid into the world, you can start paying for "routine maintenance". You have to keep taking your kids to the doctor whenever they complain about anything because if you do not you can be arrested for child abuse in case anything goes wrong.

And if you are a professional "modern woman" you will also want to buy: Counselors, Tutors, Guidance Experts, Special Testing, Psychologists, and other assorted "professional helpers".

We won't go thru the list of "professionals" that will be into your bank account if your child is declared "abnormal".

Now, besides spending money on your kids, since you have been conditioned to believe you are incompetent and need professional guidance for every step of your life, you will no doubt want to add: Marriage Counselor, Divorce Cost Analysis, Cooking Classes, Cleaning Classes, Hygiene Classes, Housekeeping Classes, Social Clubs, Health Clubs, Weight programs, Make-Up consultant. Personality consultant, Public Speaking Classes. Well, the list goes on...

THE CORRECT PROCEDURE FOR MATING FOR THE CONCEPTION OF A CHILD

A human being is essentially an immortal soul. The composition of a soul is raw energy and it can exist outside of space and time - in fact, this is its true home.

However, to come into existence on the physical plane as a human man or woman, the soul [which has no sex itself] must interface with four dimensions of non-spiritual material in addition to its natural dimension of pure energy of spirit. Therefore, a human being is a five dimensional creature. When a couple mate intending to produce a child, they mechanically create a body for a soul which already exists and has had countless previous lifetimes.

We now wish to discuss a short poem by John Donne titled "The Ecstasy". This poem describes what must be done to correctly bring a soul into this world as a human being.

THE ECSTASY

Where, like a pillow on a bed,
A pregnant bank swelled up, to rest
The violets reclining head,
Sat we two, one another's best;

Our hands were firmly cemented
With a fast blame, which thence did spring,
Our eye-beams twisted, and did thread
Our eyes, upon one double string;

So to entergraft our hands, as yet
Was all the means to make us one,
And pictures in our eyes to get
Was all our propagation.

As twixt to equal Armies, Fate
Suspends uncertain victory,
Our souls, (which, to advance their state,
Were gone out,) hung 'twixt her, and me.

And while our souls negotiate there,
We like sepulchral statues lay;
All day, the same our postures were,
And we said nothing, all the day....

This ecstasy does unperplex
 (We said) and tell us what we love,
 We see by this, it was not sex,
 We see, we saw not what did move:

But as all several souls contain
 Mixture of things, they know not what
 Love, these mixed souls does mix again,
 And makes both one, each this and that....

When love, with one another so
 Interinanimates two souls,
 That abler soul, which thence doth flow,
 Defects of loneliness controls.

We then, who are this new soul, know,
 Of what we are composed, and made,
 For th'atomies of which we grow,
 Are souls, whom no change can invade....

So must pure lovers' souls descend
 T'affections, and to faculties,
 Which sense may reach and apprehend,
 Else a great prince in prison lies.

John Donne is describing a couple mating. However, they are not concerned with the physical sex that must take place between them. Their souls "have gone out" and they are interfacing and helping the new soul for which they are creating a human body to smoothly and compently enter into a lifetime as a human being in the Earth World. Mr. Donne warns in the last line: "Else a great prince in prison lies". That is, if this is not done, if a man and a woman do not know what the facts of life are and what is happening when they conceive a child, the new soul will be confused and trapped in its new human body. It will be essentially in the same condition as a beast.

Unfortunately, no one follows this procedure - no one knows the procedure. Young people, educated on Scientific Atheism are told they have no soul and that nothing exists except the very grossmatter of the Physical Universe.

Beyond this, modern women do not even want men around. When, in intellectual curiosity, they feel they want the experience of bearing a child, they order a catalog from the local sperm bank. Then they select what type of genetic features they like, make an appointment, plunk down their major credit card, and hop up on the treatment table and purchase themselves a baby.

When the Great Creature, who is the Father and Creator of your soul, looks down upon this place and sees such a gross perversion of its intentions, it is seriously moved.

Although it has no emotion in the Astral sense of the word, there are limits to its compassion and it may seriously consider taking the Earth World out of existence and scattering its souls to the thousand winds where they would eventually be given birth on some other suitable planet in the vastness of the Physical Universe.

LOVE: THE KEY TO SALVATION

Ignorant people, who can't even read or write, who know nothing of what we have been saying here, still if they have "unconditional love" and they live and mate with this attitude, they will likely find themselves, upon death, in the company of the Great Creature, known as God. This is because it is LOVE, not logic or reason, that is the key to open the gates of Heaven to any soul.

RELIGION IN AMERICA

Religion in America primarily consists of the study of the Christian Bible and the worship of Jesus Christ.

You should know that the only people who are going to Heaven via Jesus Christ are those people who were alive and with Jesus when he was alive, essentially two thousand years ago.

In order to go to Heaven in the region where God resides, it is necessary to cross thru the barrier which separates the lower realities from the pure Spiritual worlds.

In the schematic diagram given on page 12, what is involved is the journey of leaving the "egg shaped" package that contains the lower worlds and crossing over to the Spiritual region.

There are no markers or guideposts in this "empty" region in between. God sends to the Earth world certain beings, known as Perfect Saints. These men come from the spiritual zone and therefore they know how to get back into it. Unless you personally meet one of these men - and he accepts you as an Initiate - there is essentially no way that you will figure out how to get through this separation zone no matter how much you know or how good you have been.

The worship of a dead Saint is totally useless.

The various Holy Books that have been written are good because they intellectually inspire the un-initiated to look for the answers to questions about the Universe, God, and the purpose of the Human life.

But you should know that no amount of intellectual knowledge or mind power will get you into Heaven.

CONCEPTION PREGNANCY ABORTION

We just want to point out certain relationships and principles here. People generally do whatever they want regardless of morality or karma or consequences. But, if you want to know the rules, here they are:

A PHYSICAL LIFE FORM cannot remain living unless it is in an association with a SOUL. If the SOUL leaves, the life form dies - regardless of any medical tricks to try to keep it alive.

LIFE FORMS are the PROPERTY of the SOUL with which they are associated and NOT the property of the manufacturer of the life form [parents are the manufacturers of their children, etc.]

UNBORN CHILDREN DO NOT NECESSARILY HAVE SOULS RIGHT AWAY, however, this is a tricky area and it is better to assume that they DO HAVE SOULS than to assume that they do not.

When there is a pregnancy that will result in a live birth the SOUL which is scheduled for that new physical life develops an association with its new body quickly. Also, by virtue of the SOUL's status, It may know from looking ahead into future time what kind of life it will have in a certain family ASSUMING that the female becomes pregnant, This is a PRE-ASSOCIATION. If there is a pre-association, all rights over the unborn child with respect to the parent end instantly at the moment of conception.

HOWEVER, parents are not obligated to honor a PRE-ASSOCIATION because the female can choose not to get pregnant. There is no "wrong" associated with such a decision. It would be comparable to having a orphan kid wandering around by your house begging to be adopted. You don't have to adopt the kid - certainly he's not your responsibility - but if you would choose to do that - and sign all the papers - then you're stuck with him. Same deal. You don't have to get pregnant, but if you do you're stuck.

OPERATING OUTSIDE OF THESE GUIDELINES is grounds for future problems based on the Law of Karma and will result in the accumulation of unfavorable Karmas. The degree of adverse effect upon you in the future depends upon individual circumstances. For example, you may be technically responsible to bring a kid into the world resulting from rape, but Spiritual Masters have said that abortion in some cases is preferable. Students of legitimate Spiritual Masters, in a case such as this, would most likely have any negative karmas erased because one of the Powers given to Spiritual Masters is the power to cancel [erase] karma records. However, ordinary souls do not have this luxury - neither do Masters on the Left Hand Path and medical tricks have no effect either.

CHAPTER SIX

LIFESTYLES AND PHILOSOPHY OF THE Q-LEVEL PEOPLE

INTRODUCTION

We now wish to talk about the so-called family of "Q-Men". These people are the middle-level management of the world. They know of and receive orders from the rulers of the world [who like to keep their existence a secret] and translate those orders into action to take whatever are the desires of the secret rulers and "make it so". Each Q-Man is in an important and influential position and lives rather well. Even though he has essentially "sold his soul" to the government in exchange for the Top Secret knowledge he has been given, still, within limits he can do whatever he wants and has a generally better life than others.

In the original planning to create the "race of Q-Men", it was decided that there should be some fail safe system to deal with a malfunctioning agent should he decide not to follow orders or start telling secrets. This was solved by arranging for the Q-Men to be mated to Psychiatric Nurses. The Nurse-agent was supposed to perform all the functions of a wife plus the special function of stopping her man from doing anything he was not supposed to do by whatever means were necessary. In this way the Q-Man was secured against any problems.

