The September-October 1990
Northpoint Team Report

Author's Note: As stated above, this was originally a special report prepared primarily for our Northpoint Financial, Tactical and Management Team Members. While it is also intended to be read by the general public, the author is well aware of the fact that the contents will be unfamiliar and perhaps unappreciated by most Americans, who, as Will Rogers used to say, "know only what they read in the newspapers." It is published as a special thank you letter to those Americans and others who support our research and publishing efforts in the amount of \$20.00 or more during the month of issue. Back issues, except for the Special 40 page June-July-August OnTarget, are not available, as only enough were printed to satisfy the above criteria. Because our Team Members understand that the basic and underlying cause of America's problems is world totalitarian Socialism, we provide data herein often without full documentational foundations laid, and the uninformed reader is now being advised that we are under no obligation to him to document or debate the facts and opinions stated in these few pages. We are not set up in our office to answer thousands of sets of twenty questions.

This newsprint edition has been made available to the general public at only \$1.00 because more than 300 Americans donate at least \$20.00 each month so that these issues might be published and distributed below cost. Because of the increased postage, single copies ordered from our office are \$2.00 post-paid. 50 copies are \$25.00 plus \$5.00 postage. 100 copies are \$50.00 plus \$10.00 postage and packaging. Now that the Desert Storm is past, America is back again to the status of Desert Shield. Two more sections to this pamphlet are now being prepared and they will be bound to this section and for this reason the price has been increased from fifty cents.

Author's Note; March, 1991 Printing. For historical reasons, we have not changed the original text of this publication even though the war turned out differently than originally anticipated. We were in Amman, Jordan on January 16th when Desert Storm went into operation, so we will have more to disclose in the forthcoming sections to this pamphlet. Several footnotes have been changed that seemed appropriate. The outcome of Desert Storm did not alter the major premise of this pamphlet. It did further strengthen the role of the United Nations and sped up the process of setting into place the Totalitarian Socialist's dream of a New World Order with its capital in Jerusalem. Future events, as forecast in this pamphlet, may establish that George Bush is more like Hitler than Saddam Hussein. Remember, you read it here first.

A Biographical Foreward If there is such a thing...

Every author writes his own autobiography no matter whose name finally appears with it. He also picks out a photograph or sketch that best expresses what he thinks of himself. Christians like to be seen with a Bible in their hands, whether or not they have ever studied it. Scholars like to have a few shelves of books in the background with the suggestion that they are to be believed because of their genius and scholarship. You are to make no assumptions that I am either a Christian or a scholar based upon the above sketch. Hopefully, you will glean both those facts from the contents. What is not suggested in the above sketch is that the Author is a Korean War Veteran, and appointed Patriotic Instructor of his local Veterans of Foreign Wars Post. He has won the LIBERTY AWARD of the Congress of Freedom on five occasions for patriotic journalism. Therefore, nothing in this pamphlet is to be construed as impinging upon the loyalty or the patriotic dedication of our American Officers and Men now stationed in the Middle East. As with my World War II, Korean War, and Vietnam War comrades, they are obeying orders without understanding the powerful international socialist forces that committed them to risk death and injury for a cause that does not affect the liberty or the safety of their American homeland in the least. It is to them that this pamphlet is humbly and proudly dedicated.

The "Big Iraq Attack"

For weeks now, our readers have been writing to us asking the question: "What does Mr. Davis think about the situation regarding Iraq?" Most of our Team Members already know how "the game" is played, but other readers are bewildered because of the statements made by the news media and Bush Administration officials which indicate **surprise** that the Iraqi Government would actually attack Kuwait. Over and over, the world socialists play the same game with us, and over and over we Americans fall for it. It was seventy-six Augusts ago when a carefully prepared "chain of events" led to the outbreak of World War I, which later his-

torians noted that the major European Powers did not want, and which could have been easily avoided. Regardless of whether WWI was triggered by the assassination on June 28, 1914, of Archduke Ferdinand of Austria or not, it is clear that some Power had seen to it that a succession of threats and countermoves ultimately brought about the "War To End All Wars". The more subtle and deceptive slogan was "To Make The World Safe For Democracy." Unknown to most Americans even today, the real reason for America's involvement in World War I was the then Top Secret "Balfour Declaration." Secretly, on April 5, 1917, the British Government sent its Foreign Secretary, Rt. Hon. Arthur James Balfour to the United States to notify the Woodrow Wilson Administration that the British Government was prepared to officially endorse political Zionism, provided they would bring America into the war on the side of the Allies. Sixty days later, on June 7, 1917, the first American troops landed in France, and American blood began to flow into foreign soil once again. Once America was committed to war on behalf of Political Zionism, the infamous Balfour Declaration was signed on July 18, 1917, stating in part:

"His Majesty's government accepts the principle that Palestine should be reconstituted as a national home for the Jewish people..." ***

Bush vows to outlast Saddam

World partners won't let Iraq 'wipe out' Kuwait, he insists
 Plea to Americans: Be patriotic, patient

The Associated Press
 WASHINGTON — President Bush, reporting to Congress the nation on the Persian Gulf crisis, vowed Tuesday to "wipe out" Saddam Hussein's takeover of Kuwait.

*Note that the word used was Palestine, not Israel.
 **This text was quoted by Mr. Stokes in the British Parliament during the Palestine Debate, December 11, 1947.

England, at that time, owned Palestine! From a Christian American patriotic point of view, it is certain that Germany had no intentions of ever invading and conquering the United States! Germany was no threat to our American homeland whatever. Yet our American men bled and died in other peoples' wars, for the benefit of political Zionism.

Again, not to impinge upon the motives of our American soldiers, or the intent of those Americans who still lie beneath the poppies in Flanders Fields of France, I ask, what is so Red-White-and-Blue patriotic about bleeding and dying so that France would not be annexed by Germany or that the anti-Christ Jews might get a homeland in Palestine? My dad was a WWI veteran and he never understood why he was sent to France. Those Europeans have been fighting over their national boundaries since before the advent of the Roman Empire, for heaven sakes! Well, such logical thinking fell by the wayside, and a host of patriotic songs were penned. The Zionist Irving Berlin* wrote a bunch of patriotic songs and with "Hinky Dinky Parlay-Voo", "Over there!" and "K-K-K-Katy", America was conned into the first war that was clearly none of our business, and in violation of the language and the intent of the Constitution.

When Mr. Winston Churchill visited Palestine in March, 1921, in an effort to bring about the terms of the Balfour Declaration, he was asked to meet a delegation of Moslem leaders. They protested what was happening, stating that the Arabs had occupied Palestine for a thousand years. They asked Churchill to use his influence to correct what they considered a great injustice. Churchill is recorded as replying to them:

"You ask me to repudiate the Balfour Declaration and to stop (Jewish) immigration. This is not in my power...and it is not my wish...We think it is good for the world, good for the Jews, good for the**

*Irving Berlin's real name was Israel Baline, born in Temum, Russia.

**In 1954, during a conference with Bernard Baruch, Prime Minister Winston Churchill stated, "I am a Zionist and have always promoted Zionism."

***See *Pawns In The Game*, William Guy Carr, Page 104

British Empire, and good for the Arabs also...and we intend it to be so."***

Fellow Americans, you cannot understand the Iraqi "Crisis" today without the knowledge of the Balfour Declaration and the part that political Zionism, as distinct from Orthodox Jewry, plays in this entire matter. Anyone who attempts to understand the Arab Question from only what has happened since August 2, 1990, will continue to stumble around in the dark.

World War I began, as has the Iraqi "Crisis", with both sides shouting belligerent rhetoric and diplomatic muscle-flexing like immature schoolboys. The press had a field day back in 1917, but there was never any mention of the Zionist motives of Woodrow Wilson's Administration or how in the world the Germans managed to build such a huge war machine without American intelligence knowing a thing about it. Today, the newspaper headlines scream, "Bush vows to outlast Saddam." The average American's education and intellect is at the level of the 5th Grade, and the TV News stories are at the same intellectual level as the commercial advertisements. To think otherwise, is to deceive yourself.

Until Saddam Hussein's tanks rumbled through tiny Kuwait, American TV Networks and newspapers were oblivious to the forthcoming invasion. I am sure they knew, but they never mentioned one word about it, even though this huge army had been poised on the border of Kuwait for months! On July 29th, the Sunday before the Big Iraq Attack, I watched ABC's David Brinkley discussing the merits of the Supreme Court nominee, David Souter. Meanwhile, CBS's "Face the Nation" was focusing on "the collapse of the Republican Party." NBC's so-called "Meet the Press" had their guests "divine and dowse" as to the alleged decline of *conservatism*. Not one of those shows had anything valid or meaningful to say, just a few weeks before the largest armada in history, based upon a factor of soldiers, equipment **over time**, had ever been assembled! As late as one day before the Iraq Attack, there was not one hint of such a possibility in either the **NEW YORK TIMES** or the

WASHINGTON POST. Come on, do you really think that everyone failed to wonder why Iraq had spent billions to assemble such a war machine?

On the very day of the Big Iraq Attack, Michael Dewar of the International Institute of Strategic Studies on Harry Smith's CBS This Morning stated,

"...I was interviewed by a BBC Team only 24 hours ago, and while I said that [Saddam] might nibble at Kuwaiti territory ---and now I have to eat my words ---I also said that I didn't think he would go as far as outright invasion."

What Mr. Dewar forgot is modern journalism's basic rule: Never give a straight "yes" or "no" answer unless you can blur your prophesy in a bunch of triple negatives. On CNN on the day of the Iraq Attack, I saw former Secretary of Defense James Schlesinger state in perfect 20-20 hindsight:

"It was almost foreordained that [Saddam] would move in some manner militarily against Kuwait."

Senator David L. Boren [D-Oklahoma] speaking on the MacNeil/Lehrer Show stated:

"I'd have to say it's not a complete surprise."

If it was almost foreordained, and not a complete surprise, why is it that Kuwait was not militarily warned and Saddam was not diplomatically advised against making such a blunder? On August 6th, former White House communications director Patrick Buchanan wrote a column in THE WASHINGTON TIMES stating that:

"...an America that packed up and abandoned Lebanon, after 250 Marines were lost in a single explosion, is not going to send the 82nd Airborne up the Euphrates Valley to rescue Kuwait."

The next day, President Bush announced that the United States was sending troops, including the 82nd Airborne, into

Saudi Arabia. Between the Iraq Attack and the American announcement that troops were going to be sent, the so-called experts insisted that it would never be done! Schlesinger stated on CNN's DAYWATCH:

"I don't think we have any intention of intervening militarily. We have exhausted what we can do economically and diplomatically."

Former National Security Council advisor Robert Hunter stated on CNN's WORDS AND DEEDS:

"For the U.S. to introduce ground troops I think would be insane! We would be outclassed. We wouldn't have a chance."

Democratic Senator Lloyd Bentsen of Texas, who ran so hard to be President, stated for all to hear:

"As far as talking about ground forces, of course not!"

Democratic Senator Howard Metzenbaum of Ohio argued that the United States could expect little if any support from its allies, specifically stating that neither the French or the Japanese could be counted on. They were among the first to send support. None of these experts expected that the other Arab nations would side with the United States, mouthing such nonsense as "Arab unity" as if such racism* is perfectly normal and acceptable.

I collected these erroneous statements by people picked as authorities by the news media to show that the American people have

*Racism. "A belief that race is the primary determinant of human traits and capabilities and that racial differences produce an inherent superiority of a particular race." Webster's Ninth Collegiate Dictionary. The Arabs believe this about themselves. The Japanese believe this about themselves. The Negroes believe this about their race when you ask them about it on a man-to-man basis. Every Chinese person believes in the inherent superiority of his race and culture. The Jews shout their superiority racial beliefs to the rooftops and deceived Christians swallow that nonsense hook, line and sinker. Everyone accepts such "racism" as normal and acceptable, except for those of one race. If those of us who are of the White race make such claims of primary differences in traits and abilities, it is said to be at best immoral and at worse illegal.

been and are being deliberately deceived into pledging the lives of their loved ones in the deserts of the Middle East. I have taught you the history of the Balfour Declaration and America's real cause in WWI. In line with what the news experts have told us about our involvement near ancient Babylon, let me remind you what others have stated to us about American involvement in foreign wars. One President told us:

"Though there is a cultural affinity between the United States and England, which precludes war between them, it is still true that war between this nation and others of the leading powers of Europe is almost equally inconceivable."

-Woodrow Wilson in THE NATION,
February 27, 1913.

In April, 1917, after being re-elected for a second term on the campaign slogan, "He kept us out of war!", and after the agreement was made with Britain to set up a political Zionist socialist democratic state,* Wilson declared war on Germany. George Bush campaigned on the theme, "Read my lips, no new taxes." Today he is doing all in his power to get all sorts of new taxes through Congress.

