

DOCUMENTS

- CIA-Declassified - Government -
- KGB Archives - UN - FBI-
- Congressional - UFO - Iraqi Military -
- Executive Orders- Conspiracy-
- Confidential- Historical- Hard To Find
- On 3.5" IBM Formatted Computer Disk

WE HAVE ALL THE DOCUMENTS THAT BIG BROTHER DOES NOT WANT YOU TO READ.

- ESTABLISH YOUR OWN RESEARCH DATABASE.

Have you ever asked yourself any of the following questions?

What does the "The Exclusionary Rule Reform Act of 1996" H.R. 666 mean? "Admissibility of evidence obtained by search or seizure," without a search warrant.

What about "Bill H.R. 2768- Effective Death Penalty and Antiterrorism Act?" This is the Bill that gives UN Inspectors police powers and immunity from criminal prosecution for criminal acts (even murder) committed on United States soil.

What about "H.R. 1944," the Bill which provides "Assistance for the Tragedy at Oklahoma City." When you read the Bill, you will find they added.... Aid to Jordan, Money for Animal Research, Fuels, etc.

The 523 page unreleased "Justice Department Report on Ruby Ridge, Idaho." An investigative report of a tragic incident of government agents run amuck in the Randy Weaver case.

I am offering you a low cost way to become more informed of important decisions which affect you and your world, so you can become empowered with "the truth which shall set you free." Information is power. It is a valuable tool for constructive action. A source for Authors, Historians, and Researchers. Over 900 files available.

I will compile all files in a TEXT FORMAT. A text format can be read and printed by any word processing program, i.e. Wordperfect 5.1, 6.0., MS Word 6.0, etc. 99% of the files are \$2.00 each, regardless of size. The files you select are compiled onto a 3.5" High Density 1.44 Mb- IBM Formatted Disk. Each disk is 100% Guaranteed. Just insert the disk into your computer. You can view or print the documents. Create a Directory and start your own Database. If you do not have a computer, a friend or your local print shop can do the job from their computer very easily. 100% Satisfaction Guaranteed or your Money Back. DataSource will pick at least 2 extra files at no additional cost and include them with your order.

Send a Self-Addressed-Stamped-Envelope to: DataSource P.O. Box 37, Alpine, Ca 91903 for a **FREE LIST** of over 900 available document files.

NOTICE

If you would like to have additional informative documents regarding the events in Australia relating to the gun take-away, send a self-addressed envelope with postage affixed in the amount of \$1.01 to cover weight of 25 pages (some are back-to-back) to:

Data Source
P.O. Box 37
Alpine, CA 91903.

Angie and Jim Carlson are doing a great job providing miscellaneous documents at a minimal cost. If you desire to have their extensive list of documents and computer disks which they publish, include an additional \$1.01 in your envelope requesting this list. Jim and Angie are good people to know.

From time to time I will be getting additional information from contacts I have in Australia. Keep in touch!

Second Amendment Committee

A handwritten signature in cursive script that reads "Bernadine Smith".