Although this concept still exists, it is only fair to say that life at the top is comfortable. It is an honor to be a Q-man, and there are many privileges associated with this occupation. There is really little incentive for a Q-Man to defect or do things he is not supposed to do.

And so there is little use for his wife-nurse-government agent to be anything other than a basic girl. Nurses are generally cute and keep themselves clean. They like sex and kids. So, the family life of the average Q-Man is generally pretty good.

CONVERSATIONS WITH SPECIFIC Q-MEN

I have personally met and had an opportunity to converse with several Q-Men and here I will say what I learned from them.

The first Q-Man I met was assigned to Tulane University in New Orleans, LA. Our conversations took place in the mid-sixties. He was interested in space travel. He stated that the US Government had developed the technology necessary to construct a starship similar to the "Star Trek" idea. The problem, he stated, was financing. The Government saw no use for a starship to go off exploring what would most likely be empty space. They wanted to spend money on other things more practical. Also, since the knowledge of how to make a ship and the ship itself would always be Top Secret and not revealed to the American people, the funding, which was estimated as "massive" would have to be hidden in the budget some kind of way. He indicated that the estimated cost was very high.

The next Q-Man I met, later in the sixties, was assigned to the Federal Office of Police [FOP]. He was older and probably was working here as sort of a "retirement job" from whatever his original work had been. He was kind of silly and perhaps a bit senile.

I said, "Heard any good secrets lately?". We were just having an idle conversation. I think he may have thought that I was a young Q-Man too. He said, "All the money in the world passes thru Washington D.C. - remember that!" And, I did.

The next and last Q-Man that I am going to talk about was very open. He said his Q number was 273. This meeting was very late in the sixties. We talked quite a bit about lots of things. He knew all about the UFO's that had landed or crash-landed here. I was discussing with him more esoteric things that he apparently did not know. In our last meeting, he thanked me and said that he had been notified that his rank had now been elevated from Q-273 to Q-10.

In closing, let me just explain the rating system. The number of Q-Men is artificially kept right around 10,000. So if you join up your rating or number would be Q-10,000. Through your life-career as an agent, your rank is advanced, based upon intellectual sophistication. To reach the rank of 273 is a significant movement. And, to go from 273 to 10 in a couple of days is very significant. The only new event in this man's life during those couple of days was the conversations we had, and so I have wondered about this because I am obviously not a Q-Man and I do not consider myself to be anything special.

RELIGIOUS BELIEFS AT THE Q-LEVEL

I wish to now go thru some rather interesting revelations stemming from meetings with people who were in the "top-secret club".

These people have certain religious beliefs. They talk a lot about Jesus Christ. They seem to feel that the Government of the United States receives some type of "guidance". Some refer to Jesus and others - one specifically stated that there was a mechanical [i.e. electronic] connection whereby the Government could contact God at any time.

Whatever it is, there is a strong indication that the government can contact some entity not of the Earth Plane.

There is also a troublesome justification for the acts of creating the AIDS and other designer viruses. The "in-crowd" people seem to think that they are somehow doing the work of God as outlined in REVELATIONS 15, In other words, they think it is them who are "chosen" to release the seven final deadly plagues upon the Earth. And, that it is right for them to do this and it is "God's will".

Unfortunately, REVELATIONS 15 does speak of the seven plagues as "God's will". This is not true. Acts like this would fall into the catagory of administration of Karma. This is the juristicational area of Kal Niranjan [Satan] and not God. Many religions worship Kal as God because he is the administrator of this section of the Universe. If they have no Saint to tell them about the upper regions, then the highest "spiritual force" they are likely to locate is Kal. Consequently, they accept Kal as the Ultimate God. It is more proper, if we want to accept the statements in REVELATIONS 15, to attribute them to Kal and not to the Ultimate Supreme Lord [who is the nameless one].

Having straightened that part out, it should be noted next that there is no such thing as a mechanical or electrical device that can contact God. All these devices are creations of the lower realities. None of these things can cross the barrier between this place and the purely spiritual regions where the Lord resides. However, sensitive electronic devices have been used to record voices from the Astral World.

There is criptic evidence that suggests that the US Government is in contact with Kal Niranjan [Satan] and that he is the source of their guidance. The specific evidence is the top secret radio call signs used by the CIA. They all begin with the letters "KKN". Now the K is simply an international assignment which means a radio station of the United States. But, the following KN is, of course, the initials of Satan, namely Kal Niranjan.

CHAPTER SEVEN

THE RULING CLASS AND THEIR GAMES

INTRODUCTION

The small group of men and women who rule the world have various social interactions. These people are unimaginably rich. They have everything they could want and they have total power over all the nations and the peoples of the world. And, since there is little more they could possibly ask for, they are sometimes bored.

O - GAMES

When they are bored, they play games. These games are called "O-Games". Sometimes they are serious, like buying and selling countries. Sometimes they are less serious.

In these games, money is the key. Everything is for sale and you can bid on what you want at any time. If, by economic power, the provider of what you want is overwhelmed, what you desire must be done.

The games are civilized in this way. Everyone agrees that they will abide by the rules that "enough money can buy you anything that exists".

So, lets pretend we are ultra rich and play a game.

Would you like a piece of ass from the Queen of England? She must submit if the price is right. It may be 1 Billion, maybe 10 Billion, but there is a price for this service.

Want a date with the US President. Want him to do certain specific things on that date. Well there's a price that will get you exactly what you want.

Clearly, these games are not for the ordinary gamster or gambeler - they just can't afford it.

But, world leaders can - and they do play.

This is because, even though they are inconceivably rich they are also human and they have desires - some of which are quite "kinky".

THE "SEXINESS" OF POWER

Men in politics and other powerful positions love the "power trip" they are into.

Let's just briefly point out some basic metaphysical concepts that are at work here.

We have wide television coverage of political activities. This coverage is not just of the President, but of many insignificant things such as the general coverage of meetings and the like by the C-SPAN Network.

Take a good look at some of these people. Did you ever notice how an elderly male US Senator is always seen in the company of young females. They are his aids and office staff and they think highly of him. A young female of childbearing age has lots of "psychic energy" and this energy can be transferred from one person to another. The Senator does not necessarily have to sleep with these girls. The fact that they are physically close to him daily and that they sincerely wish him well allows this energy to flow to him and re-vitalize him. This is why, in past times, the wealth and power of a king could be judged by the size of his harem. Visitors would bring the King a new girl - not more money.

The energy transference of life force that takes place in these situations is very real. It is sort of like a "fix" of fresh psychic energy. It is something you cannot buy because the doner needs to like you and want to give it to you.

And, if you want a lot of girls hanging around you, you must have money and power because that's what they want.

So there are definate scientific reasons behind the lust for power and the associated "sexy thrill" or "quick fix" of the consequential flow of psychic energy or life force to you from admireres.

CHAPTER EIGHT

THE TOP SECRETS

INTRODUCTION

We will now discuss the Top Secrets of the United States. The Top Secret level of clearances is called the "Q-Level" and it consists of fifteen subgroups which are simply called TS1 thru TS15. TS15 is the highest level. The industrialized world is operated by a common directorate. That is to say, at level TS15, all the Governments of all the industrialized nations come together and share plans, secrets, and work towards a common goal. This common goal is called the New World Order.

We shall now discuss the specific Top Secrets which currently exist by category.

THE "SILLY" TOP SECRETS

The breakfast menu for active Air Force Pilots is Top Secret. Any historical fact that may embarrass the President or other high ranking official is Top Secret. Things like this we are calling the "silly secrets" because it is mainly bull shit and of little consequence.

THE SECRETS OF THE PURE SCIENCES

The pure sciences, that is, Physics and Chemistry and Electrical Engineering and the like are taught in all Universities. But, key information is withheld. So, even if you get a Ph.D. degree in one or more of these sciences, you are incompetent. Certain changes have been made and logical pathways established to deliberately lead scholars off in the wrong directions. In the case of Electrical Engineering, there are a group of "original secrets of electricity", many of which were discovered by Nicoli Tesla, which show the way to do things which the ordinary published theories would lead you to conclude were impossible.

If you get a Ph.D. degree and then sign up with the Government and promise never to leave them and to obey them, you are told the missing knowledge.

THE SECRETS OF MEDICAL SCIENCE

Medical Science is considered by the Government to be the ultimate tool for the control of the masses and, through it, the Government perceives itself as a god with the power of death - and eternal life for special people.

The cures for classic diseases: AIDS, Cancer, etc. exist and are Top Secret. The secrets of genetics are Top Secret. A technique to override the natural protection system which prevents different species from mating and producing offspring [like a dog mating with a cat or a horse] has been developed and is Top Secret.