"To be ignorant of what happened before you were born is to be ever a child."
-Cicero, about 43 BC

The Hitler-Hussein Comparison

I found it rather revealing that the Media pundits are drawing a similarity between the Hitler "Crisis" of 50 years ago this past August, and the Hussein "Crisis." U.S. News & World Report for September 3, 1990 has

*As finally set up in 1948, Zionist Israel is neither an Orthodox Jewish nation, nor is it the prophetic Israel nation forecast in the Bible. Most Jewish people today, and the majority of the Zionist Jews, are known as Ashkenaz Jews, even being susceptible to a blood disease by that name. Ashkenaz, as all Bible scholars know, was a grandson of Japheth and not of the line of Shem, and hence not the prophetic people of the Bible. Skeptics under the deceiving influences of some modern church preaching, and modern racist Jewish propaganda, can verify this by reading Genesis, Chapter 10 where the modern Jewish line is given as Japheth-Gomer-Ashkenaz. Most Jews today are not under any delusion that their genes spring from Shem, however

Hitler eyeball to eyeball with Churchill and Roosevelt on the cover with the caption "Defying Hitler." This is a special double issue on World War II, and while I have written previously about the Zionist background of our military involvement again so soon against Germany, I think that I should draw some comparisons that USN&WR failed to point out. It is so important, in fact, that without understanding what I will be presenting in the next few pages, there is no way to make any sense out of the forty years of constant wars and bloodshed in the Middle East, and just why the Bush Administration has decided to send our Christian brethren to bleed and die there. It is not as simplistic as an Arab General on an ego trip or the fact that Kuwait seems to have most of the oil and that the wealth it produces is not being evenly distributed among the Arab brotherhood.

Opening Doors

I need to introduce you to Admiral Sir Barry Domvile, Director of British Naval Intelligence during the pre-WWII era. He was also the Vice-Admiral who directed the British War College in those days. He retired in 1936 and began to write about what his career intelligence had taught him. In 1938 he, and some of his associates, concluded that there was sufficient evidence to prove that the leaders of what he called World Jewry, and what we now identify as Political Zionism, were the "secret power" behind the drive for a New World Order. I discovered this apparent link in the early 1970's and it changed my entire Thought-theology regarding events in the Middle East and in the halls of our American Senate and Congress. Admiral Domvile and his associates became convinced long before WWII that these Zion-

skillfully they intend to deceive the "gentiles". Their writings, intended to be for among themselves, makes this point very conclusive. One of the best books, written by a Zionist Jew, is THE THIRTEETH TRIBE by Arthur Koestler. This book was published in 1976 by Random House and is still in print. Only modern Christians are deceived about the racial origins of those who now occupy Palestine and creating havoc throughout the Middle East. I will let THE THIRTEENTH TRIBE speak for itself. Mr. Koestler writes, "...thus the term anti-Semitism becomes void of meaning since it is based upon a misapprehension ...and begins to look like the most cruel hoax which history has ever perpetrated."

ists were using their tremendous wealth to purchase sufficient power so as to influence international affairs in such a way as to bring nations into conflict with each other. Based upon the writings and the covert actions of these Zionists, they concluded that their long range plan was to establish what Admiral Domvile called a "Messianic Age" so that World Zionism with a central government in Palestine, could enforce their totalitarian ideology upon the entire world. To achieve their goals, according to Admiral Domvile, they would control both Zionism and the leaders of "anti-Semitism". They would control both Communism and Fascism (Hitler). They would control both Socialism and Corporate Capitalism through their control of international banking, oil and politics. Their intent was to bring about a One World Government which they intended to control as they had controlled the former independent nations of the Soviet Union with their agent Lenin after October, 1917. It is through the wars generated from behind the scenes that the Zionists intend to establish what George Bush is now calling the New World Order.

"The great ideal of Judaism (i.e. Zionism) is that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations – a greater Judaism in fact – all the separate races and religions shall disappear."

-The Jewish World, February 9, 1883

In 1983, I assembled my notes over years of study, and began in 1986 to write a series of pamphlets titled STAR WARS*, the ancient warfare between the peoples of the Six-Pointed Star and those of the Five-Pointed Star. This series of pamphlets, now bound into a 112 page book, was necessary because of a new factor entirely unsuspected by Admiral Domvile and his peers of the 20's and 30's. They never suspected that the concepts of Political Zionism would come to control the thrust of liberal as well as so-called fundamental Christianity. It is through this covert Zionist activity, that Christians are being de-

*We have only 1200 copies of the 112 page STAR WARS left in this printing and they cost \$5.00 post-paid. STAR WARS 2, the 24 pages quoted extensively in this pamphlet, is still available for only \$1.00 post-paid.

ceived into believing that the New World Order to be set up in Jerusalem, is the New God on the earth. When such men as Winston Churchill and Rev. Jerry Falwell publically proclaim that they are Zionists it is time for the sober American to stop and take note as to what is happening to our country. If you cannot accept this idea for me, let me quote one of Zionism's spokesmen, Rabbi Martin Seigal, as reproduced in The New York Magazine, January 1972, page 32:

"I am devoting my lecture in this seminar to the discussion of the possibility that we are now entering a Jewish century, a time when the spirit of community, the ideological blend of the emotional and the rational and resistance to the categories of forms will emerge through the forces of nationalism to provide us with a new kind of society. I call this process the Judaization of Christianity because Christianity will be the vehicle through which this society becomes Jewish."

This is only one quotation from Jewish sources which promote the same thing, and disclose how they intend to use Christian ministries and their Zionist Political Action Committees to get our Senate and Congress as well as the President, to adopt their

This pamphlet is not intended as a religious treatise on world events, but with the tremendous power the Christian Church has in America, it is important to know what is being taught to our people by Jerry Falwell and almost every other leading minister on television these days. This quotation taken from Jerry Falwell and the Jews by Merrill Silver, National Political Editor of Israel Today. The book is published by Jonathan David Publishers, Inc., 68-22 Eliot Middle Village, NY 11379 \$12.50. Falwell states: "...that the destiny of the State of Israel is without question the most critical international matter facing the world today. I believe that the people of Israel have not only a theological but also an historical and legal right to the land. **Person I am a Zionist, having gained that perspective from my belief in the Old Testament Scriptures. I have also visited Israel many times. I have arrived at the conclusion that unless the United States maintains its unswerving devotion to the State of Israel, the very survival of that nation is at stake. I think that the 1980's are going to be very critical times for Israel. Every American who agrees that Israel has a right to the land must be willing to exert all possible pressures on our powers that be to guarantee America's support for Israel at this time." -Zionist Rev. Jerry Falwell. In the Foreword, Rabbi Emanuel Rackman of Bar-Ilan University, Ramat Gan, Israel, spells it out clearly regarding Jerry Falwell: "For the Zionists, Falwell is one of our men, treat him fairly; we know very accurately about him, and give him the President's

jectives as their own. Rabbi Seigal calls it a new kind of society. George Bush calls it the New World Order.

Now, in analyzing the current DESERT SHIELD AND THE NEW WORLD ORDER, you can perhaps understand why I have to go back and discuss the origins of World War I?

central disk made up of many colors above which is the Six-Pointed Star of International Zionism.

Moving on now to those events surrounding America's involvement in World War II, let me make this statement: In spite of all the propaganda to the contrary over the past

50 years, there was never any intention on Hitler's part to attack and occupy the United States or make us a part of his Third Reich. Hitler did not want war with the United States and our country was under no threat, militarily or economically, from even a Nazi conquered Europe. As occasional visitors to my office and library can attest, I have one of the largest libraries on history and world events around anywhere. In that library, I have more biographies of Roosevelt and Adolph Hitler than of any other two people. I have made a study of both of these men for years, and my STAR WARS may be one of the best condensed historical reviews you will find. I do not think it would be fruitful to again condense the 112 pages of STAR WARS here, but let me point out this fact that is generally unknown to most American Christians. Just as there are two different parts of Christianity,

Catholic and Protestant, which have fought bitterly during the history of the world, there are likewise two parts of what is known as Judaism, the Orthodox Jewish Religion, and the Zionist Judaism by the **Politics of Race**.^{*} This is how former President Wilson and Rev. Jerry Falwell could claim to be both Zionists and Christians. Is the Light going on?

^{*}Let the reader understand that I am making no claims, for the purpose of this pamphlet, as to the validity of what is known as Catholicism and its varied sects, or of Protestantism and its host of denominations. Likewise, I am making no judgment, for the purpose of this pamphlet, as to the validity or errors of Orthodox Jewry and its different sects, nor am I acknowledging hereby that there is any such thing as the "Jewish Race" from an anthropological standpoint. I am making a severe value judgment on those who would use Christianity to promote Zionist world socialist government and claim it to be the result of Bible prophesy concerning the beginning of Christ's Kingdom. I rebuke those ministers and politicians who do.

*If your self-discipline
were equal to your dreams,
you could do just
about anything!*

Before I move on, I want to go back and pick up the threads of Zionism behind that war. Woodrow Wilson, if you will bother to read his biography, was also a covert Zionist. This means that he believed in the Jewish Race rather than the Jewish Religion. It was Woodrow Wilson, under these Zionist influences, that first proposed the New World Government to be called the League of Nations. A far wiser generation than ours rejected the idea of abandoning American Sovereignty to a Zionist World Government. Wilson retired to his Neo-Georgian mansion just west of Embassy Row in Washington, DC. Hanging today in the center of the Wilson Mansion is the Wilson proposed League of Nations flag. Can you imagine it? It has a

In STAR WARS, I pointed out the origin of the Zionist-Yiddish word Holocaust. It is not a German word at all, and in Yiddish means "a burnt sacrifice to a god." It has always puzzled me as to why what happened to the Jews in Hitler's Germany should be called a burned sacrifice to a god, knowing that there was no such intent on the part of Hitler to sacrifice these Jewish people to Almighty God. The answer can be found in Ben Hecht's startling book, **Perfidy**. Ben Hecht, an Orthodox Jew, fearlessly exposes with endless documentation how the Zionist Jews cooperated with Hitler's top people to deliberately annihilate the Orthodox Jews of Poland and Germany. As Hecht points out, and I amplify from other sources, the sacrifice of these orthodox religious Jews by the Zionist political Jews was in literal fact a holocaust -- a burnt sacrifice or offering to their god Molech whose sign is the Six-Pointed Star.

The average reader of this pamphlet is probably reeling from the awesome statements above, and I hasten to offer a double witness to these historical facts. You need to locate a copy of Orthodox Rabbi Moshe Schonfeld's book, **The Holocaust Victims**. It provided photographic evidence and photostatic documents supporting my statements, and those of Ben Hecht, that Europe's poor and uneducated Orthodox Jews were betrayed into Hitler's Concentration Camps by these international Zionist Jews. Did your pastor ever tell you that it was these Zionist Jews, now going back (sic) to Palestine after 1000 years, that are actually the ones who engineered what has become to be known as The Holocaust? Ben

Hecht and Rabbi Schonfeld insist that absolutely true!

Malkeil Greenwald, a Holocaust researcher quoted **Perfidy**, has identified current high ranking Israeli Official, Ruzhicki Kastner, as being a laborator with the Nazis and says that Zionism Kastner was directly responsible for the slaughter of one million Hungarian Orthodox Jews. As I have proven in STAR WARS, Hitler's great Holocaust the extent that Jews were tortured, starved and murdered, was actually the elimination of Orthodox Jews by Zionist Jews. It is about time that those of us who are Christians stop being made to take a guilt-trip because of it.

**WE
BECOME
WHAT
WE
THINK
ABOUT!**

Book after book now being released by Orthodox Jewish authors which have the courage to tell the morbid story of the Holocaust was another Zionist operation. But, who reads Jewish books? Only a few Americans have any interest in such literature, content to pop a beer can and go back and watch Monday Night Football. Now, sons, brothers and

bands are sweating in the Middle East deserts and neither the soldiers or the ball fans know why they are there! By the

*Probably an equal number or more Christians died in the camps, but it is forbidden to mention this fact in the press. The only significant blood shed in these camps was Jewish blood, which was shed by Jewish people. Likewise the only significant people to be allowed to leave the Soviet Union were the Jews. No one, not even our Christian people considered the Christians suffering there of any particular concern. It is only the Jewish blood, the blood of anti-semitic peoples, that actually matters to them!

you get through this pamphlet, you will know why and it may be the best dollar you ever spent. Thank the generous patriots of the NORTHPOINT TEAMS for making it possible.

Then in 1985, a Zionist Jew named David S. Wyman published a very revealing book titled, **The Abandonment of the Jews**. It was published by Pantheon Books, New York. The book goes into some attempts that were made during WWII by Orthodox Jews in America to rescue their fellow believers from German conquered Europe. They wanted to move them into England and the United States. This objective, Mr. Wyman clearly proves, never was able to be carried out. However, for the Zionist Jew who will be reading his book, he gives the truth very clearly when he stated on page 175:

"...On the debit side, Zionist insistence on committing the (Jewish Rescue) Conference to a Jewish Commonwealth in Palestine, a post-war objective, ended the chance for a united Jewish action on the immediate issue of rescue....The unavoidable conclusion is that during the Holocaust the leadership of American Zionism concentrated its major force on the drive for a future Jewish state in Palestine. It consigned rescue of the Jews to a distinctly secondary position..."

As you are beginning to see, America's involvement in World War II had little to do with any threat against America, or any ego trip by Hitler and his National Socialists who needed to expand their agricultural land and economic base in order to sustain their failing socialist system. It had to do with providing the Zionists with land in Palestine from which the eventual New World Order would be directed. These people do not play a simple game of checkers as with Elephants vs Donkeys, but serious chess with the world at stake. The Orthodox Jews of Eu-

rope, and our soldiers in the Middle Eastern deserts today, are merely pawns in the game. Mr. Wyman continues on pages 198 and 199 of **The Abandonment of the Jews**:

"The (Jewish) Emergency Committee worked almost alone for the passage (through our Congress) of the Rescue Resolution. Zionist leaders, acting through the American Jewish Conference, even hampered its progress.... (page 199). .. (Stephen) Wise had based his testimony on policy set by Zionist leaders of the American Jewish Conference. This group, which included Wise, Abba Hillel Silver, Naham Goodman, Herman Shulman, and Rabbi Irving Miller, had taken soundings in Con-

*You are what you are,
and where you are,
because of what's
gone on in your mind!*

*You can change
only by changing
what goes on
in your mind!*

gress and must have realized that pressing the Palestine issue could not help the Rescue Resolution and might jeopardize it. Whether they intended to undermine the legislation is not entirely clear."