Modifications to extend and perhaps allow certain special people to physically live indefinitely exists and is Top Secret.

THE OCCULT SECRETS

Although the US Government denies the existence of other realities, it is aware that they exist. It is especially interested in the Astral World. When the government does projects with people [spies] who are trained to leave their body and use their Astral form to spy on others and then return to their physical body and report, it calls this "Remote Viewing" and this research is Top Secret.

Additionally, there is an indication that the Government may receive guidance and information from certain entities which are residents of the Astral Plane - that is, spirit beings. The type of information the Government is seeking, how to have power and control over others and the total world as a whole, indicates that any contact they have made would be with evil forces.

LEVEL OF OCCULT RESEARCH

In recent times, research organizations secretly sponsored by the US Government have lured legitimate Gurus into programs which allow them to be hooked up to medical scanning equipment while they enter the "trance state". The secret purpose of this research is to develop secret drugs that will allow evil people - who by the laws of the universe cannot access certain esoteric information, to be able to force their way into other planes of existence and obtain secret knowledge which will then be used for purely evil purposes against the inhabitants of the Earth.

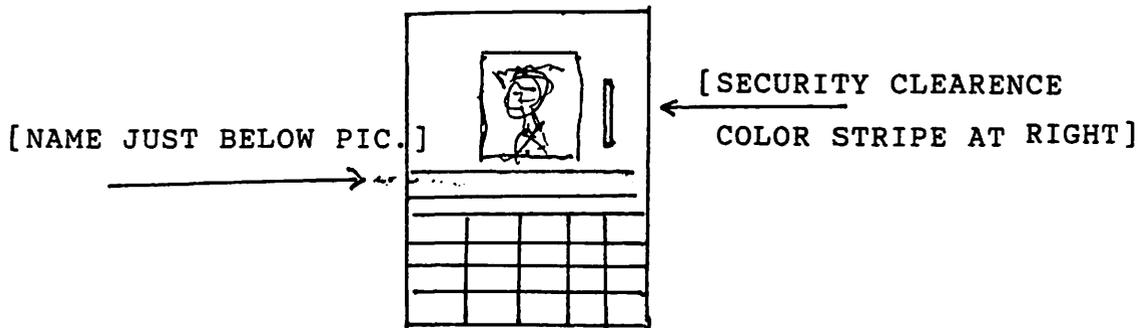

NOMENCLATURE AND DESIGN FOR SECURITY CLEARENCE CREDENTIALS

INTRODUCTION

We have been talking a lot about top secret this and that. I wish now to present the formal coding and layout of a security clearance credential.

A UNIVERSAL IDENTIFICATION DOCUMENT [CREDENTIAL]

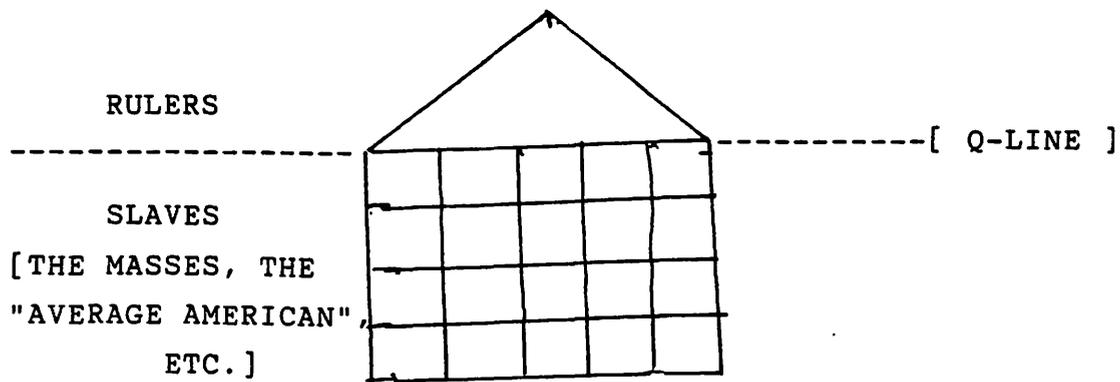

First, it should be noted that, in the industrialized world, all security clearance credentials look the same. The fact that they do indicates that a World Order or World Government of sorts already exists in place.

The basic design of the front of security clearance credentials presently in use in the industrialized world is shown above. On the right side of the picture there is a colored stripe which indicates the actual level of security clearance. The color code is:

BLACK	NO CLEARENCE
BLUE	CONFIDENTIAL CLEARENCE
RED	SECRET CLEARENCE
YELLOW	TOP SECRET CLEARENCE
GREEN	INTELLIGENCE [G2,etc.]
WHITE	TOTAL CLEARENCE
CLEAR	OUTSIDERS [i.e. NOT FROM EARTH
VIOLET	OCCULT PRACTITIONERS

There is optional information on the left of the picture such as an expiration date. At the bottom of the card there is either a symbol, such as a diamond or a circle or a triangle or there is a cross hatch pattern as shown in the example. This cross hatch pattern is a schematic of the design of compartmentalization under which the society is designed. At the level of top secret and above, there is no longer the need for this compartmentalization. It is used to keep the masses separated and ignorant and confused so that they may easily be used. The symbol below is the schematic design or organizational model of the US society:

What this schematic model says is that the factor which separates rulers from slaves is knowledge. The masses are trained to specialize and learn about only one thing and then practice that one thing all their lives as a trade or livelihood.

But, the rulers have the knowldge of all parts of knowledge and the perspective of an overview of the interactions of the world and so are not constrained by compartmentalization.

On clearence cards with special symbols, the "STAR" indicates authority and the color of the star indicates the source of the authority. Other symbols such as the circle, triangle, and diamond symbol may contain letters inside of the symbol.

For example, the bottom of a Secret Service credential uses the diamond symbol and the two letters " SS ". Now you might guess that the "SS" is for Secret Service, but it is not. The SS is a schematic for the "double-helix" of the DNA Molecule and it means that the agent has been specially genetically selected and is a member of the genetically screened perfect people "in crowd", basically equivalent to the "Master Race" teachings of Hitler.

The reverse side of the card contains the sponsoring Nation information. Security clearances issued by the United States say "Property of the US Government". Similarly, a security clearance issued by the UK would say "Property of the UK" and a soviet clearance would say "Property of the CCCP". This information is written in the native language of the respective country.

On the front side, all the cards look the same - regardless of the country.

Some cards also have colored borders. The colored boarder indicates access to a place where only people with security clearances equal to or better than the color of the border can enter. For example, if the border [all around the edge of the card] is "YELLOW" , then this is a place where only Top Secret clearances and above may enter. No one else within this place is any lower than Top Secret [and this includes maids, janitors, etc.]. The secret underground cities would be examples of such places.

METHODS FOR DEFEATING THE LAW OF KARMA AND REINCARNATION

BACKGROUND

Most people living on the Earth today have lived here for a long time - in other bodies. In a way of speaking, everyone here "lives physically forever" because they keep coming back over and over. But, because most people do not understand that life is continuous, they feel the present life is "special" and that they are "new creations" and they probably also feel that death is the "end" and so they want to cram all the fun they can into the present life. Such an attitude essentially GUARANTEES future lives here on Earth.

PUBLICIZED METHODS

The BUDHIST LAMAS make no secret that the life of a High Lama is continuous. When a Lama dies, everyone knows that he will be reincarnated "somewhere". Because people on the Right Hand Path do not wish to go against GOD, the incarnation is left up to HIM and so could be in any family anywhere on the Earth. The students of the departed master do various rituals and consult Oracles to guess where the young child, who was [and still is] their master and guide has been reborn. Then they test the candidate by spreading out before the child an assortment of trinkets - some of which were the favorite things of the departed Lama. When the right child is found, he invariably picks the special things which he remembers from his past life. He is then taken back to the Monistary where he is raised and cared for until, as an adult, he continues his duties as a High Lama.

OTHER METHODS

There are techniques given in Witchcraft training books for guaranteeing that the next incarnation will be human and that it will be a "good life".

Essentially ALL groups which study the mysteries know of some technique that they use to keep continuity between lifetimes. Only the ordinary, ignorant, masses, are totally at the mercy of the Law Of Karma and Reincarnation.

Members of the Right Hand Path under the hierarchy of the Spiritual Masters are not subject to the Law Of Karma and Reincarnation because the Law is part of the Negative Hierarchy. The Spiritual Master alone determines the future of his students.

SECRET METHODS OF GOVERNMENTS

Tyrants and dictators who kill millions of people in their quest for power and glory do not qualify, under the Law Of Karma and Reinacrnation to receive another Human body. They would normally be sent back as some lower form [dog, etc.]

Clearly, these wealthy evil masters do not want to be a dog or a cat or whatever - they want to continue to be human and they want to avoid being judged by the Angels of Death who come for the ordinary man and take him away to face judgement !