It seems pretty clear to me! Look at it this way! The Zionists needed a "holocaust" in order to finally get the world to justify giving them a national identity in Palestine from which to bring about their program of the New

World Order. On Page 200, Mr. Wyman revealed this intent:

"The Emergency Committee, parts of the Jewish Press, and even one prominent Zionist, Rabbi Meyer Berlin, publicaly accused Zionist leaders of intentionally obstructing the Rescue Resolution....
...Senator Gillette, a dedicated friend of Zionism, candidly discussed the obstruction he encountered from Zionist leaders: 'These people used every effort, every means at their disposal, to block the Resolution...(They) tried to defeat it by offering an amendment to it that would raise the question, the controversial question of Zionism or anti-Zionism....or anything else that would block the action that we were seeking.' "

Who is it then that is responsible for the Holocaust of Germany's conquered Europe, according to these leading Jewish authors? Simple, Zionist Jewry! But, what about the influential Zionists who had been living in Europe before the war? I do not have space to document it, but the emigration bureaucracy of Hitler's Third Reich was under the control of the Zionists of Germany. They had the power to determine who could leave Germany and who could not! A few Zionists managed to get caught in Hitler's machinery, but most of those found in the concentration camps were the Orthodox Jews betrayed by their own brethren. On page 200 of *The Abandonment of the Jews*, Mr. Wyman goes on:

"...Sol Bloom, despite his influential position in Congress, attempted next to nothing for the Jews of Europe. True, he arranged for influential Jewish refugees to enter the United States....but when possibilities for major action arose, he consistently alligned himself with the State Department."

So much for Wyman's book. He has established beyond any reasonable question that the majority of the Jews who died in Hitler's camps did so after being betrayed by the Zionists in the United States Department of State. Yes, Roosevelt and Churchill knew what was going on. The next thing on the Zi-

onist world agenda was the establishment of the United Nations which would then, by its first Official Act, declare that Palestine belongs to the Zionist Jews who wanted to live there. So what if it cost the lives of hundreds of thousands of Jews to bring about? Doesn't the end justify the means? The minds of all anti-christ peoples? So the astounded or bewildered reader may not comprehend the Satanic plan being promoted by world Zionism, let me quote another of their popular leaders, the Zionist Rabbi Meir Miller, as reported in *The American Jewish Examiner*, of March 5, 1970 page 14:

"I know that I don't have to say much, but in bringing *everybody* under the Zionist Banner, we never forget that our primary concern is the safety and security of Israel, above all else. Our goal will be realized in the Jewish Yiddishkeit, in a Jewish life being lived in every place in the world; our goal must have to be realized, not merely by what we can impel others to do. And here in this country it means frequently working through the President's Conference, or it might be in unison with other groups that feel the same. But that too is part of what we mean by Zionism means and what our challenge is."

How do you like the idea of bringing everybody under the Zionist Banner? Do you know that this is the goal of every Zionist? How do you like Henry Kissinger on down? How do you like the idea of a Jewish life-style in every place in the world or being impelled by them to do what they want? I am not presenting this with the work of obscure Jewish radicals, but the caliber of men who influence Presidents and Congress. These are the Zionists who operate over 100 Political Action Committees and ultimately elect almost every U.S. Senator and a majority of the Congress. These are the Zionists who convince our President and your Congress that the safety and security of Israel is their foremost objective. To that end they either borrow or tax Christian America the tune of 4 billion per year just for Israel foreign aid.* How is the Zionist goal of

*That's enough to put every foreclosed American back on his land debt free, and pay the yearly rent for every homeless person now sleeping on the American streets. Have money left over!

Judaization of the world being brought about? Quite simply, it is being done by Christian ministers, from the most well-known TV evangelists down to the preacher in your home town who is a covert Zionist or who, through deliberate abysmal ignorance still thinks that the anti-Christ Zionist is one of God's Chosen People. Here is Rabbi Rackman's assessment of those Christian ministers from the Foreward of Simon's book, **Jerry Falwell and the Jews**:

"The answers are from a man whose role in American society many Jews have misgivings. Jews have been in the camp of the liberals for so long that they cling to their erstwhile love even when it has forsaken them. However, the lovers of Israel today are to be found principally in the camp of the Protestant Fundamentalists. And it is important that we know the views of one of their most prominent

leaders. I find his views far from disturbing; indeed, I find them reassuring even if I differ with one point or another."

Are you beginning to see why it is vital for you to understand the various genealogies of the peoples of the earth in respect to what the Bible has to say about them? How are you going to understand the game if you cannot identify The Players? If you do not understand what little can be written in this pamphlet, how are you going to stand against sophisticated Zionist ministers who point you to glaringly obvious anti-christ peoples and insist that they have a legal, historical, or theological right to the land of Palestine that they stole by force, and whose Ashkenaz forefathers never owned in the first place? To his credit, Jerry Falwell openly and positively admits that he is a Zionist. Most ministers, Catholic priests and Mormon Elders do not. □

Chapter Two

"Beware of the man who has an answer for everything, and the one who demands an answer to everything." ☞

We have taught for years that you simply cannot understand what is happening in the world until you become a student of history. One of the main reasons that history is rarely taught in truth any longer in the government schools, is that the student is too likely to catch on to what is happening. When we wrote our version of Taylor Caldwell's classic HONORIA in ON TARGET, we apparently astounded most of our readers as to the striking parallel between the rise and fall of ancient Rome a thousand years ago, and what is happening to our beloved America as we write.

The betrayal of America into world totalitarian socialism, called by President Bush as the "New World Order" with the co-operation of the Soviets and their empire

runs a pretty close parallel with what happened in France exactly two hundred years ago, and fosters almost the same slogans and Thought-theologies. The student of that revolution remembers that the "Constituent Assembly" which carried it into being, was quickly controlled by the Girondins. Then, the Girondins were overthrown, driven into hiding and guillotined when caught because they were not "revolutionary enough." Their successors, occupiers of the "Montagne" on the extreme left of the assembly Hall, were in turn accused of "betraying the Revolution", and likewise terminated with torture and bloodshed. If you will recall, in recent times, the Nicaraguan Sandinista leadership was accused by the Carter and Reagan socialists of also "betraying the Revolution" that ousted the anti-communist Somosa. Then in France came the ultimate terror, the attempt by Babeuf to establish his "Republic(sic) of

Equals." In this ultimate democracy, anyone who could not prove that he was merely an equal, that is, one of the unwashed, ill-bred and uneducated, was imprisoned or killed by the authority and sovereign will of these unruly masses. It was in that era of "Liberty, Fraternity, and Equality" that produced such bloodshed, that drove our Founding Fathers to such careful language construction in our Constitution and its Bill of Rights. *

Well, in the process, Babeuf eliminated Robespierre for being too "center-oriented". I am not, in this essay, approving of Robespierre lest any critic might so assume. I am establishing the history of Revolution that eats its own, as a backdrop against which to watch current events in Europe, the Middle East and South Africa. When the reaction to Babeauvism came, a Directorate was established on the ashes and bones of the Babeauvists, and it was supposed to be a regime of common sense and an end of bloodshed. Thomas Paine, one of our early forefathers, was by then a poverty-stricken "intellectual" who refused ordinary labor even to eat. He dashed off to France to take part in this socialist revolution and wound up in prison under Robespierre. He was freed by the Babeauvists. Sick in mind and body, he put his pen to such works as the **Age of Reason**. From the end of the "Conspiracy of Equals" to 1799, the Directorate itself went through its

*Recently certain patriotic authors, who perhaps should have known better, have been publishing editorials by one John Gearhart of Andrews, N.C. Mr. Gearhart, who states that he is a Christian patriot, is never-the-less highly critical of our wonderful Constitution whose Christian history he has apparently never studied. There are, as he puts it, "serious flaws in the document." His logic, along with that of his mentor Ed Howes of CHRISTIAN FORUM, PO Box 749, Oracle, AZ 85623, is "that since wicked men can re-interpret, mis-interpret and otherwise twist the Constitution to their own ends", this is sufficient proof that the Constitution is flawed and "the end of such a document, regardless of intentions, is finite and predictable." If one is to accept Mr. Gearhart and Mr. Howes's logic and premise, then the Bible, the most re-interpreted, mis-interpreted and otherwise twisted of all known documents, is to be ignored and discarded as imperfect in its language and construction. It's end then, in the logic of these men, is finite and predictable.

own revolution, and out of that emerged
Consulate with two men at the head

Once the power of the democratic socialist "equals" had been reduced, hundreds of thousands in the streets, at the top, it was quite easy for General Napoleon, who knew how to pull levers and spin the subtle to take over and he did. He gathered dust at Waterloo, after disrupting his nation and wiping out the best of his youth. However, at the point I am addressing, the beginning of this chapter, revolutions have a way of destroying their own, just as Babeuf executed the idealist college students who brought him to power. Then there was the "Conspiracy of Equals" ** almost immediately promoted in America today which has now evolved into the Consulate with two men at the head. I will identify who they are very shortly, but let me first go back and pick up the thread of the Zionist scheme for world socialist order and the Christian "Gentiles" who they are using to bring it about.

Each year, at the 11th Hour, on the 11th Day, of the 11th Month, our VFW holds its Veteran's Day ceremonies. The Commander usually gives a short speech.

** As most of our readers understand, there is nothing as a "civil right", nor is there or has there ever been anything approaching "equality." Any "civil right" created by government can be repealed by government at any time. Lawfully what are called "civil rights" are in fact "civil privileges" and are not the same as inalienable Rights granted to the Posterity of the signers of the original organic documents of the Republic of the United States. All so-called "civil rights" are extended to non-white peoples who are not citizens in the Legislative Democracy of Washington (Article 1, Section 8, clause 17) was granted to them by the 14th Amendment. They rightly do not apply to non-white Americans, and can only be imposed upon white Americans who have volunteered into the Admiralty Legal System of persons under the jurisdiction of Washington, District of Columbia. No socialist world government can be established until all "world citizens" are classified as "non-citizens." Thus, every well-known so-called "civil rights" leader, including Martin Luther King, has well-known ties to the American Communist Party. The current "civil rights" legislation is but another step in the direction of Bush's World Order.

to how the guns stopped following the Armistice at that moment in 1918 that called a halt to World War One. For years that annual event was called "Armistice Day" until enough Americans found out what really happened and then it was changed to Veteran's Day. I appreciate the honor and sacrifice of our servicemen both in that Great War to End All Wars, and all later wars, whose actual covert goals were far different than we, as veterans, fully understood. In that setting, let me provide to the reader, as well as my patriotic veteran comrades, the rest of the story. You need to understand the circumstances surrounding the signing of this Armistice. Unknown by 99% of most Americans today is the fact that the 1918 German armies never were defeated in the field of battle! The German High Command did not ask for an armistice because there was danger of defeat. The Armistice was not an unconditional surrender of a defeated army, but was to be a prelude to a negotiated peace treaty. Both the Allies and the German High Command agreed to that Armistice based upon those conditions.

Why did the German High Command

*The German SPARTAKUSBUND was founded in 1916 by Karl Liebknecht and Franz Mehring. However, as with all Jews and Zionists, they are always matriarchal in nature, and Rosa Luxemburg was their chief spokesman authoring the pamphlets, "Spartakusbriefen", calling for a socialist, i.e. communist, revolution. They took their name from Spartacus, a deserter and traitor of the Roman Army, and from their more recent conspirator, Adam Weishaupt who started the *Illuminati* in the 1700's. It was Rosa who drafted the program accepted by the German Communist Party into which the *Spartakusbund* was transformed by name change on December 30, 1918. In keeping with the history of the Phinehas Priesthood, Luxemburg and Liegknacht were captured and executed by German "Free Corps" -- freemen-- on January 15, 1919. Exactly ten years later, January 15, 1929, the revolutionary Martin Luther King would be born in Atlanta, GA. One of the reasons that world socialists have picked King's birthday to make an American national holiday, is to covertly remember the death of Rosa Luxemburg and those events surrounding the Versailles Peace Treaty.

ask for such an Armistice when there was no defeat in battle, and none in the predictable future? Here is the reason: Under the cover of the war, the Zionists in Germany, under the direction of Rosa Luxemburg and the so-called **Spartacus League**,* had the financing and the plans to duplicate in Germany what they had done in Russia under Lenin. This Zionist group had infiltrated into the

**When we identify

we have taken
a major step
toward solving it!**

German Navy and were bringing about mutiny with the rumors they generated that the entire German Navy was going to be sacrificed in an all out battle with the American and British navies, etc. They created rumors that the English had developed a new "secret chemical weapon" making any further warfare futile. All of which was false, but it was effective. So effective, that the German High Command was convinced that an Armistice was all that could save Germany from the communists. How's that for a neat trick? Who do you suppose was financing Rosa Luxemburg, and her Zionist scheme of socialism for Germany? You guessed it --the same American Zionists who got us into war with Germany in the first place! Having extracted a deal on Palestine from the British in return for our entering the war, there was no point in further fighting, was there?