With their gold and power and influence, they spend a good part of their energy on the goal of everlasting physical life in the Human form regardless of how seriously they have transgressed the Laws of GOD or how many innocent people they have killed and tortured to get to the position of power they are in.

Enter the "steal-a-new-body-machine".

We call it this for want of a better word and it is an electric / magnetic device that creates the illusion of a separate Universe [unified field] in which things can be tailored to the wishes of the elite.

Consequently, when a crooked politician ages and is near death, he goes to the secret underground center where this equipment is set up.

In the artificially created "universe" are only three things: The old man, a "freshly pregnant girl" and the unborn child of the girl which, because she is "freshly pregnant" does not yet have a soul. The Law Of Karma, which is mechanical in nature, searches for the appropriate candidate for the reincarnation of the old man. If he would have died "in the open" this would likely be a dog, cat, rat, etc. to "reward" him for his life of evil.

However, the only possible candidate is the "freshly pregnant" girl's unborn child because the special fields generated by the "steal-a-new-body-machine" have "tricked" mother nature into believing that the Universe contains only the man, girl, and unborn child. The man is not available because his body is now dead. The girl already has a soul and so the only choice mother nature can find in this "fake universe" is the unborn child and therefore the crooked politician gets that body.

At about the age of five, teams of psychologists work with this "child" to break down the natural barriers that prevent him from knowing his past life using chemicals (like LSD-25).

Once the "waking up" process [that's what they call it] has been completed, the dictator, in his fresh new body, picks up all his gold from his past life which has been kept waiting for him by his Brothers in the Illuminadi and continues on his way.

The process is reported to have reached complete perfection in the 1960's and is said to be now 100% efficient with no losses at all. If you get the feeling, when you watch government people that they are very arrogant, this is one of the reasons why. They physically live forever and their personal wealth consistently increases with time.

THE ULTRA SECRETS

TIME PRESSURE

This is a "new variable" used in top secret physics. The time pressure is not the same in different parts of the physical universe. Changes in time pressure determine the stability of elements. For example, high weight elements such as Einsteinium are unstable on Earth but very stable at a different "time pressure" such as that found on distant planets.

WEATHER CONTROL

Not that hard. The theories on weather have been completely re-written. What you know by listening to TV Weathermen is mostly hog wash and dis-information. Weather control machines operate by using high power radio frequency transmitters on select frequencies to alter the electric charge in the atmosphere.

"AUGMENTED" PEOPLE

Augmented people have been produced in a variety of models. Continuing in its quest for medical knowledge via Hitler style mad-scientist medical experiments, the Government has learned quite a bit. There are physical implants to make people do essentially anything as well as intelligence enhancing drugs to convert people (children are generally used) into super geniuses who have four or five Ph.D. degrees by the age of twelve. The intelligence technique involves the removal of ALL Uric Acid from the person's system which then allows the brain to be used at 100% of potential.

FUSION BALLS

Research into the SUN indicates that its mass is a constant. The reactions which produce light and heat do not consume the mass because the sun is "time-stabilized" and "wobbles" in and out of the space-time continuum at a frequency of 70 Hz. All SUNS operate this way and when there is a problem with a sun it is due to an external event and not because the sun "ran out of gas". FUSION BALLS made in the lab behave the same way and are the technology for the manufacture of "Star Trek" like "phasors". A hand held fusion ball weapon could be used to "slice" skyscrapers in a major city like a hot knife thru sticks of butter.

THE UNDERGROUND WORLD

There is more stuff underground today than on the surface of the Earth. Tunnels, dug by lasers powered by nuclear devices can cut giant tunnels essentially instantly. Today, the planet looks like a lump of swiss cheese and the whole world is covered and connected by the secret tunnel system. Underground cities, complete with golf courses, parks, "skyscrapers" of 60, 80, and more levels can be found there. This is the private world of the elite which YOU PAY FOR !

CHAPTER NINE

CORRECTED HISTORY

INTRODUCTION

Here we wish to discuss recent history - the history of the last fifty years or so. The people in the present generation have lived most of their lives under the influence of an intense created illusion and have been shaped and moulded by pressures and forces that are simply not real.

THE WORLD WARS

The two World Wars that we have had were pre-planned and orchestrated events agreed upon in advance by the participating nations. The Vietnam War was a medical experiment in war and was designed so as to keep a perpetual "controlled war" going at all times so that researchers who needed a "war set" for experiments could have one ready and working.

In the case of the Japanese attack upon the United States, there was lots of advance warning of this and the politicians deliberately let it happen because they wanted war. There is also reports that the United States met secretly with Japan and "asked them to attack".

THE COMMUNIST CONSPIRACY

The Communist Conspiracy never existed. The Soviet Union has always been secretly financed from within the United States of America. We created Russia and its revolutions. We created the "Communist Threat". We financed it. There was never any chance of the Soviet Union attacking the United States. There was never any threat of global nuclear war. It never existed. The purpose of all this was to create intense pressure to motivate the masses to work harder both in the United States and the Soviet Union. They both effectively used the story that "the other one was comming". It was never true and at the hightst and most secret levels of the United States and the Soviet Union there was a common directorate - that is, the United States and the Soviet Union were essentially the same country.

The WORLD GOVERNMENT

There has been for some time a shared data base and a shared "private club of rulership" among all of the industrialized nations in the world. At the "Top Secret" level these governments all come together and have common leadership. Whenever events take place that indicate a conflict between these Governments, it is a contrived illusion for some covert purpose such as to stimulate the economy.

The "Third World" is in a different catagory. It has not yet "joined the club". And, unfortunately, because the people there [in the third world nations] have unique properties and are worthy [more worthy than ourselves] of survival, the Governments of the industrialized nations plan to kill all of the inhabitants of the Third World nations, simply because "they don't fit in" with their plans.

PEOPLE FARMING

In an ordinary farm, the farmer makes a place for the animals he is using so that they will feel at home and comfortable. There are fences, in case they get uncomfortable and decide to leave. There is food, protection from extreme elements, a maintained "defense system" for predators, sex when the farmer deems it appropriate, and all that good stuff. The animals might think they were born in heaven, not having to search and fight for food (at least until the slaughterhouse wagon comes).

YOU ALSO LIVE IN SUCH A PLACE. We call it a People Farm. You are comfy - there are government programs if you're short on cash or food. The place is "defended".

However, everything in it is FAKE. Your money is worthless paper and has no value except that which you give to it by "believeing that it has value". The information stream consisting of TV, newspapers, magazines, and the like is specifically constructed and coordinated to brainwash you into the desired mode of thinking and acting. Your "valuable possessions" such as TV, VCR, and Computer are obsolete by many years and are always breaking. Your religion, assuming it is Christianity, is sheer craziness (Christianity states that "souls" are created when parents mate and have no existence beyond death - this is total insanity ! Also, Jesus is NOT comming back, either !)

YOU HAVE NOTHING BUT AN EMPTY DREAM - a dream that can END anytime the Government, which maintains the dream, decides to stop maintaining it.

Get Real !

CHAPTER TEN

PRIVATE SECRET GROUPS

THE MASONS

The MASONS is a group based on Babaylonian Mythology. The MASONS worship LUCIFER as their GOD. Their argument for worshipping Lucifer is: "In the Garden of Eden, GOD (the for real GOD) wanted to keep people stupid and that's why he forbid them to eat the fruit from the tree of Knowledge. But Lucifer saved man from this goodie goodie life by encouraging him to eat the forbidden fruit. Therefore, Lucifer is their god because he gave them knowledge - and with knowledge they developed the cunning skills which have allowed them to control others and take over the Earth.

It should be noted that ALL of the founding fathers of the United States were MASONS and that, therefore, when the word "god" is used in the originating documents for the United States such as the Bill of Rights, Declaration of Independence, and the Constitution for the United States, it is a reference to LUCIFER and not to the true GOD. TO A MASON, GOD = LUCIFER.

THE KNIGHT'S TEMPLARS

The KNIGHT'S TEMPLARS are simply the ELITE of the MASONS

THE KNIGHTS OF MALTA

The Knights of Malta are the secret guard for the POPE. They carry diplomatic passports from MALTA and are therefore above the law wherever they go. They are supposed to keep a low profile and "spring into action" if the POPE is in danger for any reason or decides to activate them in his quest to "take over the World".

THE ROSICRUCIANS

These people are an occult school teaching MIND CONTROL. The boss is called "THE IMPERITOR". The school is divided into work on the Right and Left hand paths. So, there are "good" and "bad" Rosicrucians.

THE CIA

The CIA was dominated by MASONS. However, they have shown a tendency to "go off on their own" lately and perhaps develop some new philosophy. It is likely to be along the same lines as Masonic stuff, however.

THE ILLUMINATI

THE ILLUMINATI are the MASTER SECRET GROUP. At one time, the various secret groups worked independently of one another. However, they have all joined together - secretly, of course, - under the single banner of the Illuminati.

With this consolidation, came the hope that the "Great Work" or "Externalization of the Heirarchy" or "New World Order" could be achieved soon. All these terms mean the same thing which is the making of the Planet Earth into a single dictatorship consisting of two classes - the MASTERS and the SLAVES. And, of course, they would be the MASTERS.

The scheduled completion date for "THE PLAN" is the year 2002. However, things may be not quite on schedule because a key point in the plan, the DISTRUCTION OF THE MIDDLE CLASS, has not yet been achieved. Some estimates put the plan as much as ten years behind schedule. But, The Plan will become reality someday unless ordinary people wake up and realize what's happening and make some meaningful effort to alter "THE PLAN"

Central Headquarters for the Directorate for the Control of the Planet Earth is supposed to be located in CENTRAL AFRICA in a secret city which is shielded and defended by every conceivable high-tech gadget that has ever been invented.

LUCIFER

Many people equate LUCIFER with SATAN. However, there is an indication that these are two different entities.

LUCIFER is reportedly just a very advanced "problem person" who was dumped on the Earth by another physical civilization to get rid of him. He knew how to steal new physical bodies as each body he used grew old and is, therefore, still physically here.

If true, you will probably find him in the EXECUTIVE OFFICE BUILDING in the Secret City in AFRICA ordering plans for the "New World Order".

It should also be considered that this person has a grudge against whatever society threw him out and wants to manipulate the Earth people into some "attack army" to take back to wherever he is from to get revenge. It is certainly a motivation for snuggling up to world leaders and giving them secrets of "super weapons". And, very self serving too !

CHAPTER ELEVEN

US TECHNOLOGY: THE CURRENT STATE OF THE ART

INTRODUCTION

What are the present powers and abilities of the Government of the United States? What sort of things does it know how to do? What sort of things does it have the power to do if it wants to? The answer is, unfortunately, quite a bit. Lets see what they are:

SURVALENCE

The US Government operates many spy satellites. They watch and listen to essentially everything that takes place upon the Earth Planet. They intercept all international telephone calls and data transmissions. They optically observe the surface of the earth and they probe the surface with specific scanning devices.

The satellites launched by the United States are not tiny things - they are about the size of a railroad box car and are powerful devices, in many cases nuclear-powered devices which have no shortage at all of available electrical energy.

Satellites with lasers using very low frequency infra-red beams can map the surface of the bottoms of all oceans and can instantly locate and track and identify all submarines.

They can communicate with other satellites so that a simple hand-held device would allow a US Spy to have contact with his base at any time from any place in the world.

Additionally there are active satellites with considerable power. They can send force beams and death rays. The most likely explanation for the mysterious patterns found in open fields [claimed to be from UFO landings] is the testing of these new high-power satellites which are designed to be able to select a man or a building on the ground and kill or destroy it with the touch of a button.

CONTROL

The Government is in possession of special secret drugs that can turn a person into a programmed robot who will obey exactly any command. These drugs act by opening up a pathway to parts of the brain we generally do not use. It is essentially "empty memory space". Here, a programming team creates a new personality which is programmed to believe that whatever it is being commanded to do is natural, logical, and correct. There is an indication that Siran Siran was programmed by the CIA using these techniques.

Additionally, the government has an assortment of poisons designed to cause a natural-looking death as well as to quickly cause the onset of fatal disease such as cancer.

The Government has already created and released the AIDS virus and is working on new designer viruses that have the potential to wipe out all unprotected human life on the face of the Earth

SYSTEMS OF RECORDS

The government has files on everything and everybody. A tiny new born baby is considered a possible threat to the National Security because it might grow up to be a person who would learn the truth and mess up their game.

When a person graduates from High School, the principal and guidance counselors write a report on him as to what he has done [significantly] and what they think of him. This report is sent to the FBI and is the start of that person's FBI file. Beyond that point, more is added as needed.

Medical Records - including results of tests you don't even know were administered to you - are in a special data base that can be accessed by those with proper clearances.

THE TELEPHONE

Privacy, in connection with the use of the telephone, does not exist. The phone company records everyone you call from your home and everyone who calls you. These records are maintained for a period of 45 days back on every person and are given out to any influential person or politician or government agency that is curious about you.

Computers listen to all phone calls and look for key words [such as "murder"]. If a key word is detected, the computer immediately sends your conversation in real time to a center where a government agent listens to the call.

Local police departments are supplied by the phone company with equipment tied directly into their central office which lets the local police listen to any phone they want to with no restrictions, checks, or controls.

If this was not enough, many people now buy and use "cordless phones" which can be listened to by any citizen who owns a "scanner" which can be freely and openly purchased and operated.

MATTER-ENERGY TRANSPORT

The Government has developed matter-energy transport. However, it is not perfected to the "beam me up Scotty" level quite yet. Live things do not re-materialize alive. But small non-living things can be transmatted and the system is likely installed in satellites at this time. This is the most likely explanation for the people found to have unexplainable small metallic fragments inside their bodies and brains. The classic explanation of UFO's is improbable.

PRIVACY DOES NOT EXIST

All gone ! Satellties watch you wherever you go. Your phone is tapped by computers listening for "key words", X-RAY Sattelites can make a video of you in your house in bed with your wife, girlfriend, or whatever. Whenever you pick up the phone who you call is logged - aslo incoming calls - and the log goes in your PERMANENT government file. Cell Phone companies can "track" your cell phone correct to two feet square - print a map of everywhere you go and the exact times and send it to the government to add to your file. Infra-red remote controls "scan" for infared signals from the "remote control" - but you - hot body - also give off infared so they scan you too and this data can be accessed by satellite beams which are designed to read data from your TV set or VCR. And, there's not enough space to go into all the neat stuff the Cable TV Company can do.

TOP SECRET SERVICES

Top secret services (TSS) are services to the elite that you pay for but do not get because you're a slave. For example, there's FREE pay phone usage to anywhere in the world if you dial "911" and immediately dial the correct secret code. There are very professional and legitimately helpful medical services at any full-service hospital if you are important and know the code (the base code in the medical world is to ask for DR. RAY - Doctor Ray does not exist but it is a codeword that will alert the doctor who has Top Secret Clearences to come see you - he can order all the secret antidotes for things like AIDS, EBOLA, and of course, the legitimate cure for CANCER that is painless and really works). If you need to communicate you can go to essentially any public place where a computer terminal is (like a public library) and pretend to be looking something up. If you know the codes you can instantly connect the terminal to the CIA, NSA, NRO, or whatever good place you want to communicate with.

JOINING UP WITH THE ELITE

Like all this good stuff - it can all be yours if you are accepted as a member of the ELITE. But, it's hard to join, you see the ELITE transfer to new physical bodies when they get old and so do not physically "die". So they have no need of "replacements". You're going to have to be pretty good for them to want you. If you love conspiracies, are terminally evil, love to lie, cheat, steal, and decieve people, you are cultivating the right qualities but that may not be enough. Mainly, under the concept of "the divine right of Kings" you must be able to trace your bloodline to some very very very important figure from the past. If you can do that, you may have a chance. Also, YOU MUST BE WHITE - no blacks are allowed in the inner world of the ELITE.

INFORMED CONCENT

[The Government generally does not provide citizens with a plain language statement of what it wants from them. However, it does want specific things and - if it told the plain truth - it would sound something like this. To spice things up a bit we have moved up in time a bit to a point where the New World Order has been totally externalized.]

Dear Work Unit:

This document contains our disclosure of your rights and responsibilities now that you are considered to be an adult member of our world.

You are a Slave Worker of the Empire of the Order of the Illuminadi. Your purpose in life is to serve and worship us. You should be grateful that we allowed you to be born into our world. Our power is absolute and we are Living Gods. We control space and time and have everlasting physical life. You are temporary. It is useless for you to resist our will and you should abandon now any hope of resistance.

You have been trained and will now begin your life as a work unit in your assigned area. If you are obedient, we will treat you well and will provide you with a balanced existence as determined by our Social Scientists.

In this existence, you will be allowed intervals for relaxing activities and rest. You will be given a list of permitted activities - activities not specifically permitted are forbidden.

In general, you are permitted those activities which are considered healthy by the Division of Psychology which are, among others, sex play, physical games, and moderate use of approved recreational drugs.

If you are a breeder [female], be aware of the population limitations that are in effect and take note of your maximum new work unit production quota because you will be sterilized at the point that your quota is reached.

Remember that children are the property of the state in the conditional custody of their parents and can be taken away at any time.