The German seamen had mutinied on November 3rd. On November 7th, a large body of Marines deserted while on their way to the Western Front. Rosa's communists had told them that they were going to be the "spear-head" for the invasion of Britian, etc. The communist uprisings caused shut-downs throughout the German industrial centers and conditions deteriorated until, on November 9th, the Kaiser abdicated. When he abdicated, the Socialist Democrat Party was formed and the Zionist leaders of the Sparticus League took over the German government, with Rosa Luxemburg literally having usurped power in Germany. How many of your history teachers have ever told you that a Zionist woman once controlled Germany, however short-lived her power lasted? Before she had taken power, she had been promised the same financial and military aid that had been given to Lenin the year before. These powers, of course, had much larger plans, and before she bit the dust on January 15th, she knew that her cause had been betrayed by the very men she thought were her friends. Revolution, as we are teaching, always eats its own.

I prefer not to assign motives to such a double-cross, for certainly these powers were interested in promoting the Zionist cause. Their Zionist outlook was one of a New World Order, while in contrast it appears to me that Rosa and the Sparticus League saw things only in the light of one German nation. Well, it did not work out as planned for the Zionists and their German Communist Party, and it collapsed for want of international aid and the chaos that was then throughout Germany. The German people finally had enough, and took full revenge on the Jewish people. Thousands of Jews, men, women and children, were rounded up during the night and executed. Understand here, most German people did not know the difference between the devout Orthodox Jewish people and the Zionist traitors who lived among them, and a large number of innocent Jews paid the penalty for the crimes of a small Zionist group who used them, as they did during World War II, to further the Zionist

New World Order to be based in Jerusalem

Most Americans do not read Zionist publications, where even in those days spelled out their plans to their close-knit followers. They talk in guarded language, but they made it clear that another war would be needed between Germany and Britian so that when both Powers were literally exhausted, their form of social order called democracy, could be implemented in their world government. How would they do this? Watch carefully for some of my readers have missed this point in the past. The Zionists would take measures to intentionally prolong and intensify the hatred of the Orthodox Jews*

Zionist propaganda actually blaming the Jews for bringing about the "military defeat" of the armed forces, and by the unjust and humiliating terms of the Treaty of Versailles which needs to be discussed here. You do not understand DESERT SHIELD without knowing what caused World War II, in my opinion.

Following the Armistice, where the German High Command had been assured that the peace terms were to be negotiated, came the Treaty of Versailles which, as an intelligence officer wrote 30 years ago, "one of the most wicked documents ever signed by the representatives of civilized nations." When the Germans asked President Wilson for this Armistice in October, 1918, they agreed to Wilson's so-called Fourteen Points. The Legislative Democracy of W

*As pointed out again and again in our publications we have no animosity for the devout Orthodox Jews. We understand them to be as much the victims of the Zionist World Order as we of the Christian faith are. We have hundreds of Orthodox Jews on our mailing lists who write they are delighted when a "Gentile" understands the problems they find themselves in today. However, as a Christian these Orthodox Jews are obviously not of The Elect, neither their Jewish religion or their "Jewish blood" is to alter their final destiny. A Sovereign God has them where He wants them and I do not hate them for it. Having said that once more for the record, let the same record show I follow Christ's example and hate those who say they are Jews but are not and are of the synagogue of Satan (Revelation 2:9 and 3:9). Christ called these people a "race of vipers" and He hated them for both their satanic seed and their Babylonian religion of works. The Zionist, regardless of his race or religion, is an enemy of mine and an enemy of America. Caveat.

"(The Versailles Treaty) is the most

The complete text of this New Republic article can be found in The Annals of America, Volume 14, page 183, under the caption, "Peace At Any Price". This history is available in most libraries.

strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.... We may have to repeat the grim days of World War II, when we were forced to let the Hitlerite bandits sacrifice (holocaust -NWD) some of our people....and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay."

ington, DC double-crossed them with the aid of Wilson's Zionist Delegation headed by the Zionist who drafted the Federal Reserve System, Paul Warburg. The Mandate of Palestine was drafted by Professor Felix Frankfurter, an eminent Zionist who years later became Chief Advisor in the White House to President Roosevelt.

The German Delegation was presented with a Treaty agreed to by only the Allies, and the defeated European nations did not even have any say in its language! The Germans were shocked at the severity of the terms and protested the contradictions between the assurances made when the Armistice was negotiated **and the final wording of the actual treaty!** America did not keep its word. Not mentioned in the assurances of the Armistice, a bankrupt Germany was assessed the losses incurred by the war, and one figure from the Encyclopaedia Britannica puts the amount at \$33 Billion which the German people were to pay. Although economists at that time insisted that such a large sum could never be collected from so small a country, the Versailles Treaty permitted the Allies to take "punitive actions if Germany fell behind on its payments." The Encyclopaedia Britannica states:

"Many historians claim that the combination of a harsh (Versailles) treaty and subsequent lax enforcement of its (military) provisions paved the way for the upsurge of German militarism in the 1930's. The huge German reparations and the war guilt clause fostered deep resentment of the settlement in Germany, and when Hitler remilitarized the Rhineland in 1936 (a violation of the Treaty), the Allies did nothing to stop him, thus encouraging future German aggression."

The liberal New Republic* dated May 24, 1919 stated:

"(The Versailles Treaty) is the most

*The complete text of this New Republic article can be found in The Annals of America, Volume 14, page 183, under the caption, "Peace At Any Price". This history is available in most libraries.

shameless and, we hope, the last of those treaties which, while they pretend to bring peace to the mortified world, merely write the specifications for future revolution and war.... Opposition came not only from partisan Republicans and isolationists, but also from liberals who felt that the treaty did as much to provide a basis for future global conflicts as it did to insure peace..."

The New Republic apparently did not understand in those days how the game is played. That is not true of today's magazine, which is clearly a part of the program for a New World Order. It was International Banker and leading Zionist, Jacob Schiff, who dictated in a two thousand word cable dated May 28, 1919, what the President of the United States was to do about the Palestine Mandate, German Reparations, Upper Silesia, The Danzing Corridor, etc. Now, with that as a backdrop, can you better understand why the young Winston Churchill would tell the Moslem leaders in March of 1921 that there was no way he was going to do anything about the Zionist occupation of Palestine? The major crisis we now watch with horror in the Middle East had its genesis in this Versailles Treaty and the Balfour Declaration. The Versailles Treaty brought about World War II, after the Balfour Declaration had set the Palestine Mandate into its preliminary stages. It would take the so-named "holocaust" to make the Zionist dream a final reality, and for this New World Order Cause, the deaths of a few hundred thousand Orthodox Jews would be considered to them as insignificant.** □

**I am well aware that many of you are shaking your heads by now. Of a dozen Zionist quotes, let me document this with part of a speech by Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis held in Budapest, Hungary on January 12, 1952:

"There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule but belief in an after life...would enable them to resist us. We will, however, retain the rituals and customs of Judaism, as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.... We may have to repeat the grim days of World War II, when we were forced to let the Hitlerite bandits sacrifice (holocaust -NWD) some of our people....and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay."

Chapter Three

Take up our quarrel with the foe:
To you from falling hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die,
We shall not sleep though poppies grow
In Flanders Fields.

-John McCrae, 8 December 1915

"The great rule of conduct for us, in regard to foreign nations, is in extending our commercial relations to have as little political connection as possible. So far as we have already formed engagements, let them be fulfilled with perfect good faith. Here let us stop. Europe has a set of primary interests which to us have none, or a very remote relation. Hence she must be engaged in frequent controversies, the causes of which are essentially foreign to our concerns. Hence, therefore, it must be unwise in us to implicate ourselves, by artificial ties, in the ordinary vicissitudes of her politics or the ordinary combinations and collisions of her friendships or enmities..... Why quit our own to stand upon foreign ground? Why, by interweaving our destiny with that of any part of Europe, entangle our peace and prosperity in the toils of European ambition, rivalry, interest, humor, or caprice?

It is our true policy to steer clear of permanent alliances with any portion of the foreign world."

-From what is known as George Washington's FAREWELL ADDRESS,
published in the American Daily Advertiser, September 19, 1796

With all due respect to the Englishman John McCrae, World War I was not America's quarrel with the foe. The Zionists made it our quarrel for **their** interests! I stand with George Washington. America does not need to be weaving her destiny with European or Middle Eastern affairs, and entangling her peace and prosperity in the toils of European and Zionist ambitions and interests.

George Washington's FAREWELL ADDRESS was never delivered by him as a formal speech, as is done by retiring Presidents today in their State of the Union messages. Instead, it was printed in the newspaper, where Americans could read and reread it until it became part of their thinking. It is still well worth reading, for in it is the distilled wisdom of the Ages for political and national affairs. As a patriot, I have grave reservations about the official motives

which have entangled us in the various wars in which Americans have given their lives in the Cause of Liberty. Could it have been that they died for one Cause, but were tricked into battle for a completely different cause? What was the issue behind the War of 1812? Commerce and Banking. What was the primary reason for the War between the States? Interstate commerce. How about the Spanish-American War? International commercial interests. How did the First World War come about? You now know that answer, perhaps for the first time! We can easily find out about World War II, for again Germany needed to expand its territory to finance its political socialist programs. Japan was being denied its American commercial markets, and this was the real cause of them to go to war against us. Since when, except for some future commercial interests, does America have any interest in Korean politics or the intrigues of French IndoChina, divided into four different nations, one called South Vietnam and another North Vietnam, plus

Laos and Cambodia by illegal United Nations edict? Today, with our nation literally bankrupt, why are we still sending "foreign aid" to 120 nations of the world?

Until we listen to George Washington again, and stop entangling our peace and prosperity with the socialist and the heathen nations of the world, there will continue to be the Flanders Fields, the Vietnams and the Desert Shields. Certain hidden forces have it planned that way.

It is against these powerful hidden forces that we are directing our short overview of recent history. On page 17, I quoted my Britannica with their statement that "The Allies were lax in enforcing the Versailles Treaty regarding the rearming of Germany." Well, that is a nice way of watering down history. The facts are that the Zionist Bankers of England and America were secretly helping Germany re-arm even with the aid of Stalin! You don't really think that the Germans, bankrupted from World War I, and their great depression of the 1920's, could build that huge war machine with tanks and aircraft on their own do you? As I have stated in this Theory of History*, the Zionists wanted

*Whether we like to admit it or not, every history book is based upon the prejudices and interests of the historian. No historian is truly objective, for he must omit at least 90% of what happened and include only that which he thinks is important. I have read the history of the past 80 years from the vantage point of industrial revolution, of social changes, of banking schemes, of monopolies, commerce and trusts. Each historian has always given as his reasons for world events as being either industrial, social patterns, banking or commerce. To some extent, all are both right and both wrong, for their facts are generally correct but what they have omitted is more important than what they included in their histories. To my knowledge, this is one of the first short histories of this period from the perspective of the political Zionist interests concerning these world events. Few historians dare make this connection, and even fewer publishers would touch such a historical perspective in America or Canada. The Zionists are that powerful.

another war, and **they** had the money to finance it. Most Germans in those days, as with Americans as a whole today, did not even vaguely understand what was going on. All they knew is that Germany had been winning World War I when they were first betrayed and then victimized via the Versailles Treaty. They knew that there were powerful Jews behind it all. They agreed that every patriotic German, both male and female, should do his level best to re-build post-war Germany and somehow break the economic and military grip on their country imposed by the Treaty. Such is the basic nature of the German people and the Zionists knew how to play right into that wonderful hard-working national trait.

Furious with what the German people saw as a Jewish threat to their country, they were ready for anyone who would promise

them a way out of their economic bondage. They never suspected that this bondage was set upon them by the Zionists specifically so that there would be another war to justify their take-over of Palestine. It would be off-point here to list all the Zionist-controlled

"For the transgressions of a land many are the princes thereof: but by a man of understanding and knowledge, the state there of shall be prolonged."**

-Proverbs 28:2

Team Project !

It is vital that we get as many copies of DESERT SHIELD distributed as quickly as possible. I am asking our Team Members to check with small newspaper publishers to see if they have the folding and gluing equipment on their web press to print these 40 page pamphlets. Then I want at least 30 of you to take it upon yourselves, with local patriots sharing the costs in your area, to have these printed locally in the amount of at least 10,000 copies. Write me if you can do this, and I will send you "camera ready" masters, and if you wish, I will set the type on the bottom of page 40 so that it has your group's name and address as the local distributors. For non-team members, the cost of these masters will be \$20.00. No changes in text are permitted.

banking houses in America and Europe who financed Hitler's build-up of the equipment of war.* Submarines by the hundreds, and fighter aircraft and tanks by the thousands and the labor and industrial plants to manufacture them had to be paid for by someone, and that someone had to know what they were going to be used for. I think it on point to mention just one of these banks, The Union Banking Corporation of New York. This Bank, along with Guarantee Trust of New York was one of the heaviest financiers of the Nazi Regime. In the 1930's, Union Banking Corporation had the following Directors:

E. Roland Harriman, Director and Vice President and a member of Yale's Skull and Bones Society.

H. J. Kouwenhoven, Director and the Nazi Banker who was Managing Director of the Bank Voor Handel.

J. G. Groeningen, Director and Nazi Party Member of Steel Cartel.

C. Lievensé, Director and President of Union Banking Corporation, New York.

E. S. James, Director and Partner of W. A. Harriman and Company that also financed the Soviet Union for years. He was also a member of Yale's Skull and Bones Society.

-and-

Prescott Bush, the father of the President of the United States, George Bush, both of whom are members of the subversive Skull and Bones Society.