We provide our work units with all reasonable benefits during their period of productivity. However, we are businessmen and we cannot afford needless losses. Therefore you will be terminated at the point where your productivity falls below accepted norms.

At the time of your birth, you received certain implants in accordance with our World Security Regulations. You are being made aware that your physical location is known to us at all times and that we also monitor your brain activity for any sign of resistance to our will which is punishable by death.

We reserve the right to terminate you at any time even though you have done nothing offensive in order to adjust our "herd size" for maximum productivity.

ORDER OF THE ILLUMINADI HIGH COUNCIL
WORLD CONTROL HEADQUARTERS, CENTRAL AFRICA

CHAPTER TWELVE

THE NEXT CENTURY

SPIRITUAL RIGHTS AND RESPONSIBILITIES

NEW CENTURY - NEW AGE - NEW OPPORTUNITIES

People in the present generation have the opportunity to move into the next century and develop into competent adults (or at least competent "young adults") in the eyes of GOD and to make some real progress.

In this book we have given out all of the relevant codes and knowledge that is needed to do this. It is plain text, not encrypted, and has no double or tripple meanings. Anyone with half a brain who can read should be able to comprehend it.

This is your last chance for a very long time to make it as informed, intelligent, competent people.

Don't blow it !

If you do you will likely end up back in a "dark age" under some oppressive regime which will watch everything you do and make all your decisions for you and tell you nothing at all. And, you will have to put up with this for a few thousand more years until the opportunity presents itself again and System Administrators and other people from the legitimate hierarchies come here to try once again.

YOUR BASIC SPIRITUAL RIGHTS IN THE UNIVERSES OF GOD

You have the right to all of the things which GOD has provided for you. Things like your planet, designed to sustain life in your particular physical form. You have the right to all the normal needs that people need in order to live and grow such as adequate food, the knowledge to be comfortable against the elements of nature, good air and water and the like. You have the right to ALL knowledge stored in the CC-1 data base on the Mental Plane (cosmic consciousness). You have the right to choose to have a mate IF you are willing to accept the karmas that this situation generates.

YOU DO NOT HAVE THE RIGHT to use any of the knowledge and abilities that you may learn to violate the laws of GOD by hurting other people for no legitimate reason or trying to make other people your slave or exploiting them because they know less than you do.

You, as well as all other life forms, have the right to life. You have the right to defend yourself using any power at your command if threatened with extinction by another life form. YOU DO NOT HAVE THE RIGHT to overreact to non threatening situations or because your feelings are hurt or you feel scared because you are personally inadequate to deal with some situation.

NON-CONFLICTING HIERARCHIES

In this discussion we want to go into some of the technical details of the Left and the Right hand Paths.

At the top of the mental plane at vector reference 5.000, the life force which comes from GOD and which creates and sustains all that exists in the created universes is split into two streams. One goes to the left and supports and sustains the NEGATIVE HIERARCHY. The other, to the right, similarly sustains the POSITIVE HIERARCHY.

The Positive Hierarchy has its primary responsibility in the Spiritual Planes, above vector reference 5.000.

The souls that live there are under its rulership. It is an eternal zone and is not subject to dissolution at any time.

The Negative Hierarchy has the sole responsibility of Creating, Maintaining, and Destroying the lower physical creations which includes the Planet Earth. They also have the continuing responsibility of insuring that life forms there progress according to the wishes of GOD and in accordance with GOD's PLAN, which we have discussed elsewhere.

When representatives of the Positive Hierarchy are doing assignments in the lower creation, such as Spiritual Masters and Observers, they are NOT in conflict with the Negative Hierarchy because they operate under different protocols.

Spiritual Personnel do NOT interfere with the Negative Hierarchy. They do not tell the various administrators and Plane Lords and the like what to do or how to handle their affairs.

When a non-enlightened person joins the Positive Hierarchy, that person's "file", for want of a better word is taken from the Negative Hierarchy and placed in the Positive Hierarchy. What this means is that the Negative Hierarchy agrees not to bother them in any serious way. From that point, the Spiritual Master functions as BOTH a protector and guide AND a disciplinary person. The Negative Hierarchy cannot punish the person any more if he does bad things (like sending him to the HELL WORLDS). But, the Spiritual Master, knowing what GOD wants in a mature, developed soul, must therefore use his powers to "nudge" the student in the right direction and sometimes this "nudging" is not pleasant. The student, however, is GUARANTEED that he will leave the created universe - a service that the Negative Hierarchy does not offer.

Consequently, because of this "non-interference" agreement, there is no fighting or conflict ongoing between the two Hierarchies. CONFLICTS ARE ONLY IN THE STUDENT, in his mind he may see "good" fighting "evil", but it is an illusion of his own mind and is NOT real.

HEAVYWEIGHTS ON THE SET

As we move into a new century, people in the present generation may be living in a very unique phase of Earth history.

As we have discussed elsewhere, the supervisory responsibility for the administration of the Government of the Earth is vested in Kal Niranjana, who is the system administrator for this section of space. Kal does not live on the Earth, but from time to time when things get too far out of line here, he physically comes to straighten the mess out.

In psychic and new age circles you may hear mention of Maitraya Acharya. The story is that this person is born and grown up now and ready to do his thing. Maitraya Acharya is the tenth reincarnation of Kal (or possibly a representative with equal power and authority). He is in the class of creatures known as the Avatars of Vishnu and when he comes he will order the government of the Earth to make certain changes. They cannot refuse these orders, and Kal has full power to force the government of Earth to obey if it refuses.

Since there have been only nine previous incarnations of this type on the Earth, considering the amount of time which has passed since humans were first placed here, this is a brief and rare moment and the present generation, which will be alive physically to see the results of this, are granted a unique opportunity to observe.

In addition to having the System Administrator [SA-1], we also have physically present at this point in history various legitimate Spiritual Masters [SM-Ø] as well as Spiritual Observers [SO-1] on the set.

This combination of "heavyweights" is unique and does not occur all that often, therefore we can expect to see some rather rapid and decisive changes here within the lifetime of the present generation.

And, to balance out for the "bad guys" we have, of course various ranks of black magicians and occult practitioners who feel, because no real authority has come to the Earth since they killed Jesus Christ, that they are very safe here and that no one has the power to cope with their black arts (dream on, it's over now).

So we should see some fireworks if these people are to be stubborn to realize that their day of glory is ending.

All in all, the beginning of the next century proves to be a very interesting and fast paced time in history and we should all be grateful to have the opportunity to observe these events.

SECONDARY COLINIZATION PERIOD

PRIMARY COLINIZATION was the period when man explored the home planet Earth and discovered where all the useable land was and set up house there.

SECONDARY COLINIZATION is the period when man leaves Earth and explores the physical universe and sets up - or tries to - set up house there.

For the planet EARTH, secondary colinization began in the 1940's when the technology for "flying saucers" was discovered. And, although no one has decided to tell the ordinary people of the world yet, governments have been running around the Universe ever since. A secret plant to manufacture "UFO's" was operating in CANADA before the first UFO was sighted in 1947 and the term "UFO's" entered the vocabulary of the ordinary man.

Whether the government ever intends to get around to the job of telling everyone this is not clear, but you can bet that all the various governments of the various nation-states on the planet are quite up to date and very well informed.

Secondary Colinization offers essentially a reflection of Primary Colinization. That is, people leaving, making a "new world", fighting with the "parent world" over "taxation without representation", going to war, and all that good stuff.

The day to day problems of man do not change in Secondary Colinization no more than they would move to another state or another country - people are still people with all the emotional and psychological stuff that goes along with that.

However, it is another "exploration phase" to stimulate the mind of man and prompt him to "quest into the Unknown"

A key consideration in Secondary Colinization, however, is the human body. It is alligned to match with this place (EARTH) and other planetary systems do not operate on the same vibratory frequencies. These are more problems to keep molecular biologists busy for a few hundred years and guarantee them some job security.

Unfortunately, the chance for having "STAR TREK" like experiences of meeting new "exotic aliens" seems bleek. Advanced probes report that the rest of the universe is essentially empty.

The "star trek" aliens, if they exist, are therefore likely to be in the physical universe on another sup-plane, which would require "transcendental drive" in addition to "warp drive" to get to. Also, they just might fight back, bigtime !

TESTS FOR SPIRITUAL MASTERS

Because literature is available today which was hard to get in earlier times, it is easy to learn certain occult and spiritual things and then "fake people" into thinking you're special and start some cult. The following tests will weed out most of the fakes, but there is still no 100% guarantee.

THESE ARE AUTOMATIC DISQUALIFICATIONS:

1. Asking for money or other compensation to perform a spiritual initiation.
2. Asking for money or other compensation for ANY reason.
3. Suggesting, implying, or giving orders that followers should try to change the World, take over the Government, or "uplift" mankind. [These sometimes noble goals are the duties and responsibilities of the NEGATIVE HIERARCHY and to elude to them means the person is NOT a high spiritual master of the POSITIVE HEIRARCHY which is the only one that can help you get legitimate Spiritual Enlightenment.]

ASTROLOGICAL CONSIDERATIONS

Early in the next century we have some unique Astrological events scheduled which should result in a slight nudge upward in the overall consciousness of mankind here on the Earth. Any competent Astrologer can give you the exact dates a d times if you're curious, but the main point is that there should be some permanent changes in man's thought processes and he will just have to learn to cope with that

THE LAWS OF GOD- GOD'S PLAN

The life forms of the Universe of matter-energy-space-time, consisting of the four planes known as Physical, Astral, Causal, and Mental, are the children of GOD. These four planes are contained in a finite structure which would look like an egg if you saw it from the outside. The plan of GOD is for the children to grow up here and then leave the egg and return to him where they will then live with HIM as mature souls. The gate which leads from the inside to the outside of the egg cannot be opened by immature souls or by souls on the "left hand path" to enlightenment.

It is GOD's PLAN that young souls make consistent progress toward the day when they will return home. It is NOT GOD,s PLAN that people should tremble before local dictators, terrorists, masterminds, and other various and sundry persons practicing the black arts. It is NOT the puporse of GOD's Plan that people should be enslaved by oppressive Governments who just want to use them for slaves and have no interest in seeing them evolve. When these things occur, corrections need to be programmed into the system which is the responsibility of the Negative Heirarchy which must keep this place liveable and such a state that Souls can realize GOD's Plan. The Positive Heirarchy, while it has the same abilities, does not have the responsibility to maintain suitable conditions in physical reality but, rather, has only the responsibility of identifying the legitimately good souls who are ready to leave here and helping them to do so

BASIC RIGHTS OF SOULS

Under GOD's Plan, all Souls have basic rights. The most basic are:

1. NO ONE CAN DISTROY A SOUL (NOT POSSIBLE)
2. NO ONE (EXCEPT GOD) CAN CREATE A SOUL
3. NO ONE IS ALLOWED TO ENSLAVE A LESS MATURE SOUL IN SUCH A WAY THAT ITS FORWARD EVOLUTION IS HALTED OR REVERSED FOR THE MOTIVOATION OF USING THAT SOUL AS A PERSONAL SLAVE TO FULFILL ONE'S PERSONAL NEEDS.

SOULS ARE PROMISED THAT ANYONE WHO DOES THIS CANNOT CONTINUE TO DO IT [INDEFINATELY] AND WILL BE PUNISHED [EVENTUALLY].

4. ALL SOULS MUST MAKE CONTINUOUS FORWARD PROGRESS TOWARDS ENLIGHTENMENT LEADING TO THE DAY WHEN THEY WILL RETURN TO GOD.

[This requirement is the basic regulation governing the "negative higrarchy". All legitimate operations of the hierarchy including dark places such as "hell worlds" have to be so constructed that, even though the souls there are not having a good time, they are, nevertheless making forward progress and are going thru experiences they need to have to correct past transgressions,]

KNOWLEDGE - ENLIGHTENMENT - ILLUMINATION

The human mind can be compared to a personal computer. It has space for some data and can get more data by connecting to a mainframe server which has all the data it needs. On the Mental Plane is stored ALL KNOWLEDGE AND ALL POSSIBLE COMBINATIONS OF KNOWLEDGE. The personal knowledge people have is a small subset of this. People with "total access" to all knowledge are said to be in "Cosmic Consciousness".

As you can see, KNOWLEDGE is sort of in the same catagory with the AIR you breathe and the WATER you drink. These are provided things. No one owns them. You don't say to a newborn baby, "Want to breathe some air? We own the air and unless you pay some money or sign a contract to pay us, we'll cut off your air supply". Konwledge is the same way.

Unfortunately, in today's world, people have somehow come to the conclusion that they can "own" knowledge and whoever learns something first has the right to lock it up and then go after someone else who discovers the same thing claiming that they "own" the knowledge or that it is "secret knowledge" or "forbidden knowledge" or whatever. This makes about

as much sense as the baby and the air. Anyone has a GOD GIVEN right to have any knowledge that they want and have the ability to obtain. It is FREE, just like the air.

PERSPECTIVES

Here we wish to discuss how things change in meaning and importance with perspective.

The inside area of a play pen is very important to a baby, because, of course, that is all it knows. Grade school is "important" to grade school kids and things like devices for interdimensional travel and warp engines (actually devices) are important to the government. The inside of a play pen is not important to the government and warp engines are not important to the kid in the play pen who has no idea what that is.

Now, let's talk about night and day. Generally, we sleep at night - although there are exceptions. At night, kids are generally sleeping and their parents may be up late doing little adult things. They may be talking about the future of the kids - all safely tucked away. Thoughts of how to pay for College are not important to kids, but quite important to parents.

The physical universe we live in goes thru four distinct cycles called the Golden Age, Silver Age, Bronze Age, and the Iron age which we are presently in. At the end of the Iron Age, the physical universe is dissolved and for a time does not exist. You might say it was "nighttime". When it is re-created, it is bright daytime considering all the fireworks that occur with the "big bang" of the creation event.

This period consisting of the existence period (day) and the non-existence period (night) is called a "day" in the life of GOD. It is day now. GOD's children are awake, they are doing their little stuff they do and hopefully thinking about HIM and that they would like to return to HIM which is HIS wish. After the dissolution, the immature souls will be sleeping or in an inactive state while they wait for the "new Heaven and new Earth" to be created. This is nighttime for GOD. But, like concerned parents, HE is awake, thinking about the future and planning the best for HIS kids.

Now the Christian Bible quotes JESUS as saying as to the time of the dissolution (end of the World), "No one will know - comes like a thief in the night - not even the Angels know the time!". The dissolution is an event that is originated from outside of time; therefore no one living inside of time can know. The Angels are people who died and live in the Astral World - bad angles are called Devils. The Astral World is what most people think Heaven is, hence the statement: "Heaven and Earth pass away..." because both are dissolved in a dissolution. However, higher planes are not dissolved and the souls who live there see things like GOD, i.e., the simple "passing" of night and day over and over again.

THE GIANTS

In the King James Bible, GENESIS 6:4, you will see the line, "There were Giants in the Earth in those days and also afterward..."

Who are the Giants ? What are the Giants ? What was another civilization doing living IN the Earth at the time the Bible says that man was created ?

Well, one possibility is that the Giants are our friends the Grey People who live IN the Earth today - a mature civilization with fully developed powers.

Actually, Humans could well be the "aliens" here if the Bible is correct and another civilization lived here before Man and continues to live here today.

The Grey people - who appear to most likely have come from another sub-dimension of the Physical Universe, love to stay underground.

Also, they don't photograph too well because this place has the wrong vibratory signature for them and so they need to keep an artificial protection field around themselves at all times in order to have a meaningful life span.

If you are wondering where they are go check out Wright Patterson Air Force Base in Dayton, Ohio.

A nest of Grey People was discovered there some time ago. To make sure no ordinary people ever got close to them, the Governmented confiscated the land and built the Base. The Greys came first - the Base came second.

Greys can "shape-shift" and so appear as any human-looking thing they want to.

A major base for the Greys is also supposed to be located under the North Sea. They like to be under large bodies of water - it is excellent protection from radiation or any disaster-type event on the surface of the Earth.

Greys do not appear to be hostile people. After all, if they were here before man - and man is still here - they obviously do not want to "do man in" because if they did man would have been gone long ago.

There are TREATIES between the major Governments of the world and the Grey People now. All the Elite know all about them. And, in protected areas where ordinary people are forbidden to go, you might see one in the local coffee shop. Protected areas are areas such as: AREA 51, ANTARTICA, CENTRAL AFRICA, UNDERGROUND BASES AND INSTALLATIONS, and ON BOARD NUCLEUR SUBMARINES AND SPACE VEHICLES.

CONCEPTS IN TIME

Here we want to take up and discuss the apparent conflicts between predictions of visionaries [like Jesus, e.g.] and the modern complete sciences dealing with temporal theory.

From the distillations of essentially all ancient writings and religions and mystical societies we have the concept of a limited duration Universe that we live in. The standard cycles are four ages preceded and followed by a creation phase and a disolution phase. These cycles repeat.

There was a point where there was no physical Universe. At that point, would it make any sense to say, "The physical universe is not created yet, but we plan to create it next week for sure."

The term "next week" has no meaning. We are outside of time here. Time is a property of the physical Universe. It is not yet created. "Next week" means nothing at all.