Prescott Bush was also a long time partner of Brown Brothers Harriman, which also financed the Soviet Union. He had

knowledge and participation in the financing of both Hitler and the Soviet Union. Does this surprise you? Then, like most Americans, you have lead a very sheltered life. It is hoped, after reading this pamphlet, you will never look at the world the same again. See here! If I can't sleep nights, why should you? Benjamin Disraeli, in his famous book, Coningsby, had one of his characters say:

"So you see, dear Coningsby, the world is governed by very different personages from what is imagined by those who are not behind the scenes."

Disraeli's book was published in 1844 and discussed the various revolutions that were about to take place, and which later were in fact carried out.

If you will remember, on page seven, I mentioned a certain British Admiral named Domville and his associates who had concluded through his intelligence activities that the Zionist powers intended to establish a New World Order in Jerusalem. One of his associates was Capt. A. H. Ramsay, and they knew as of 1938 that the Zionists were going to bring nations into conflict so as to establish the reason for a world government patterned after Wilson's League of Nations, and that its eventual capital would be in Palestine pursuant to the Mandate of the Versailles Treaty.

From 1936 to 1939, both Admiral Domville and Captain Ramsay did everything in their power to keep Britain out of any war with Germany, for they knew that this was the Zionist plan. It was Captain Ramsay that

*The student may want to read the book, Who Financed Hitler, The Secret Funding of Hitler's Rise to Power 1919-1933 by James Pool, The Dial Press, 1 Dag Hammarskjold Plaza, New York, NY 10017 (1978). In this book you will learn of the powerful, secret occult group known as the Thule Society who were the ones behind the German Workers Party, later known as the Nazi Party. They had their own reasons for financing Hitler which were different than those of Harriman, Prescott Bush and the Zionist bankers. Hitler took money wherever he could get it. One of the bankers was Fritz Thyssen who met Hitler in 1923 and provided funds to Hitler through a Nazi General named Ludendorf, and also through Rudolf Hess. One of the reasons Rudolf Hess was imprisoned all his life was so that he could not disclose the financing of Hitler which came from Holland, England and the United States. Bank Voor Handel was in Rotterdam, Holland, and was a subsidiary of Thyssen's Bank of Germany, and affiliated with the Harriman banking interests in New York.

**George's wife is the former Barbara Pierce of Rye, New York. Her father was the former President of McCalls Corporation which published the leftist magazine by that name. Her brother is Scott Pierce, former President of E. F. Hutton. In May, 1985, Barbara's brother plead guilty to mail fraud. This was known as "check kiting" and cost American investors billions of dollars over an extended period. There were 2,000 counts, according columnist Jack Anderson, and no one went to prison, but it is known in intelligence circles that President Bush intervened on behalf of his crooked brother-in-law. I have exposed George Bush's involvement in the cocaine drug traffic in my now famous HOPE'S HUSBAND (\$3.00). The Savings and Loan Scandals now involve the felony activities of two of George and Barbara's sons. Hopefully, when all this is finally exposed to the public, it will insure that George Bush will be a one term President.

tried hard to convince the British Prime Minister Neville Chamberlain that such a war would play right into the hands of these Zionist conspirators. Although unconvinced, or not wanting to accept this conspiratorial view of history, Chamberlain did at least go to Germany and compromise with Hitler. Some of my readers are old enough to remember Mr. Chamberlain returning to England and waving his famous umbrella and a paper upon which he said was an agreement that, "Guaranteed Peace In Our Time."

Well, the English and American news media, controlled then as now by the Zionists who own them, began their campaign of hate against Chamberlain, making fun of his umbrella, and calling him an "old woman" and a Pro-Fascist.* I personally believe, though I am willing to be proven wrong, that Chamberlain was an "old woman seeking peace at any price" and not fully understanding the forces against him. Anyway, Captain Ramsay promised to provide documentary evidence that there was such a Zionist plot to get America and England into a war with Germany so as to advance the Zionist New World Order. His source was two people who coded and decoded messages between Winston Churchill and President Roosevelt, the contents of which were unknown to the Prime Minister.

The coding officer was an unsung hero named Tyler Kent, and his assistant, Anna Wolkoff. They were furious with the plans and attitudes which passed between Roosevelt and Churchill, and disclosed these top secret documents to Captain Ramsay in Kent's apartment at 47 Gloucester Place, London. As with some of the work that our Northpoint Teams do, in spite of the risks involved, Captain Ramsay was unsuccessful, and the disclosure of these documents put

*Any time you hear anyone use the word fascist in their vocabulary, you may make the correct assumption that they are active communists, whether or not they admit to that thought-theology. You will hear this word from college professors, English teachers, etc., and you will know the literature they have been studying. Their language betrays them. I do not even like to use it in this pamphlet for that reason.

himself and Tyler Kent at high risk. Upon one man, Tyler Kent, pivoted a major part of the history of that era. However, so long as Chamberlain remained Prime Minister, Germany did not bomb England and England did not bomb Germany. The Zionist press called it a "phony war."

That was going to stop and the Zionists saw to it that Churchill was given "full powers and responsibilities regarding all naval, military and air operations." He decided to take the initiative. Now do you see why it is so important to know who the covert Zionists are, even if they are white men and not Jews? The Zionist propaganda campaign continued until that "old woman" was forced to resign, exactly and for the same reasons that British Prime Minister Asquith had been forced to resign in 1915 to pave the way for war. In May, 1940, Churchill joined hands with the British Socialists and formed a new government. He was sworn in on May 11, 1940, and that very evening he ordered the bombing of Germany.

Yes, that's right! England started the war with Germany, not the other way around as your lying press and professors have led you to believe!**

Some of my readers, and even a few patriotic authors, have been critical of my going back and pulling up to the surface old regulations set in place by previous American Presidents regarding so-called national emergencies. Well, in England years before World War II, there was an Irish Rebellion, and for security reasons, England passed an Order known as Regulation 18-B. This Law

**There are about 40 more pages of footnotes that I could put in this history of those who tried to stop Britain's war with Germany. Another of the unsung heroes of that era was a German named Rudolph Hess who flew to Scotland in a private plane with an offer from the German military that they would "get rid of Hitler" if Britain would sign a peace treaty with Germany. Churchill refused the offer, and Hess spent the next 50 years in prison for his efforts for peace. In like manner, I fully realize that I am putting myself at risk by trying to stop the Zionist engineered war in the Middle East known as Desert Shield, and that your government now has plans to incarcerate me for the rest of my life because they have learned of the intelligence that has been given to me, some of which you will find in this publication. Don't worry about me. Pray for yourselves.

deprived British subjects of the Rights and privileges of the Habeas Corpus Act, something along the lines of our Bill of Rights. This Regulation had not been used in years and years!

On May 23, just 12 days after Churchill became Prime Minister, he used this obsolete regulation to arrest all the prominent people who had tried to prevent Britian from being dragged into a war with Germany, and those who were known to oppose his Zionist policies. Hundreds of British subjects were arrested, detained and interrogated. They did not need any "probable cause" and they could be held indefinitely without any charges and without contact with their families.

You guessed it! Admiral Sir Barry Domville, Captain Ramsay, their wives, their families, all known friends and associates, and hundreds of other citizens were thrown into Brixton Prison and most of them were kept there until September, 1944, when victory over Germany was certain. Tyler Kent, the man who stuck his neck out for America, was an American citizen. The Roosevelt Administration agreed that the British authorities could arrest Mr. Kent and hold him indefinitely.* This is against all the accepted principles governing personnel attached to Embassies in foreign countries.

Under Churchill wholesale arrests were made. In the case of well known leaders, the public was first softened up with a

propaganda campaign against them carried on in the newspapers. Mrs. Nicholson, the wife of a distinguished British Naval Officer Admiral Nicholson, was arrested after one of these smear campaigns the likes of which only the Zionists can set in motion with "gentiles" like Peter Jennings actually saying the words. Mrs. Nicholson's "crime" was that she had stated publicly that she thought the scheme to involve Britian in a war with Germany was the "work of the Zionist bankers." She was one of the few who were able to force the Churchill Regime into placing charges against her and then trying the case. There were four charges and she was acquitted on all four, even though she did hold that truth as her own. In spite of the fact that she was found innocent, Mrs. Nicholson was one of those detained anyway under the infamous Regulation 18-B. Captain Ramsay tells the whole story of his arrest and imprisonment in a book titled, **The Nameless War.**** Admiral Domville tells his experiences with the Zionists in his book, **From Admiral to Cabin Boy.** *** □

Author's note: I repeat here what was stated on page 2, we do not have office staff to answer all the questions that this pamphlet is bound to generate. It is for this reason, that I have given enough footnotes so that the reader can begin his own study if he cares to do so. We now have 250,000 copies of Desert Shield in circulation. If only one reader in a hundred wrote us a letter asking even one or two questions, their requests would be all we could handle for the next two years. We have an unlisted phone number for the very same reasons. We know that 90% of those who read this intelligence briefing on the background of Desert Shield have never read such material before. We suggest that you order our earlier pamphlets mentioned on these pages, read the References suggested, and then if you are still confused, we may be inclined to help you further. Information costs us money to gather and prepare, and for the \$1.00 price, we are not going to spend \$50 worth of our time with a personal tutoring as to the meaning of events coming to pass these days. NWD ♣

Chapter Four

"...And while I am talking to you mothers and fathers, I give you one more assurance. I have said this before, but I say it again and again and again: Your boys are not going to be sent to any foreign wars."

-President Franklin Roosevelt, campaigning for reelection in Boston, Massachusetts, October 30, 1940.

We now know that Roosevelt was lying, don't we? How could Roosevelt have known that patriot Tyler Kent would reveal his secret cables with Churchill to Captain Ramsay? How could he expect their plans would be told to Neville Chamberlain and no doubt hundreds of others who were eventually incarcerated in England under the infamous Regulation 18-B?

It is astounding to me that Presidents can make such promises knowing that they have intentional plans already set in place to do the exact opposite. It seems that the greater and more wicked their lies, the more they are praised, and revered in later generations. It seems to be my calling, if I may paraphrase Tacitus, to "prevent virtuous actions (such as those of Tyler Kent) from being forgotten and that evil words and deeds should fear an infamous reputation with posterity."

John F. Kennedy, is now hoisted to the top of a pillar, as if he had been one of our great Presidents. Nonsense! His only "greatness" is because he did not live long enough to carry out what he had been planning since he graduated from the Fabian Socialist London School of Economics. He was personally more immoral than any President, and our American people seem to love all him all the more for it. Seldom, since

the days of our Christian Forefathers, have the American people elected anyone who was better than the average morality of the collective majority. Kennedy knew perfectly well what the New World Order Game Plan was for he had been taught all about it in his socialist finishing school in England. While running for President, and speaking at a dinner given by the Democratic National Committee at the Waldorf-Astoria Hotel, New York City, on October 12, 1960, Kennedy promised:

"Should I become President...I will not risk American lives...by permitting any other nation to drag us into the wrong war at the wrong place at the wrong time through an unwise commitment that is unwise militarily, unnecessary to our security and unsupported by our allies."

He was talking about Vietnam. Did he break his promise? No, he simply determined, once he became President, that it was the **right** war in the **right** place at the **right** time and through a "wise commitment that was necessary to our security and that it was supported by our allies." Fifty thousand Americans lives were lost because of that man's forked tongue and Americans still think he was a great President! George S. DeMorinchildt, the man who actually shot the *man beside the lovely lady* in the Presi-

dential car in Dallas, Texas, may have inadvertently done America a favor and postponed Kennedy's New World Order for another 20 years.* Kennedy was an active Zionist and a Rothschild agent. When it comes to war promises, we did not do any better under Lyndon Johnson. As he campaigned for reelection in Akron, Ohio on October 21, 1964, Johnson promised:

"We are not about to send American boys nine or ten thousand miles away from home to do what Asian boys ought to be doing for themselves."

This author knew that was a lie before it became self-evident. Kennedy only managed to get 20,000 troops fighting in the Asian jungles *before he passed from the scene*. By the end of Johnson's term, four years later, he had sent more than 500,000.** Johnson was an active Zionist and a Rockefeller agent. All of this seemingly off-point information is in fact right on point, when you see how it fits into the socialist **"Consulate of Two Men"**, one a Rockefeller and the other a top Zionist, who have given us what has come to be known as Desert

*Of course Lee Harvey Oswald did not shoot anyone in Dallas on that curiously fateful day. He was a part of the conspiracy, but chemical tests on his face and hands proved that he had not fired any weapon, either his antique Italian rifle or a handgun on that date. George DeMorinchildt, wearing a black cape, can be seen in action on the curb on the left side of the Presidential Lincoln in the pictures in the LIFE MAGAZINE published soon after that date. DeMorinchildt, who was later induced to commit suicide, was hired by the CIA for the job at Port of Prince, Haiti. My book on this important assassination, DALLAS CONSPIRACY, published in 1968 and now out of print, is scheduled to be reprinted soon in this newsprint format. Do not write for it, but get on my mailing list for these future publications as they are made available. We have no subscription rate, however most subscribers send us an average of \$20.00 per year for this intelligence information.

** The Vietnam War was stopped by the blockade of Haiphong Harbor, ten days after our Northpoint Teams issued an ultimatum to Admiral John McCain, then Commander of the Pacific Forces. We stated that if Haiphong was not closed in ten days, our privately funded civilian Teams would do it for them with an air attack on the dredge that keeps that harbor open. Our Team ultimatum was delivered by Mr. Granville Rideout, of Ashburnham, Massachusetts, on April 28, 1972, and Kissinger ordered President Nixon to put the blockade in place on May 8, 1972. Our operation was code-named Rolling Thunder, after the U.S. planned military operation by that name that was never carried out! See THE PENTAGON PAPERS.

Shield. I am trying to show you, as best I can in so few pages, the consistent Zionist fabric and thread throughout recent world history, all leading to a long range plan of their New World Order with its capital in Jerusalem.

This Zionist New World Order has been designed to put all nations of the world under a system of world law. You hear President Bush mention this "world Law" in his recent speeches to the American people. This world law will be an Admiralty Law under which our Bill of Rights will be abolished. You will cease to be citizens of the United States of America, but *persons, subjects, individuals* and treated in the same status and venue as those who are harrassed by the Internal Revenue Service, Inc.,*** which is a covert application of Admiralty Law under implied or actual contract. If you like the way the IRS operates, appreciate Britain's wicked Regulation 18-B, can handle agents of the Soviet KGB or Israel's Mossad****, knockir at your door in the middle of the night, yo

*** In ON TARGET I shocked many new readers by stating in print that I have not filed any income tax returns or paid any income tax in 20 years. *My personal reasons are strictly religious* even though Supreme Court decisions have established that such taxes are not due on wages, salaries, commissions, tips, or gifts. Unlike many patriots, I have no legal objection to the income tax for those "subjects, persons and individuals", *who because of their status, are required to file and pay*. However that claim of status under the law does not prevent the IRS, under orders from powerful people in Washington, from taking unlawful action against me, and the reader should not be dismayed or surprised if they do so one of these days. It does not matter what happens to me. What does matter is that enough Americans learn what is happening to their country and take immediate and effective action. Along that line, and in that context, may I suggest those of you who are Christians to read the new book, VIGILANTES OF CHRISTENDOM, THE Story of the Phinehas Priesthood, by Richard Kelly Hoskins, Virginia Publishing Co., PO Box 997, Lynchburg, Virginia 24505 (\$22 including postage). Tell them Northpoint sent you...

****There is a new book on this Zionist enforcement and intelligence group now available in most bookstores titled BY WAY OF DECEPTION, by Victor Ostrovsky. I did not learn very much as to intelligence gathering tactics, or what some call "street craft", but most Americans will learn how these agencies operate, and where their weak points are. If the Mossad agents in your area have picked up these books locally, you can order a copy from St. Martin's Press, 175 5th Ave, New York, 10010 (\$22.95). The book verified what I knew about Iran-Contra, and the bombing of the Marine barracks in Lebanon. He did not identify the explosive used which was RDX-enhanced propane.

will love Bush's New World Order. All of these groups operate under Admiralty Law.

In reading Ostrovsky's book on his experiences in the MOSSAD, I find the key thought-theology of all Zionists, whether they claim to be Jews or Christians by religion and race. He states in his Foreword,

"Coming from an ardent Zionist background, I had been taught that the state of Israel was incapable of misconduct....It is out of love for Israel as a free and just country that I am laying my life on the line by so doing, facing up to those who took it upon themselves to turn the Zionist Dream into the present-day nightmare."

So, in exposing the activities of the Mossad, it is well to remember that Ostrovsky is still an ardent Zionist, who complains that the present day leaders have betrayed the Cause. Sound familiar? With one more quote, I will leave the truth of BY WAY OF DECEPTION for you to read yourself. This quote explains the thread I have been weaving into the fabric of history all through these two dozen pages:

"The Mossad --believe it or not -- has just 30 to 35 case officers, or katsas, operating in the world at any one time. The main reason for this extraordinarily low total, as you will read in this book, is that unlike other countries, Israel can tap the significant and loyal cadre of the worldwide Jewish community outside Israel. This is done through a unique system of sayanim, volunteer Jewish helpers."

However, as he goes on to state in his book, the Mossad does not restrict its volunteer helpers to only those of Jewish racial background, but Zionists of whatever race or religion. This is why the Mossad recruits the

gullible Christians who have also been taught that "Israel is incapable of misconduct." It also recruits ministers whose theology training in the ancient languages should have revealed to them that those who say they are Jews today cannot possibly be the people of the book, yet for filthy lucre sake, they preach the modern Jewish fables. When misconduct seems to occur, such as the recent bloodshed near Herod's Wailing Wall, it is perceived and deceptively taught as being God's Will for His People and their ancient enemies. Yes, Mr. Ostrovsky, the whole Israeli problem is now the "present-day nightmare" in the world, "by way of deception."

Now with what Ostrovsky has admitted, and what I have taught in the last two dozen pages, I want you to do your own research as to the intent of Roosevelt in bringing America into WWII. Go to your library and take down several biographies of FDR, and scan the names in the index. What do you see? Do you notice the disproportionately high percentage of Jewish names of those among his associates, advisors, and appointees? Why do you suppose they are in those positions? Is it because they are the brightest and most capable?

Of course not! They are the *sayanim*, the volunteer Zionist helpers. Roosevelt liked to call them his "brain-trust." One of the most important books on FDR, is THE ROOSEVELT RED RECORD, by Elizabeth Dilling published in 1936. Trust me, Roosevelt knew what he was doing.

Or you might want to do some research into the background of Eleanor Roosevelt. I have in my

library a 45 year old Congressional Report on their investigation into un-American propaganda activities being carried on during the period just before and during WWII. It is three volumes with 2,166 pages in it. It is known as Appendix - Part IX and is a col-

lector's item worth about \$500. In this Congressional Report, it lists the names of subversive Americans, and the various Communist Front Groups that they belong to. Your Congress proved that she belonged to twenty different ones.* Research intelligence data published since 1944 establish that Eleanor was a member of at least 100 such groups during the many years that FDR was President. She was no "parlor pink" as one biographer put it, but was an intimate associate of the founders of the Communist Party in the United States almost from the beginning! She was furious with the exposure of her communist activities, and had the Chief Investigator for the House Committee on Un-American Activities, Mr. Robert Stripling, drafted into the Army when he was qualified to be exempt. One of Eleanor Roosevelt's close associates and confidants was a Mrs. Royale Davis of Chicago in those days. Mrs. Davis was the mother of Nancy Davis Reagan. Ronald Reagan, the synthetic conservative of today, was a supporter of Roosevelt's so-called New Deal. The "great communicator" was a long-time President of

the cited subversive Screen Actors Guild. Hence if you will examine those appointed associates, and State Department employees of the Reagan Administration, you will find those hidden Zionists, the Jewish *sayani* the 5th column helping in Israel's goal of New World Order.

Some Americans are aware that the major Zionist prize to come out of World War II, was the United Nations. The UN was finally to pave the way for the establishment of the Versailles Treaty Palestine Mandate. The State of Israel was its first official act. Thus the Zionists were one step closer to the New World Order spoken so highly of by President Bush in the past few months. Not known to most Americans is the second greatest prize of World War II, the oil rich fields of the Middle East, especially Saudi Arabia. It was supposed in the years before WWII, that whoever controlled that area would control the world's oil, and hence the world. We have come full circle, for President Roosevelt's major world conference was in Iran's city of Teheran. He met there with

Cartoon courtesy of NEW YORKER MAGAZINE

"My people will get back with your people."

*Shown here is part of the index from Appendix- Part IX, Communist Front Organizations that were subversive enough to qualify for Congressional attention. All of these groups set up for different purposes, were laced with Zionists. Does this mean that your mother was a communist if she voted for Roosevelt? No, but it does mean that she had not done her homework.

Churchill and Stalin in November 1943. The itinerary of this meeting was the agreements between them regarding the division of the world right in the middle of the greatest oil fields known in those days. The whole region, we now call the Middle East, that is the area from the Red Sea, the Black Sea, the Caspian Sea, the Mediterranean Sea and the Persian Gulf is one vast oil basin. Of course, today the largest oil field is on the Alaskan North Slope, and there is enough oil there to supply

America's needs for a thousand years at present and anticipated consumption.

America has no need whatever for Middle East oil today, and in fact there is enough oil in Alaska to make America the richest and most powerful nation in the world. That, however, is not in the plans for those who want to set the New World Order in place. □

Chapter Five

The Consulate of Two Men

Before you read on, it might be well to go back and study the first four chapters again, but this time with the thought of projecting what you remember about the past 20-30 years of the Administrations of Nixon, Ford, Carter and Reagan regarding their official interest in political Zionism. Think about those events that stand out in your mind that have happened in the Middle East. There was Israel's Six Day War with Egypt, and the starvation problems of the Palestinians. Are you beginning to see the trajectory set from before World War One, through World War Two as being on the Mark with the events surrounding OPERATION DESERT SHIELD?

For instance, remember the famous "Peace Accords" engineered by President Carter between Israel and Egypt at Camp David? Actually, Egypt took a bribe from Israel, with the U.S. taxpayers picking up the bill. The Legislative Democracy of Washington, District of Columbia, sent more than \$30 billion -- that's 30 thousands of millions of dollars -- to Egypt so that they would remain at peace with Israel until the Zionists could set their New World Order in place. In addition, it is known that an estimated \$20 billion was sent as *indirect and hidden aid* to improve the lot of the Egyptian people. Instead, the elite class in Cairo, reinvested funds outside Egypt mostly in U.S. and

British banks for their personal use. So, Egypt has 2% of its people very wealthy, and 98% of its people suffering the worst state of misery, hunger and oppression in a thousand years! Disease, unemployment and famine bring on food riots which have occurred every month for the past ten years. You taxpayers* in the venue of Washington, District of Columbia, are funding Egypt's 600,000 member Secret Police which is empowered to shoot, kill, torture and arrest anyone it pleases under their form of Admiralty Law. Are you surprised when Egypt is forced to side with Israel and Washington against Iraq? Are you surprised when the Zionist controlled State Department cancels all Egyptian debt for siding with Israel?

***More and more Christian patriots are finding ways not to contribute to that Egyptian and Israeli tyranny by withdrawing themselves from the Socialist Federal Income Tax System. We do not practice law and are not in a position to help patriots with their efforts to get untangled with that Admiralty system and re-establish their citizenship in the American Republic. However, it is your very signature on an IRS 1040 Form establishing, under penalty of perjury, that you are an individual, person, and taxpayer who is required to pay. With your signature affixed, and only with your signature affixed, can the Legislative Democracy (See Article 1, Section 8, Clause 17 of the Constitution) accept your tax "returns" and payments. You must volunteer to put your signature on that 1040 form. Without your volunteered signature, Washington, DC cannot legally accept your money. The Babylonian Talmud, from which the IRS gets its genesis, was first published in the year 1040, as chance would have it.**

In the meantime, the State of Israel is receiving more foreign aid than any other nation in the world, enough for about \$2,500 for every man, woman and child per year. Your Congress and Senate, under the pressure of over 100 registered Israeli lobbyists, paid by the funds going to Israel, sends one-third of all American foreign aid to Egypt and Israel. The WALL STREET JOURNAL of October 23, 1990, reported that the Senate voted to give President Bush broad power to give Israel at least \$700,000,000 worth of military equipment from Pentagon stock in the event they need it during the "Mideast Crisis." What does it take to demonstrate and prove the continued power of the Israeli lobby? This is nine times the ceiling set in current law! Yes, Senator Jesse Helms voted to send the \$700 million. The vote was 97 to 1 against, and that one vote against it was from Senator Robert Byrd of West Virginia.

For more than 15 years, once I had learned for certain that the Soviet communist system could not survive without financial aid, American technology,* as well as our American wheat and other food, I began publishing statements to the effect that Washington, DC and Moscow operate "like two hands on one person." Depending upon how I turned the kaleidoscope of history, I would see "that person" as either

*For many years, I was a career man with IBM, holding the job title of Senior Systems Suggestion Investigator. In the Spring of 1966, I learned through top company channels that sophisticated IBM equipment was being shipped to Communist Poland to be then moved on to the Soviet Union. The Soviet missile guidance systems and space technology depend upon American computers. When IBM refused to alter their plans to sell to the enemy in time of war, I resigned and exposed their activities to the news media. You will read of my resignation on Page 3 of the NEW YORK TIMES, June 16, 1966. Whether it is the IRS or IBM, I will have no part of any group which intends to destroy the American way of life.

the banking and oil, or the Zionists interests. Because of how they operate, it was often difficult to even pin them down that closely, because there are many involved who are neither bankers, oil people or Zionists. As a Christian, I had always known that the Babylon of Bible prophesy would have a "man of sin". I had been taught that "he" would be a Jew, one of those anti-christs who say they are Jews but are not, but are of the synagogue of Satan. (Revelation 2:9) My Bible lessons had led me to believe, in error, that there would be AN anti-christ. Knowing that we are about at the end of this Age, I had been looking for one top person who might fit the descriptions found in the Bible.

Remember, I promised you at the beginning of this pamphlet, that DESERT SHIELD was not going to be a Bible study,

and it is not. All I want you to winnow from this is that I was looking for something because of my personal religious belief system. It was only when I remembered that modern Babylon is to be made up of two parts, not one, that I began to watch the political world scene for a Consolate made up of two top people with equal power, at least at first. The

Bible identifies these two as the feet of Babylon made up of Iron and Clay. So, if this is true, who is Iron and who is Clay? Isn't that a good question? Who are these two people or systems that will work together for a while, and then break apart when Christ dashes His Stone Kingdom on that system's feet or foundations?

Then in the Spring of 1989, the above picture was published in the WASHINGTON

TIMES, showing Henry Kissinger and Gorbachev shaking hands. This photograph was taken in Moscow, on January 19, 1989 after a top secret meeting. So far as I know, only two other publications carried this photograph and the unusual story surrounding it. One was Lawrence Patterson's CRIMINAL POLITICS. He is a courageous publisher with a private newsletter* from Cincinnati, Ohio. The second publication was our ENCORE section of HOPE'S HUSBAND.