Now consider that the physical Universe exists. We say, again from the same perspective as before outside of time, "The physical Universe exists, but it won't last much longer and will be dissolved 'soon'".

The "soon" has the same meaning as "next week" - no meaning at all because it is an observation from outside of time.

Consequently, when great Mystics, Teachers, Prophets, and the like receive revelations from outside of time, they have some prediction of impending doom that will come "soon".

All Mystics are in general agreement that the physical Universe does not last for an indefinite period and that it is not a permanent place. Is it a big lie when - across the ages - respected teachers constantly say that the Universe will end "soon". Well, not really - in fact, from their point of view it is absolutely correct.

The mechanism of creation and disolution is outside of time. It is not a time function and effects all points inside of time at the same moment. Consequently, if the dissolution would occur, people living in the year 35 would say, "That guy Jesus that the government put down a couple of years ago was right - he said we had little time left and sure enough everything is falling apart !"

People in present time would say, "The preacher on TV said it was almost the end of the world, and sure enough he was right cause there it goes !"

People in the year 5000 would say, "Our ancient computer records show that a subversive named Jesus said that our world would end and, sure enough, we don't know what's happening here and our scientists are powerless to stop this !"

The time machines will not operate.

It is similarly incorrect to argue, "I hopped in my time machine and went to the year 2057. I observed that the Earth was still there, that there were people living on it, and that things looked OK. Therefore, I conclude that the "end of the world" cannot be before the year 2057."

This argument, like the others, misses the boat. The origin event and disolution event for the Universe have no relation to time as observable inside the Universe. Disolution, when it comes, comes for 1998, 2057, 35, 5000b.c., etc. at the same moment - a moment that cannot be specified by any reference to "time".

Now let's take a closer look at a "moment". A moment is a slice of time with no thickness - no quantity of time is contained in a moment. However, there are at least two different things in a moment. One is the creation event and the other is the disolution event. These two events effect all time simultaneously. Therefore, our slice of time must contain them also. Additionally, if we are in a "moment" there is a third event because we are there also. Creation and disolution are opposite events, so there should be some "space" between them and we are somewhere between creation and disolution so in our "moment" we should be between these two events. The moment, then, represents a new vector which has a quality of "length" in its own way along a direction that we do not normally travel in our everyday world. So, one might want to contemplate what else is in this fifth dimentional vector. What is on "the other side" of the creation event or the other side of the disolution event and what other goodies might be there as well. Trying to lock yourself in to a moment is a key step in all meditation exercises. So this discussion is a scientific way - for those who relate to science - to conceptualize where people go when they claim to "go somewhere" in mystic trance or meditation.

It is from the new perspective we get from travel along this vector that many concepts in the various sacred books come. When evaluating these claims, then, we must judge them from the perspective where they originated - where they are likely to be completely valid and correct - instead of from the usual perspective where they are likely to look senseless or confusing at best.

It is aparently from this perspective we get statements like, "Well, the Universe comes and goes in just the wink of an eye." and so on.

Concluding, the general advice of spiritual people to live "in the moment" seems to be a very good survival skill to master. It is something everyone can do if they try and it offers escape opportunities that will still work when space and time machines fail to operate - as they must in a disolution phase because time itself is disolved.

THE GARDEN

Let's begin with a little discussion of the Garden. We all know the story of Adam and Eve and the Garden of Eden.

Now, we don't want to get sidetracked here arguing whether there really was a garden, or whether GOD personally made Adam and Eve or whether they were manufactured by reptile people from the Orion Empire.

The point is, the people are here now. They have Class I bodies that contain the five elements: Earth, Fire, Air, Water, and Ether. The fact that they have the "Ether" element gives them the power and right to contact GOD and to leave this place and go home to HIM (actually IT, for as we have said, GOD has no sex).

Now, back to the Garden. Recall the statement of Satan, "Eat all you want of Knowledge - you won't die"; and recall the statement of GOD, "If you do this you will surely die." Also recall the warning later, "Because you made this choice, you can and will eat knowledge all the days of your life: misery, suffering, etc. will come to you now..."

These statements and questions by Satan and God are trick questions. And, so everyone understands, let's go see just what they mean.

Let's start with the original condition in which Adam and Eve existed. Since they had no "knowledge of good and evil", what knowledge did they have. Well, more than you probably do. Adam and Eve were placed in a state of perfect balance, that state which all living Saints have begged us to try to return to - the state where the mind is stilled - the state where we can personally realize GOD. This was the state of Adam and Eve. And, any time that they had wanted to, they could have quit the human form and returned to GOD.

Now, we begin to see the trick of Satan. Asking for "the knowledge of good and evil" is essentially asking for instability because this knowledge causes the mind to run out and contemplate all sorts of things which cuts off the perfect balance and so cuts off the contact with GOD.

So, God was right when he said "You shall surely die" in the sense that they would lose touch with HIM and Satan was also right - physically speaking - to say "You won't die - you'll know what GOD knows !"

The problem with knowing what GOD knows as an immature soul is that you are quickly overwhelmed with knowledge and are utterly confused.

Clearly, we see this in the Biblical description of what happened next. Adam and Eve were all shook up just by realizing that they were of opposite sex, and immediately hid their private parts, etc.

A BRIEF MESSAGE TO THE ELITE

Happy ? Content? All stuffed with the best food your gold can buy ?

Riding in your bullet-proof car - on your way to the underground tunnel that leads to your underground golf course ?

You might notice, on the street, as you pass, some brainless street person, limping along on his way to look for some food in a dumpster. Perhaps, you might think to yourself, "we should authorize a black project to spray poison in dumpsters to get rid of these useless eaters - they really are not a pleasing sight !"

You won't notice the little sparkle in the old bum's eyes as he limps along wrinkleed and worn by the elements.

But, as you speed away, with your security escort, there's a little something you should know.

That brainless creature - can't read, can't write, with no home, phone, e-mail address, satellite receiver - can leave this place: The "golden gate" at vector reference 4.999 will open for him; but it will not open for you.

You will never leave this place. The progression of the ages will come over and over again - golden age to iron age - uncalculatable expanses time - your supercomputer would blow a fuse searching for the number - and you will still be here.

Happy in your hole in the ground plugged into your satellite spy camera ? You know this stuff gets old after a few trillion years go by. But hopefully, you won't get bored because that can be awful frustrating. Kind of lonely too.

You lost the key - missed the boat. All the gold in the physical universe can't buy that key back - it's gone.

The old homeless guy has the key. He would probably sell it to you for a hamburger. But, he can't. He doesn't know he has it. It is not a physical thing - can't find it in his pockets. Psychologists can't wrench it out of his brain - cause he's brainless - he doesn't even know how to spell or write the word "key".

Gee, life sure is unfair. Work your way to the top and find that you actually worked your way to the bottom. Not your fault. They did not teach you in the private schools and ivy league colleges. When you joined the Order, they said knowledge was power, that a person who did not develop his intelligence and use it to get wealth and power was stupid. So, how were you to know any better ?

Boredum is hell, don't you think ?

CONCLUDING

In the standard King James Bible, in Revelations, the vision of a "new Heaven and new Earth" is discussed. What this is is a peak into the next cycle of time following the present cycle of time. We are in the Iron Age now. This is the last phase of the present cycle. At the end of this age, the physical universe (Earth) and the Astral universe (Heaven) will be dissolved. Souls will then be in an inactive state (except for the advanced souls who have left for the higher planes) and will wait while the "new" Heaven and Earth (physical plane and Astral plane) are created. They will then all return and be placed according to their karmas to begin a new phase of their existence in the Universe of forms and matter.

In the new "Earth" which will now start in the Golden Age, everyone will be there. The Builderberger people, the Trilateral people, the Illuminati people will all be there too. You won't notice them, however, because they will be the trees.

Big, beautiful trees - trees that live for millions of years. Trees that bear luscious fruit that actually has vitamins in it.

If the trees could talk, which they can't, they would tell you about their plans for a new world order and all about money and economics and interest rates. They would complain that you should be paying for their fruit instead of getting it for free. But, who listens to trees !

Eventually, thru the natural progression of the ages, the Iron age will come again. By then, the "trees" will have gradually earned the right to get the human form again and will have a chance to do all their good stuff with money, mind control, and power playing again.

These are the cycles of Time and the inevitable laws of Karma at work. These systems, although managed by "lords" of various rank, are under the final control and authority of GOD. No one escapes the law of GOD - not on time machines, space ships, or unified field subspaces - no one escapes: now or ever. However, some people never give up trying. But that's all right. They can keep trying - knock themselves out with Physics and Chemistry and Biology till the end of time (literally).

Will Adam eat the fruit in the next "golden age".
Well, stay tuned to find out !