By that handshake, Gorbachev agreed that the **Consulate Of Two Men**, the two Co-Chairmen of the New World Order, was set in place on January 19, 1989. From that time on, the world has secretly been under the control of the New World Order finally disclosed by George Bush in his recent infamous speech. Shown here is the chain of command with two men at the top:

The Consulate of Two Men

Everything you will see happening from now on will fit exactly into this chain of command. Kissinger and Rockefeller will remain silent and behind the scenes. Gorbachev and Bush will be travelling the globe under directions of this **Consulate of Two Men**. Of the two top men, which is Iron and Clay? Does it really matter? My guess is that Zionism is the most well organized and will eventually win when the warfare at the top between the people of the Six-Pointed Star and those of the Five-Pointed Star finally takes place. So, Kissinger, the man who advised Presidents for years regardless of their political party, must represent the Iron. Gorbachev below him has always been known as "Iron Teeth" since his days with the KGB. All you have to do is watch George Bush and you will know who "Clay" is.

With this chart fixed in your mind, you will understand why George Bush has travelled to more than 23 nations since he was sworn in as President during the week of the 19th of January, 1989. If you do not see Bush and Gorbachev as mere employees of the New World Order, you will be forever confused by the news commentators whose foolish statements I pointed out earlier in this pamphlet. If you do not see Gorbachev as the Eastern Director, how can you explain his curious actions, seemingly repudiating the Marxist-Leninist line and opting for some form of capitalist supply side economics in the Soviet Union? Why otherwise would he go to China when the USSR and China have not "spoken" for 25 years ---until after the 19th of January, 1989. This athiest even went to see the Pope. Do you think he somehow found God? No, only proven world socialists, like Kissinger, King and Gorbachev ever receive the Nobel Peace Prize. It is always given to them at exactly the right time in history to elevate their stature.

Do you really think that after all these years of hard-line Marxist-Leninist education that the whole communist world finally saw the light, and turned from their wicked ways? Christian, is Babylon really reformable? Did you ever wonder why it seems that everyone is crying, "Peace! Peace!" and there is no peace?

*Patterson Strategy Organization, PO Box 37812, Cincinnati, Ohio 45222. (\$185.50 per year - 12 issues.) Highly recommended by us though we may not always agree on all points.

Do you really think that the perpetual warfare between the two halves of Genesis 3:15, which was commanded by Almighty God, Himself, has been called off? Is there an armistice with both sides having come to terms? Such nonsense is not taught in either the Bible or any basic political science course. Therefore, something else must be and is happening, and it seems clearer and clearer that these things do in fact happen under the careful direction of the **Consulate Of Two Men.**

Men can design all the chain of command diagrams they wish for the New World Order, but how can they enforce their directives?

Any government must have four things: leadership, territory, a body of people, and a system of laws. It must have the military power to enforce its policies on its body of people within the territory it controls, or it is in fact no government at all. On August 20, 1990, in speaking before the Veterans of Foreign Wars, George Bush informed the world that "We intend to enforce United Nations sanctions." In a 1962 study financed by the State and Defense Departments, Zionist Lincoln P. Bloomfield explained why the American Government had been consistently aiding world communism. He wrote:

"In a world effectively controlled by the United Nations, if the communist dynamic was greatly abated, the west might lose whatever incentive it has for world government."

Walt Rostow, one of the advisors to President Kennedy, wrote in his book, *The United States in the World Arena*, this treasonous concept:

"...it is an American interest to see the end of nationhood as it has been historically defined."

There will be no more of this nationalistic business of saluting the American Flag and the Republic for which it stands! Of course I am sure that Mr. Bush didn't think to mention that minor detail to those members of the VFW. The stage is now set for the advocates of The New World Order to use the Iraq Attack to speed up their longheld dream into a reality. This will cancel the Declaration of In-

dependence, void the Constitution, and substitute the UN flag for the Stars and Stripes.

Why are you sitting there idle?*

Why aren't you jumping up and down in the streets? Why aren't you talking to everyone you meet, not only to preserve our nation and way of life, but at least making an effort to save the thousands of American servicemen who have no idea today that they are being deliberately sacrificed in battle for the Glory of Israel and the New World Order?

***One man wrote recently regarding our Summer, 1990 ON TARGET asking for two copies, stating that he only knew 2 people to give it to. Don't try to figure, by the set of someone's jaw, who might read these pamphlets. Just get out there on the streets and give them out!**

Chapter Six

*Political language is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind.**

-George Orwell

We are being told that this biggest airlift since Vietnam is because of the Hitler-like menace of Saddam Hussein. We are being told that he is brutal, unpredictable and power mad. Not to confirm or deny the media assessment of his character at this time, it is worthwhile to remember that there are hundreds of unpredictable, brutal and power mad leaders in the world, and the "whole world" doesn't put financial and military sanctions against them.

We are being told that Saddam is about to invade Saudi Arabia at any moment and America must send her men to prevent, under the pain of bloodshed and death, this mad man from getting his hands on the world's oil, and, using it as a political weapon, bankrupting the whole world. George Bush in his messages to the American people mentioned that out of this conflict would come his New World Order, and something he called World Law.

The main purpose for this pamphlet is to teach you by precept upon precept, and line upon line, that your government nearly always lies to you. It does so with such skill that most Americans think it is the truth, and pure wind seems to be solid. If the media told the truth, believe me, there would be a revolution by morning! You have been lied to

by your Presidents about everything from what happened at Pearl Harbor to the moral integrity of Nelson Mandela. Mandela might have split the Nobel Peace Prize with Gorbachev had Mandela's common law wife not been on trial for murder. Whenever a President, such as Carter, tells us, "I will never lie to you," I was prepared for some real whoppers. We got them. When the covert world socialist George Bush told us, "Read my lips, no new taxes," I fully understood that the man was knowingly telling us a bold face lie. He was not a misinformed politician running for office without the slightest knowledge of how things are on the inside, for heaven's sake! He knew full well that higher taxes would have to be imposed so as to maintain the steady growth of socialism in America. Yet most of you believed these two men, and elected them as your Presidents.

I cannot, for the life of me, figure out why the average American harbors such a solid faith in the overall integrity of the Federal government and its name-brand politicians. Subsequent events have always proven them to have not been telling the

***The Prophet Micah stated: "If a man walking after wind and falsehood had told lies and said, 'I will speak out to you concerning wine and liquor', he would be a spokesman for this people." In other words, our Christian people so lack discernment that they will always elect the biggest liars and deceivers that they can find to put into office. Learn this truth, and you have come along way.**

refinery north of Managua, Nicaragua, became the real center of the official attention in that country. It had little to do with Contras or Sandinistas, but **in reality** had to do with unpaid Rockefeller bank loans and EXXON oil profits for that whole region of the world. When you read about our Northpoint Team **civilian attack**, (with our Nicaraguan associates in my book HOPE'S HUSBAND), on the cracking tower of the EXXON refinery, on the half-moon lit night of

November 23, 1984, you can understand that we have been tramping on some very important and sensitive toes for a long time. When Capt. Ted Jablonski, a Team Member, told our Northpoint Teams the Soviet Tanker *Lubansk*, which he had just piloted through the Panama Canal, **was carrying Rockefeller-owned crude oil for the Sandinista refinery**, mines manufactured in Costa Rica were set in place in the channel waters of the EXXON terminal at Puerto Sandino. Our hit on the *Lubansk* made world-wide news, and we were happy that the CIA got the blame for it. They vigorously and truthfully denied their involvement. Capt. Jablonski, for his disclosure of this Rockefeller oil being supplied illegally to the Sandinistas, found himself in "irresolvable IRS problems" and spent a few years in a Pennsylvania Federal prison for his patriotic efforts.

PEOPLE.**

While the twists and turns of the Rockefeller dynasty's takeover of the Saudi Arabian oil during the period just after World War Two could be extended for pages, it is enough to say that the Zionist-Rockefeller New World Order is not about to let all this effort and 30 years of fantastic profits, fall into the hands of Saddam Hussein. Remember as you think of this, about the **Consulate of Two Men**: Rockefeller with banking and oil, and Kissinger for the Zionists. These two foundations of modern Babylon, Iron and Clay, are now firmly in place in the land of ancient Babylon's control.

Lawrence Patterson, in his August and September newsletters, condenses all of this treacherous and tangled history down to identifying both the Saudi Arabian and Kuwaiti leaders, as "nothing more than Trilateralist and Zionist Stooges -- or surrogates of the U.S. government." For his readers, most of whom are sophisticated investors and serious long-time students of world events, this is sufficient.* To the rest of Americans,

this may seem "far out" and "off-the-wall", but I can assure you it is not. America faces grave danger, both foreign and domestically, and now is the time for all good men to come to the aid of their country. □

*For most readers of this pamphlet, I want to point out that George Bush claimed to have been surprised by the Big Iraqi Attack. It was so important to have the public believe that he was taken by surprise that he was willing to sacrifice the reputation of the CIA and appear like a blind fool himself. Remember, he is taking orders from Rockefeller and Kissinger. There is no question but what George Bush knew about the forthcoming invasion well in advance. America has spent billions putting military spy satellites into orbit that can read a newspaper from a hundred miles out in space. Bush knew as early as mid-July that Iraq had moved enough battle units to the Kuwaiti border that it was obvious the invasion was imminent. You cannot move this many men and this much equipment overnight, nor can such movements be effectively camouflaged from our satellite cameras. Yet your President gave no warnings to Americans in either Kuwait or Iraq, thus putting some 3600 Americans at risk. Thus, the fate of thousands of these Americans has become a central issue, and preventing military response against Iraq. I ask the question: Are these Americans the pawns of Iraq or of the New World Order?

Navy Torpedo Bomber, Grumman TBM-3E
"The Avenger"

"Barbara"

LTJG George Bush, Commander in Chief

In the next Chapter, I will be discussing the treachery of George Bush and his Administration pursuant to his sending America's finest men to fight and die in the Arabian Desert. Americans need to know about our "Commander in Chief." I had thought to draw a parallel between Lawrence of Arabia and the Arabian Knight, George Bush. The men were so little alike that the contrast is striking. Lawrence was an Arabian patriot who personally fought in the thick of battle in an effort to free his people from the Turks. Whatever you may think of him, he was never remembered as a coward by either friend or enemy. Having beaten the Turks, he had to stand by as the British stopped all attempts of the Arabs to establish truly independent States. His mission lost and his hopes dashed, he retired into anonymity, only to die in an unfortunate motorcycle accident in 1935.

George Bush was also a warrior, *but a different type*. He enlisted in the Naval Reserve on his 18th birthday, only to get called up unexpectedly to fight the Japanese. While his father was financing Hitler, and ESSO Standard Oil was providing the ESSO 100 octane fuel for the German fighter planes, George was flying a Grumman Avenger, a Navy Torpedo Bomber which he had named "Barbara." This plane had a crew of 3, pilot, radioman-turret gunner, and a tailgunner. The crew was sealed in a compartment that could not be opened in flight because of the tremendous pressure of the airstream against the door. Bush was assigned to the light aircraft carrier USS SAN JACINTO. Hit by Japanese anti-aircraft fire, George Bush panicked and bailed out leaving his two crewmen to go down with the plane. As Reagan abandoned our POW and MIA's in Vietnam and Bush abandons hostages in the Middle East, it is fair to point out that George, the Arabian Knight, left his very first hostages and MIAs aboard his own plane, knowing that no matter how frantically they pushed against the door, they were trapped in the doomed torpedo bomber. He said there was smoke in the cockpit. He said that no one answered the intercom. He said that he assumed that they were dead. He was rescued by the submarine, USS FINBACK, after only 4 hours in the sea. Bush lost four planes in all during WWII which does not indicate a very capable pilot. In spite of it all, he was awarded the Distinguished Flying Cross. Recently, the NAVY TIMES was highly critical in his judgment call with the Avenger and his abandoned crewmen. Navy pilots who flew with him insist that he had the aircraft ability to put the plane down in the water so his men could get out safely.

Lawrence of Arabia was a scholar and a great military leader. His troops loved him. He was a first-class writer as his Seven Pillars of Wisdom clearly establish. Bush, in contrast, has no literary talent and every one of his speeches is prepared for him by pro-Zionist ghost writers, including his famous "I Have A New World Order For You!" speech of recent disgusting memory. The aim of King Arthur and the Crusades was to free the Holy Land for Christian rule. Quite properly, Lawrence wanted to return the Holy Places to Arab rule as I interpret God's promise to Abraham through his son Ishmael in Genesis 17:20. The Palestine Prince is one of those twelve Princes of Ishmael. Bush and his Zionist friends do not want the Holy Lands in either the Christian or the Ishmael-Arab hands, but want it turned over to the Babylonian Zionists, those who call themselves Jews but are not, but are of the synagogue of Satan. Isn't that why you Judeo-Christians voted for Mr. Bush?

Chapter Seven

*Treason doth never prosper: what's the reason?
Why if it prosper, none dare call it treason.*
-Sir John Harrington: *Alcilia*

Before August 2, 1990, 75% of all Americans had never even heard of such a nation as Kuwait. Millions of people had never heard of Vietnam until their loved ones began to die there. The little section of the Persian sand dunes known as Kuwait has always been part of the Persian Empire which now calls itself Iraq. Since about 1756, the Sabah family has ruled this area with boundaries always in contention. He owns, in Persia, only what he can control.

Going back to the period of World War one, Britian established "protectorate" over Kuwait to see to it that the same Sabah family

Would you buy a used car from this man?

This is the Emir of Kuwait.
President Bush and the World Zionists want your brother, son and husband to die if necessary, for his country instead of for America.
Say nothing, and it will happen.

remained in control of that area of the world's oil supply. The northern frontier with Iraq was established by British survey in 1923, but still remained a part of Iraq as far as everyone in the region was concerned.

Now, remember the interest in the Middle Eastern oil at the Teheran Conference? World Zionist powers, who knew that there was little or no oil in ancient Palestine, wanted control of the oil in Kuwait, and in return for "national independence" the Sabah family agreed to become secret partners with *Israel* even though they are *the richest fami-*

ly in the world! So, in June, 1961, much to the objection of Iraq, Britain announced that it was giving diplomatic recognition to the *shaykhdom* of Kuwait. At that time, Iraq refused to recognize this British outrage, and sent troops to the border to straighten things out. They knew full well that the "Emirs", as the patriot Larry Patterson puts it, are "Israeli stooges".

Anyway, the British sent some troops there in June, 1961, to defend Kuwait against Iraq, and, in concert with Israel, put heat on the Arab League so that they would also recognize Kuwait. Furious, Iraq was forced to withdraw and the Iraqi claim was never mentioned again. From that time on, however, Iraq has prepared for August 2, 1990, knowing that she would have to stand alone among the other Arab nations who were by then feeding at the trough of Western Zionism.

Furious with the West, which is seen by the Iraqi people as the Great Satan for their promotion of world Zionism, Iraq had the money to buy all the war materials and other items it needed. The Soviets were more than willing to oblige them. So were many of the western nations, including the United States. Yes, for years America has helped build Iraq's war machine, just as CIA operative, Col. Edward Lansdale gave surrendered Japanese weapons to Ho Chi Minh so that

he could start a war in South East Asia.

Iraq does not want to be forced into the Zionist New World Order. They hold that position as much for religious reasons as for financial, banking and political reasons. They are ready to fight to the last man.

Are there interviews of our American soldiers in the Desert in your area? They have them here in North Carolina because so many of them have departed to the Arabian deserts from this State. I see and hear these men talking as if taking Iraq is going to be a piece of cake. They think that America can bomb Iraq back to the Stone Age any time we care to do so. That seems to be the prevailing level

of understanding. Bush vows to liberate Kuwait, and Saddam Hussein says that Iraq will not abandon this annexation. Threats go back and forth, and the news media keeps pointing us to Bush's stronger and stronger dialogue, preparing us for war, *while denying he has any such intentions.*

Bush vows liberation of Kuwait

Exiled chief gets pledge as more signs point to war

By Dan Fesperman and Mark Matthews
The Baltimore Sun

WASHINGTON — President Bush vowed Friday to the leader of Kuwait that the ousted emir's country will be reclaimed from the invasion forces of Iraq — a pledge that came amid developments pointing to a greater likelihood of war by year's end.

Let the reader be under no false assumptions! This Middle East War, called DESERT SHIELD, has been in the planning stages for a long time! The NEW YORK TIMES of April 3, 1990, reported that the Selective Service System, (known locally as the Draft Board), has been under full alert status and ready to begin calling up men for service on a 24 hour notice since April, 1990. Why? Listen carefully! Pay attention! They

are planning a "final war to end all wars" that will be so terrible that the whole world will agree to the New World Order without giving it a second thought. We know that they are planning to call up 100,000 young men,* put them through basic training, and assign them to Arabia.

I am fully aware of the fact that further deployment is now illegal under the War Powers Act, a 60 day limit that expired on October 7, 1990. Under U.S. Law, our troops must be returned home *unless there is a vote of Congress permitting our forces to remain there.* This was not done, and your Congress has gone home until January! Whatever Bush intends to do, it is almost certain that he will not seek formal Congressional permission for war. Some of the patriotic groups are yelling and screaming about this illegality. I beg to differ with them. If America were still under Congressional Laws, Bush's actions would be illegal, even under Admiralty law. However, don't you understand? Since we are under the New World Order Law of the United Nations, that is, the New World Order that was set in place on January 19, 1989, in Moscow, the Congressional War Powers Act, is null and void! It is moot! It simply no longer applies! You should have understood that fact when Bush sent the Armed Forces into Panama and captured the lawful Head of State and put him into a US prison. Much as I hate Manuel Noriega and the drug-pushing creeps around him, such an Act, *however understandable,* is unthinkable under the former International Law of Sovereign Na-

Those young men who do not wish to serve in Bush's Middle East War may want to know that the "draft" is still "voluntary." As with the IRS, most men do not show up when they "volunteered" and found them outside the protection of the Bill of Rights and under the Admiralty Universal Code of Military Justice. You do not sign an "Act" during the swearing in ceremony. The man who is swearing you in will state: "Those joining the Army are to take one step forward." At that exact moment, and from then on, you who do not want to volunteer, do not step forward, but remain fast in your tracks and do not move. If you do not move, you are not in "that man's Army." No, they will not inform you of this one fact about volunteering. They will be angry, and may "talk to you for a day or two" to get you to take that one step" but if you remain adamant, they must, by law, release you back to civilian life.

tions. What will it take to wake Americans up?

Others have asked us, "Who calls the shots?" They state, "Obviously Bush is not capable of keeping up with all that's going on, and seems confused having mixed signals, etc.." I told you on page 29 who calls the shots, just as I told you in my ENCORE! written 16 months ago. I have not changed my opinion, and further data has only enhanced my position. The primary man, whose employees supervise George Bush, is Henry Kissinger. Kissinger gets his funding from the Zionists in New York and Tel Aviv. He employs a staff of 50 persons, including several dozen "geo-political advisors" from previous Administrations whom he knew and trusted. The leading Zionist-New World Order person directing President Bush is Brent Scowcroft. The next man that Bush reports to is a Lawrence Eagleburger. Both transferred from the Kissinger offices in New York City to Washington. They are there to see to it that the New World Order instructions are carried out in detail, efficiently, and timely. Scowcroft is Bush's National Security Advisor, and Eagleburger has the cover of Under Secretary of State. The control is very tight.

HOW DID ALL THIS COME ABOUT?

I will not have time to document and comment on the Soviet involvement in pushing "their ally" Hussein to the borders of Kuwait. Saddam wanted to do that ever since the British humiliation in 1961 when Kuwait became independent of everyone except Israel. Hussein did not want open warfare with the US, however badly he hates us. In mid-July, he moved 30,000 troops to the Kuwait border. After they were in place, Hussein summoned America's Ambassador to Iraq, Ms. April Glaspie, to his office. She told Hussein what had been her instructions from the Kissinger New World Order Task Force: "We have no opinion on the Arab to Arab conflicts, like your border agreements with Kuwait." She then told Hussein that she had to return to Washington for consultations and left almost immediately. To the

average American, not accustomed to diplomatic language and actions, this may seem like a minor point. There **are** no minor points. In diplomatic circles, such words and actions were seen by Hussein as a "green light" for him to move into Kuwait. He did exactly as the Kissinger "Brain Trust" had hoped he would. If you think that I have imagined all this, I call your attention to Ms. Glaspie's remark to the NEW YORK TIMES and reported in THE NEW YORKER* of October 1, 1990:

"I didn't think --and nobody else did -- that the Iraqis were going to take all of Kuwait."

Read that quote again. Who are the "nobody else did"? She admits that "they" expected Hussein to take **some** of Kuwait, but not **all** of Kuwait. Having made that slip, the NEW YORKER columnist goes on with the standard Zionist position that suggests the Bush Administration's misjudgments, etc. A couple weeks later, the NEW YORKER picked up another Kissinger-Zionist New World Order slogan, which we have also heard from President Bush to the effect that Hussein and his associates "are becoming war criminals in the classic Nuremburg sense." Of all the brutal dictators the world has endured these past 50 years, Hussein is the **first** to be compared with Hitler's regime. Not Stalin. Not Castro. Not Gorbachev. I am not defending the actions of the Nazi Regime, but those Nuremburg Trials(sic), in 1946-48, were nothing more than kangaroo court proceedings. They were unfair, rigged, and grotesque miscarriages of justice! And, they were illegal. It is this type of legal system that Kissinger and Bush are talking about in the New World Order Law. One U.S. Supreme Court Justice, Harlan Fiske Stone, referred to Nuremburg as a "high grade lynching party."

Here is the next point regarding Ku-

***If you do not want to distill the news from many sources, you will find that THE NEW YORKER, read by a very select group, will have some of the information you need as to what the tactics are going to be for the New World Order, etc. The average American does not read this magazine, so the truth is often found in its editorial comments.**

wait that most Americans have missed in the news media. Hundreds of Kuwaiti citizens gathered in London, on October 9, 1990, to discuss their future under the Sabah family. According to the NEW YORK TIMES of October 10, 1990, these prominent Kuwaiti leaders were involved in a strenuous debate over whether they wanted to see the former ruling family of Kuwait return to power. Did you know that? The conclusion of the story is that most Kuwaitis do not want them back!

Here is one of the reasons! In 1986, the Kuwait regime ended all freedom of the press and all freedom of expression. This fact has been completely covered up in the American news media. Under Kissinger's directives,

"...the repressive nature of the Sabah family must be censored, for if it is not, then the stated reason we are about to go to war would become openly ridiculed and grass roots objections would rise to critical levels."**

Kuwait was an absolute dictatorship, as many who have been in the Middle East know from personal experience. It is this type of Kuwaiti dictatorship that the New World Order wants to see in place throughout the globe, and American servicemen are now on the scene to insure that it is re-established.

Yet, in spite of the largest armada in recent history now poised against him, Saddam Hussein seems indifferent to what might at first appear to be inevitable defeat. Our American soldiers seem casual, as is a football team whose score in the 4th quarter is 57 to 6. The Kissinger Team knows all about what I am going to reveal on these last pages and they are saying nothing about it. The fact is, this data is considered by your government as **CLASSIFIED**, and not shared with the American people or the American servicemen now serving in OPERATON DESERT SHIELD.

****For security reasons, I cannot reveal the source of this Directive from the Kissinger Staff. I accept it as authentic, and as you watch the news, see if this fact is ever mentioned to the American people in the media.**

For Those Who Read The Last Page First...

If the U. S. attacks the Iraqi forces now in Kuwait, or attacks Iraq from the Saudi Arabian deserts, it is suspected that the **first choice** weapon of the Iraqis will be the use of a form of biological warfare known in the military circles as "organophosphates." The type that Iraq will be using is known as ANTHRAX. Most of the lower-level American officers and all of our enlisted combat forces are completely unaware of this, for the so-called chemical warfare suits do not protect against ANTHRAX germs! British intelligence sources, from where this information has come indirectly into my hands, state:

"...and the Iraqis have achieved expertise with ANTHRAX bombs and we expect that they are informed enough to deliver doses severe enough and strong enough to cause almost instant blackouts, diarrhea, asthma, choking, epilepsy, burning skin and eyes, and impaired vision....these are most likely to be employed when the soldiers are asleep and there would be no possibility of the sleeping victim saving himself....the ANTHRAX germs are the most highly contagious known...the first effects of the Iraqi ANTHRAX bomb would be blackouts, fits, and vomiting, and the victim will be vomiting while unconscious."

ANTHRAX is one of the most horrible deaths known to man. It takes a soldier 48 hours to die, and death is certain. I make no excuse for the horror of the information given in this pamphlet including the matter of the ANTHRAX biological weapons in the hands of Iraq. The Bush Administration has forbidden that this ANTHRAX information be released to the American public. Unless you have access to **CLASSIFIED** materials, and are at a certain intelligence level with need to know, this may be the first and only *place you will ever see this information.*

The New World Order, the history of which has been sketched out for you in the past 38 pages, began with thousands of needless American deaths in World War One, and thousands more for the same ultimate Cause during World War Two. The World Zionists have made the decision to move now to put this New World Order in place at once. To accomplish this, over the objections of freedom-loving Americans, is to bring about one more war wherein, according to Defence Intelligence sources, there will be 19,000 to 38,000 American casualties. Toward this end, the USSR has given massive aid to Iraq in the form of technical know-how, war materials, and financial help. This war, carried out under the name DESERT SHIELD, was strategically planned in the Kissinger offices in Manhattan and in the Mossad headquarters in Tel Aviv, Israel. So confident are these Zionists, that they now refer to **Jerusalem** as their New World Order capital, when everyone knows that Tel Aviv is the capital of Israel.

When was the last time that the United Nations ever had a 100% agreement on **anything** at the Security Council? When was the last time all the Republicans and all the Democrats ever agreed in **anything**, right down to the last man? When was the last time that there was an open split in the Arab world with all of them siding with the United Nations? Iraq who does not want to be forced into the New World Order will be brought to its knees eventually, but not before the horrible and needless deaths of thousands of our wonderful, obedient American servicemen -- who will never know what hit them or why.

May Almighty God, in His *unmerited* Grace towards us, *forgive us one more time* so that we can clean house in America.

-Nord Davis, Jr., NORTON

Friends, to whom I have given this small project, have estimated that there are somewhere around 28,000 words in this forty page pamphlet. Flip through it, and see the heavy documentation footnotes and photographs.

There is no way that I can give a capsule of what this pamphlet contains in only a short resumé on the back page. So I shall not try that impossible task. The facts contained herein, assembled as they are, have been about as close to an impossible task as I care to attempt. I know that you will find this pamphlet unusual, absorbing, fascinating, and disturbing, especially if you are, as most Americans, very patriotic but relatively uninformed. It may well be the best dollar you ever spent.

Nord Davis, Jr, Topton, North Carolina
